Fredrick Lawler, being sworn, deposes and says that:

1. Affiant is the Vice President of WilTel Communications, LLC, formerly known as Williams Communications, Inc. ("WilTel").

2. That on July 17, 1998, Kern River Gas Transmission Company ("Kern River") and Williams Communications, Inc. entered into a Construction, Operation and Maintenance Agreement, allowing WilTel to encroach on portions of Kern River's right-of-way across which its 36 inch natural gas pipeline system traverses in the states of Wyoming, Utah, Nevada and California (the "Pipeline"), which agreement was duly recorded of record on February 3, 1999 in the land records of Salt Lake County, Utah in Book 8246, Pages 203-223.

3. As part and parcel of that transaction, Kern River executed a Partial Assignment to WilTel quitclaiming, transferring and assigning a portion of Kern River's rights, title and interest in and to rights-of-way, including rights-of-way for communications purposes and all other purposes generally or specifically relating to them, to authorize and consent to WilTel's use of areas lying off the center of the Pipeline but within the right of way for the purpose of installing, operating, and maintaining Communications Facilities. Said Partial Assignment was duly recorded as Exhibit "B" to the Construction, Operation and Maintenance Agreement on February 3, 1999 in the land records of Salt Lake County, Utah in Book 8246, Pages 203-223.

4. That the Agreement and Partial Assignment generally described the real property being assigned but did not specifically identify the property by specific legal description.

5. That rights-of-way covered by the Agreement and Partial Assignment are identified on Exhibit "A" attached hereto.

6. This affidavit is made for the purpose of making said Agreement and Partial Assignment more definite and certain in respect to the identity of certain lands covered thereby. This affidavit is made with the intent and understanding that each statement contained in it may be relied upon.

Further affiant sayeth not.
