RE: New addresses in Uintalands and Wilderness Acres Subdivisions.

In recent weeks I have been working on assigning addresses to properties in the Uintalands and Wilderness Acres subdivisions. Please find attached a table of new addresses for the corresponding parcel numbers. In the case of an address already assigned to a parcel number, the address on the following table will take precedence. In many cases the number and road will be the same but the new address has dropped the directional. It was determined that directional designations would only cause confusion in this area.

Thanks, if you have any questions, please call me at 435-336- 3145.
