TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Deed of Trust. All of the foregoing is referred to in this Deed of Trust as the "Property."

YOU COVENANT that you are lawfully seised of the estate hereby conveyed and have the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. You warrant and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

YOU AND WE covenant and agree as follows:

1. Payment of Principal, Interest and Other Charges. You shall pay when due the principal of and interest owing under the Note and all other charges due hereunder and due under the Note.

2. Payment of Taxes and Insurance. You will pay, when due, all taxes, assessments, leasehold payments or ground rents (if any), and hazard insurance on the Property.

We specifically reserve to ourselves and our successors and assigns the unilateral right to require, upon notice, that you pay to us on the day monthly payments are due an amount equal to one-twelfth (1/12) of the yearly taxes and assessments (including condominium assessments, if any) which may attain priority over this Deed of Trust and leasehold payments or ground rents on the Property, if any, plus one-twelfth (1/12) of yearly premium installments for hazard insurance, all as we reasonably estimate initially and from time to time, as allowed by and in accordance with applicable law. We will exercise this right only if (1) you are not required under any transaction evidenced by a mortgage, deed of trust, or other security instrument with a lien that has priority over this Deed of Trust to make such payments to the lienholder secured by such instrument, and (2) you fail to make such tax, assessment, leasehold, rent or insurance payments in a timely manner, as agreed under this Deed of Trust.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by us under the Note and Section 1 will be applied by us as permitted under the Note.

4. Prior Deeds of Trust; Charges; Liens. You shall perform all of your obligations under any mortgage, deed of trust, or other security instruments with a lien which has priority over this Deed of Trust, including your covenants to make payments when due. You shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Deed of Trust, and leasehold payments or ground rents, if any. Upon our request, you shall promptly furnish to us all notices of amounts to be paid under this Section and receipts evidencing any such payments you make directly. You shall promptly discharge any lien (other than a lien disclosed to us in your application or in any title report we obtained) which has priority over this Deed of Trust.

5. Hazard Insurance. You shall keep the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which we require insurance. If the Property is located in a special flood hazard area as determined by the Director of the Federal Emergency Management Agency, you will obtain and maintain Federal Flood Insurance, if available, within 45 days after we provide you with notice that the Property is in a special flood hazard area. The insurance shall be maintained in the amounts and for the periods that we require. You may choose any insurer reasonably acceptable to us. Insurance policies and renewals shall be acceptable to us and shall include a standard mortgagee clause. If we require, you shall promptly give us all receipts of paid premiums and renewal notices.

If you fail to maintain coverage as required in this Section, you authorize us to obtain such coverage as we in our sole discretion determine appropriate to protect our interest in the Property in accordance with the provisions of Section 7. You understand and agree that any coverage we purchase may cover only our interest in the Property and may not cover your interest in the Property or any personal property therein. You also understand and agree that the premium for any such insurance may be higher than the premium you would pay for such insurance.

You shall promptly notify the insurer and us of any loss. We may make proof of loss if you do not promptly do so.

Insurance proceeds shall be applied to restore or repair the Property damaged, if restoration or repair is economically feasible and our security would not be lessened. Otherwise, insurance proceeds shall be applied to sums secured by this Deed of Trust, whether or not then due, with any excess paid to you. If you abandon the Property, or do not answer within 30 days our notice to you that the insurer has offered to settle a claim, then we may collect and use the proceeds to repair or restore the Property or to pay sums secured by this Deed of Trust, whether or not then due. The 30-day period will begin when notice is given. Any application of proceeds to principal shall not require us to extend or postpone the due date of monthly payments or change the amount of monthly payments. If we acquire the Property at a forced sale following your default, your right to any insurance proceeds resulting from damage to the Property prior to the acquisition shall pass to us to the extent of the sums secured by this Deed of Trust immediately prior to the acquisition.

You shall not permit any condition to exist on the Property which would, in any way, invalidate the insurance coverage on the Property.

6. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. You shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste. You shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in our good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Deed of Trust or our security interest. You may cure such a default, as provided in Section 18, by causing the action or proceeding to be dismissed with a ruling that, in our good faith determination, precludes forfeiture of your interest in the Property or other material impairment of the lien created by this Deed of Trust or our security interest. You shall also be in default if you, or any persons or entities acting at your direction or with your knowledge or consent, during the loan application process, gave materially false or inaccurate information or statements to us (or failed to provide us with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning occupancy of the Property. If this Deed of Trust is on a leasehold, you shall comply with the lease. If you acquire fee title to the Property, the leasehold and fee title shall not merge unless we agree to the merger in writing.

7. Protection of Our Rights in the Property. If you fail to perform the covenants and agreements contained in this Deed of Trust, or there is a legal proceeding that may significantly affect our rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then we may do, and pay for, anything necessary to protect the Property's value and our rights in the Property. Our actions may include paying any sums secured by a lien which has priority over this Deed of Trust or any advance under the Note or this Deed of Trust, appearing in court, paying reasonable attorneys' fees, paying any sums which you are required to pay under this Deed of Trust and entering on the Property to make repairs. We do not have to take any action we are permitted to take under this Section. Any amounts we pay under this Section shall become additional debts you owe us and shall be secured by this Deed of Trust. These amounts shall bear interest from the disbursement date at the rate established under the Note and shall be payable, with interest, upon our request.

8. Inspection. We or our agent may make entries in and upon the Property to inspect same at any reasonable time and upon reasonable notice.

Loan # 26400013125

9. Condemnation. The proceeds of any award for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to us. If the Property is abandoned, or if, after notice by us to you that the condemnor offers to make an award or settle a claim for damages, you fail to respond to us within 30 days after the date the notice is given, we are authorized to collect and apply the proceeds, at our option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust, whether or not then due. Unless we and you otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments payable under the Note and Section 1 or change the amount of such payments.

10. You Are Not Released; Forbearance by Us Not a Waiver. Extension of time for payment or modification of amortization of the sums secured by this Deed of Trust granted by us to any of your successors in interest shall not operate to release your liability or the liability of your successors in interest. We shall not be required to commence proceedings against any successor in interest, refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by you or your successors in interest. Our forbearance in exercising any right or remedy shall not waive or preclude the exercise of any right or remedy.

11. Successors and Assigns Bound; Joint and Several Liability; Additional Signers. The covenants and agreements of this Deed of Trust shall bind and benefit your successors and permitted assigns. Your covenants and agreements shall be joint and several. Anyone who signs this Deed of Trust but does not execute the Note: (a) is signing this Deed of Trust only to grant and convey such person's interest in the Property; (b) is not personally obligated to pay the Note, but is obligated to pay all other sums secured by this Deed of Trust; and (c) agrees that we and anyone else who signs this Deed of Trust may agree to extend, modify, forbear or make any accommodations regarding the terms of this Deed of Trust or the Note without such person's consent.

12. Loan Charges. If the loan secured by this Deed of Trust is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from you which exceed permitted limits will be refunded to you. We may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to you. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

13. Notices. Unless otherwise required by law, any notice to you provided for in this Deed of Trust shall be delivered or mailed by first class mail to the mailing address stated above or any other address you designate by notice to us. Unless otherwise required by law, any notice to us shall be given by first class mail to our address stated above or any other address we designate by notice to you. Any notice provided for in this Deed of Trust shall be deemed to have been given to you or us when given as provided in this Section.

14. Governing Law; Severability. The extension of credit secured by this Deed of Trust is governed by federal law, which for the purposes of 12 USC § 85 incorporates Ohio law. However, the interpretation and enforcement of this Deed of Trust shall be governed by the law of the jurisdiction in which the Property is located, except as preempted by federal law. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision. To this end the provisions of this Deed of Trust and the Note are declared to be severable.

15. Transfer of the Property. If all or any part of the Property or any interest in it is sold or transferred without our prior written consent, we may, at our option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by us if exercise is prohibited by federal law as of the date of this Deed of Trust.

Loan # 26400013125

16. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Deed of Trust) may be sold one or more times without prior notice to you. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Deed of Trust. There also may be one or more changes of the Loan Servicer unrelated to the sale of the Note. If there is a change of the Loan Servicer, you will be given written notice of the change as required by applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any information required by applicable law.

17. Hazardous Substances. You shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. You shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of Hazardous Substances in quantities that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property. You shall promptly give us written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which you have actual knowledge. If you learn or are notified by any government or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, you shall promptly take all necessary remedial actions in accordance with Environmental Law. As used in this Deed of Trust, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this Deed of Trust, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

18. Acceleration; Remedies. We shall give you notice prior to acceleration following your breach of any covenant or agreement in this Deed of Trust (but not prior to acceleration under Section 15 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date not less than 30 days from the date the notice is given to you, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the default is not cured on or before the date specified in the notice, we at our option may require immediate payment in full of all sums secured by this Deed of Trust without further demand and may invoke the power of sale and any other remedies permitted by applicable law. We shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 18, including, but not limited to, reasonable attorneys' fees as permitted by applicable law, but not to exceed 20% of the amount of principal and interest, and costs of title evidence.

If the power of sale is invoked, Trustee shall execute a written notice of the occurrence of an event of default and of the election to cause the Property to be sold and shall record such notice in each county in which any part of the Property is located. We shall mail or cause Trustee to mail a notice of sale to you in the manner prescribed by applicable law. Trustee shall give public notice of sale to the persons and in the manner prescribed by applicable law. After the time required by applicable law, Trustee, without demand on you, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order the Trustee determines. The Trustee may in accordance with applicable law, postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. We or our designee may purchase the Property at any sale.
