NOTICE OF INTENTION

PUBLIC NOTICE IS HEREBY GIVEN that on February 3, 2004, the City Council of Salt Lake City, Utah (the "City Council"), adopted a resolution declaring its intention to create a special improvement district to be known as the Salt Lake City, Utah Rose Park Special Improvement District (the "District"). It is the intention of the City Council to acquire and install improvements within or adjacent to the District, to operate and maintain said improvements and to levy special assessments as provided in Title 17A, Chapter 3, Part 3, Utah Code Annotated 1953, as amended, on the real estate lying within the District for the benefit of which such assessments are to be assessed in the making of such improvements, and in the operation and maintenance thereof.

DESCRIPTION OF DISTRICT

The proposed District shall include all property within the following boundaries:

600 North Street on the south; Rose Park Golf Course on the north; Jordan River on the west and I-15 on the east.

INTENDED IMPROVEMENTS

The improvements (the "Improvements") to be acquired and installed include the installation of 12 foot high metal decorative poles along all the streets within the District and the removal of existing wooden pole streetlights and overhead lighting within the boundaries of the District, and related improvements. In addition, the City intends to assess for the estimated operation and maintenance costs of the Improvements as herein described.

ESTIMATED COST OF IMPROVEMENTS

The total acquisition and installation costs (the "Acquisition Costs") of Improvements in the District including overhead costs is estimated to be approximately \$2,450,000 of which the City will pay \$1,650,000 (approximately \$675,000 of which consists of capital replacement funds which have previously been collected by the City within the District), leaving a remainder of \$800,000 which shall be paid by a special assessment to be levied against the property which may be affected or specifically benefited by such Improvements. The property owners' portion of the total estimated Acquisition Costs of the Improvements may be financed during the construction period by the use of interim warrants, in which case the interest on said warrants will be assessed to the property owners. The estimated assessments include estimated overhead costs which the City projects to incur in the creation and administration of the District.

The property owners' portion of the annual operation and maintenance costs (the "Maintenance Costs") of the Improvements is estimated to be \$15,000 for the first year. The Maintenance Costs shall be paid by a special assessment which will be levied annually against the properties abutting upon the streets to be improved or which may be affected or specially benefited by the Improvements.

METHOD OF ASSESSMENT

Acquisition Costs

The estimated Acquisition Costs of the proposed Improvements, including overhead costs, will be assessed against the properties on a per lot basis as follows:

<u>Improvements</u>	<u>Estimated Assessment</u>	<u>Method of Assessment</u>
All above-described Improvements	\$290	Per Lot*

Maintenance Costs

The estimated Maintenance Costs will be assessed against the properties on a per lot basis as follows:

<u>Estimated Assessment for First Year</u>	<u>Method of Assessment</u>
\$6	Per Lot*

LEVY OF ASSESSMENTS

It is the intention of the City to levy assessments as provided by the laws of Utah and upon approval by the City Council of Salt Lake City, Utah, on all parcels and lots of real property to be benefited by the proposed Improvements within the District as described herein. The purpose of the assessment and levy is to pay the Acquisition Costs of the Improvements and the Maintenance Costs which the City will not assume and pay. The method of assessment shall be a per lot method as set forth herein.

The assessments for the Acquisition Costs may be paid by property owners in not more than ten (10) annual installments with interest on the unpaid balance at a rate or rates fixed by the City, or the whole or any part of the assessment may be paid without interest within fifteen (15) days after the ordinance levying the assessment becomes effective. The assessments for Maintenance Costs for the first year shall be due and payable within fifteen (15) days after the adoption and publication of the assessment

* In the case of parcels which have not been divided into platted lots, the City has assumed for assessment purposes that the acreage of a parcel would be translated into lots using a one acre = 4 lots ratio.

ordinance imposing said assessments. The assessments shall be levied according to the benefits to be derived by each property within the District. Other payment provisions and enforcement remedies shall be in accordance with Title 17A, Chapter 3, Part 3, Utah Code Annotated 1953, as amended.

A map of the proposed District, copies of plans of the proposed Improvements and other related information are on file in the office of the City Engineer who will make such information available to all interested persons.

TIME FOR FILING PROTESTS

Any person who is the owner of record of property to be assessed in the District described in this Notice of Intention shall have the right to file in writing a protest against the creation of the District or to make any other objections relating thereto. Protests shall describe or otherwise identify the property owned of record by the person or persons making the protest and shall indicate the total lots represented by said protest. Protests shall be filed with the City Recorder of Salt Lake City, Utah, on or before 5:00 p.m. on March 8, 2004. Thereafter at 7:00 p.m. on March 9, 2004, the City Council of Salt Lake City, Utah, will meet in public meeting at the offices of the City Council to consider all protests so filed and hear all objections relating to the proposed District.

After such consideration and determination, the City Council shall adopt a resolution either abandoning the District or creating the District either as described in this Notice of Intention or with deletions and changes made as authorized by law; but the City Council shall abandon the District and not create the same if the necessary number of protests as provided herein have been filed on or before the time specified in this Notice of Intention for the filing of protests after eliminating from such filed protests: (i) protests relating to property or relating to a type of improvement which has been deleted from the District and (ii) protests which have been withdrawn in writing prior to the conclusion of the hearing. The necessary number of protests shall mean the aggregate of the following: Protests representing one-half of the total lots to be assessed.
