By motion seconded and carried, the Board of Adjustment approved the request for a reconsideration of a condition of approval for a variance previously granted at 2221 E Fisher Lane in an A-1/zc zone. The conditions were amended to include the following:

2. No second story living space is allowed.
3. A wood or masonry fence be placed around the property prior to Certificate of Occupancy.

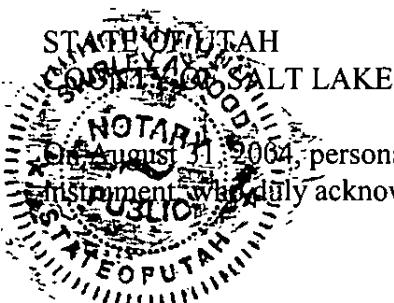

NOTE: If your structure will encroach onto a utility easement you must get approval from all the utilities that have rights to that easement PRIOR TO BEGINNING ANY CONSTRUCTION.
