AFFIDAVIT REGARDING EASEMENT

P. Christian Anderson, being first duly sworn, deposes and says that he is the personal representative of the Estate of Milton L. Weilenmann (the "Estate"), which is a party to that certain Right of Way Easement Agreement dated January 4, 2010 and recorded with the Summit County Utah Recorder on January 22, 2010 (the "Agreement"). The Agreement relates to certain easements and rights (the "Easements") granted with respect to certain real property located in Summit County, State of Utah, which is more particularly described on Exhibit A attached hereto, and which is the site of the Weilenmann School of Discovery (the "School Property"), for the benefit of certain real property owned by the Estate, as described in Exhibit A-2 attached hereto (the "Weilenmann Property").

In connection with a potential transfer of the School Property from Weilenmann Partners to the Weilenmann School of Discovery or an entity affiliated therewith, the affiant makes this affidavit for the purpose of clarifying certain aspects of the Easements, and to confirm that the Easements will not interfere with the school building currently on the School Property (the "School").

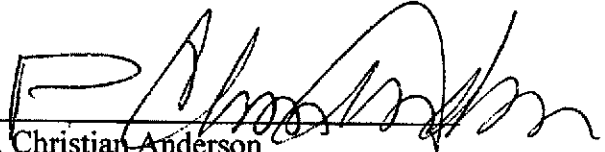

The affiant hereby agrees, acknowledges and affirms that the Easements may be located on portions of the School Property other than the location of the historic dirt road that no longer exists as a result of the construction of the School, with the Easement location to be either along the access road constructed at the time of the construction of the School, or at a location otherwise mutually agreed upon by the owners of the Weilenmann Property and the owners of the School Property to fulfill the purposes of the Agreement.

The affiant agrees, acknowledges and affirms that the Estate will not require Easements or access across the School Property at a location that would require any movement of, or would interfere with, the School, provided the Easements are granted along the new access road or another mutually acceptable route across the School Property.

The affiant avers that the purpose of this Affidavit is to clarify certain rights arising pursuant to the terms of the Agreement, and to eliminate concerns that the existence of such rights may interfere with the location of the School. The affiant understands that the access rights granted across the School Property to the owners of the

one acre lot currently owned by the Aldon Anderson LLC will utilize the same route as applies to the Weilenmann Property as referenced above.

Further affiant sayeth naught.
