## AFFIDAVIT OF PROPERTY OWNERSHIP RECORDS TRANSFER

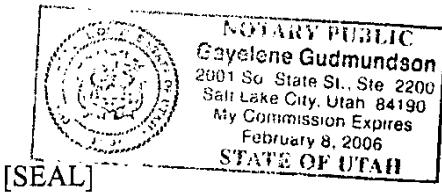

STATE OF UTAH )  
: ss.  
COUNTY OF SALT LAKE )

I, JEANNE E. REDDING, being first duly sworn under oath, depose and state:

1. I am the Chief Deputy County Recorder for the County of Salt Lake.
2. The statutory duties of the County Recorder assigned by the Utah Legislature include the duty as custodian of all recorded documents and records required by law to be recorded within the County of Salt Lake.
3. The Salt Lake County Council, as the legislative body for Salt Lake County, and the Utah County Commission, as the legislative body for Utah County, entered into a joint resolution on October 25, 2005, to adjust the boundaries between the two counties. Said resolution is recorded in the records of the Utah County Recorder and the Salt Lake County Recorder, as well as the Office of the Utah Lieutenant Governor.
4. That adjustment of the boundaries between the two counties necessarily requires the transfer of property ownership records between Salt Lake County and Utah County because certain properties whose ownership were recorded in Salt Lake County, now lie within the boundaries of Utah County. The reverse applies to certain properties previously located in Utah County that now are located in Salt Lake County.
5. The attached documents represent, identify and designate the real properties transferred from Salt Lake County to Utah County, together with the last known conveyance records and the tax information for each parcel of real property transferred from Salt Lake County to Utah County based upon the joint resolution of the governing bodies.
6. This affidavit is made and executed based upon the best of my knowledge, information and belief.
