ABSTRACT OF DECISION

I, Paul Allred, being first duly sworn, depose and say that I am the Community Development Director of the City of Holladay, and that on the 12th day of December, 2005 Application #05-5-13, submitted by Herald Clark was heard by the Board of Adjustment. By motion seconded and carried, the Board of Adjustment approved the request for a variance to the side setback from 10 FT to 7 FT for the addition of a two-car garage on property located at 1840 E Grover Lane in an R1-10 zone. The variance was approved, because the request meets the five criteria required to approve a variance.

The property is more particularly described as follows:

Lot 12, Bouelvard Subdivision

Sidwell #22-04-207-041
