Specific guidelines and restrictions on landscaping may be established by the Management Committee from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be properly pruned and trimmed. In a word, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Lot, or to detract from the uniform design and appearance of the Project.

i) Neglect. If the Management Committee determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or that the need for maintenance, repair, or replacement of the Common Areas is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or replacement at the Owner's sole cost and expense, subject to the following:

(2) Notice of Intent to Repair. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide necessary maintenance, repair, or replacement at Owner's cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary by the Management Committee. The Owner shall have ten (10) days after receipt of notice within which to complete maintenance or repair, or if the maintenance or repair is not capable of completion within such time period, to commence replacement or repair within ten (10) days.

(3) Emergency Situation. If the Management Committee determines that an emergency exists, then notice and the opportunity to cure the default is not necessary.

(4) Optional Repairs. The Association may, but is not obligated to, provide any such maintenance, repair, or replacement in the manner described above.

(5) Right of Entry. The Association or its agents or employees shall have a right to entry upon or into any Lot or Common Areas as necessary to perform such work and shall not be liable for trespass for such entry or work.

20. Common Area Expenses. Each Owner, upon receipt of a deed to a Lot, shall pay his Assessments subject to and in accordance with the restrictions set forth below; provided, however, anything to the contrary notwithstanding, the Developer shall not be obligated to pay Assessments until such time as any residential structure, Building or Dwelling Unit is substantially complete and a permanent certificate of occupancy has

For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (i) the Owner of both the legal and equitable interest in any Lot, (ii) the owner of record in the offices of the County Recorder of Salt Lake County, Utah, and (iii) both the Buyer and Seller under any executory sales contract or other similar instrument.

h) Equitable Changes. If the aggregate of all monthly payments on all of the Lots is too large or too small as a result of unanticipated income or expenses, the Management Committee may from time to time effect an equitable change in the amount of said payments. Owners shall be given at least thirty (30) days written notice of any changes.

i) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Management Committee.

j) Reserve Accounts. The Management Committee shall establish and maintain at least two (2) reserve accounts: one to pay for unexpected operating expenses and the other to pay for capital improvements. The reserve accounts shall be funded out of regular Assessments.

k) Acceleration. Assessments shall be paid in the manner and on dates fixed by the Management Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for delinquent Owners. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Management Committee otherwise decides acceleration is not in its best interest, the Management Committee, at its option and in its sole discretion, may elect to decelerate the obligation.

l) Statement of Common Area Assessments Due. Upon written request, the Management Committee shall furnish to any Owner a statement of Assessments due, if any, on his Lot. Failure to provide the certificate within ten (10) days after a written request, shall be deemed conclusive evidence that all Assessments are paid current.

b) Creation of Common Area Assessments. The Assessments shall pay for the common expenses of the Association as may be from time to time specifically authorized by the Management Committee. Each Owner, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed.

m) Superiority of Common Area Assessments. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled.

n) Termination of Utility Service. At the discretion of the Management Committee, the utility service to any Owner paid for by Assessments may be terminated if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

o) Suspension of Right to Vote for Non-Payment. At the discretion of the Management Committee, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

p) Failure to Assess. The omission or failure of the Management Committee to fix the Assessment amounts or rates or to deliver or mail to each Owner an Assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay Assessments. In such event, each Owner shall continue to pay annual Assessments on the same basis as for the last year for which an Assessment was made until a new Assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

21. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Management Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred Dollars and 00/100 (\$500.00) (the "Special Assessment Limit") per Lot in any one fiscal year, the Management Committee may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Management Committee in its discretion may allow any special assessment to be paid in installments.

22. Specific Assessments. The Management Committee shall also have the power specifically to assess the Owners in a particular area pursuant to this Section as, in its discretion, it shall deem necessary or appropriate, subject to the following:

a) No Obligation or Waiver. Failure of the Management Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Management Committee and shall not constitute a waiver of the Management Committee's right to exercise its authority under this Section in the future

with respect to any expenses, including an expense for which the Management Committee has not previously exercised its authority under this Section.

b) Enabling Power. The Management Committee may specifically assess an Owner in a particular area in the manner set forth below; provided, however, the specific assessment is not for any maintenance, repair or replacement ordinarily required by this Declaration and the Owner has the choice to accept or reject the benefit:

(1) Benefit Only To Specific Lot. If the expense benefits less than all of the Lots, than those Lots benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Lots according to the benefit received.

(2) Unequal or Disproportionate Benefit. If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Lots according to the benefit received.

23. Individual Assessments. Individual Assessments shall be levied by the Management Committee against a Lot and its Owner to reimburse the Association for:

- a) fines levied and costs incurred in enforcing Project Documents;

a) Time is of the Essence. Time is of the essence and all Assessments shall be paid promptly when due.

b) Delinquent Assessments. Any Assessments which are not paid when due are delinquent and a lien against the Lot affected shall attach automatically, regardless of whether a notice of lien is recorded.

c) Late Assessment and Accruing Interest. Any Assessments delinquent for a period of more than ten (10) days shall incur a late charge of Twenty-Five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of one and ½ percent (1.5%) per month shall accrue on all delinquent accounts. The Management Committee may, in its sole discretion, change the amount

It may be executed by the Association's attorney, manager, Management Committee member or other designated agent.

f) Foreclosure of Lien and/or Collection Action. If any Assessments remain unpaid, the Association may, as determined by the Management Committee, institute suit to collect the amounts due and/or to foreclose the lien.

g) Personal Obligation. h) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Lot.

i) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Management Committee to take some action or perform some function required to be taken or performed by the Association or Management Committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with an order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

j) Application of Payments. All payments shall be applied as follows: Additional charges, Delinquent Assessments and Current Assessments.

k) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Management Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or Sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's assessments, and reasonably rental for the Lot

during the pendency of the foreclosure action. The Association in the foreclosure may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Management Committee may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

l) Appointment of Trustee. If the Management Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligation set forth herein.

m) Attorney in Fact. Each Owner by accepting a deed to a Lot hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Lot, if the Lot is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

25. Liability of Management Committee. The Association shall indemnify every officer and member of the Management Committee against any and all expenses, including but not limited to attorney's assessments reasonably incurred by or imposed upon any officer or member of the Management Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Management Committee) to which he or she may be a party by reason of being or having been an officer or member of the Management Committee. obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Management Committee or Association may deem necessary or appropriate from time to time.

28. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) Definitions. Each of the following terms shall have the meaning indicated.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is twenty five percent (25%) or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taken by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is twenty five percent (25%) or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payment in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or

payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Lot in which they are interested.

b) Determination by Management Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Management Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Management Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Management Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the project shall be undertaken by the Management Committee promptly without a vote of the owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by owners collectively holding at least sixty seven percent (67%) of the Project's undivided ownership interest and is further consented to by Eligible Mortgagees holding mortgages on Lots which have appurtenant at least fifty one percent (51%) of the undivided ownership interest in the Common Areas and Facilities which is then subject to mortgages held by Eligible Mortgagees.

d) Notice of Destruction or Obsolescence. Within thirty (30) days after the Management Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the owners regarding Restoration.

e) Excess Insurance. If the insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Management Committee or Association exceed the cost of Restoration when Restoration is undertaken, then the excess funds shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This covenant is also for the benefit of the Association and any Mortgagee, and, therefore, may also be enforced by them. Payment to any owner whose Lot is the subject of a mortgage shall be made jointly to such owner and the interested Mortgagee.

f) Inadequate Insurance. In the event the cost of Restoration exceeds Available Funds, all of the Lots shall be assessed for the deficiency on the basis of the respective percentages of undivided ownership interest in the Common Areas.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Lots will not be the subject of the Restoration (even though the Project will continue as a planned unit development) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Lots.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, ownership under this Declaration and the Plat Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Management Committee to the owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Lot is then the subject of a mortgage shall be made jointly to such owner and the interested Mortgagee.

i) Authority of Management Committee to Represent Owners in Condemnation or to Restore or Sell. The Management Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the owners and their mortgagees as their interests may appear.

k) Restoration Power. The Management Committee, as attorney-in-fact for each Owner, shall have and is hereby granted, full power and authority to restore or to sell the Project and each Lot therein whenever Restoration or Sale, as the case may be, is undertaken as hereinabove provided.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or Sale, as the case may be.

29. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Ninety-Day Limit. All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and required percentages, subject to the following conditions:

b) Changes in Owners. Any change in Ownership of a Lot which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purposes.

30. Mortgagee Protection. The lien or claim against a Lot for unpaid Common Area Assessments levied by the Management Committee or by the Association pursuant to this Declaration shall be subordinate to any Mortgage recorded on or before the date such Common Area Assessments become due, subject to the following:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Lot for such unpaid Common Area Assessments shall not be affected by any sale or transfer of such Lot, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Lot or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Common Area Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Lot from liability for, nor such Lot the lien of any Common Area Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Management Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any mortgage, current copies of the Declaration, By-Laws, Articles of Incorporation, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Management Committee and the Association. The term "Available", as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee or the Association shall provide or be deemed to provide hereby that either party may terminate the contract with or without cause upon at least sixty (60) days prior written notice to the other party thereto.

e) Eligible Mortgagee Destruction. Upon written request to the Management Committee or the Association by the holder, insurer, or guarantor of a mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Lot Number or address of the property encumbered by the mortgage held or insured by such holder, insurer, or guarantor), such holder, insurer, or guarantor

shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor", as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any lot on which there is a mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Common Area Assessments owed by an Owner of a Lot subject to a mortgage held, insured or guaranteed for such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty (60) days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Management Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f) No Right of First Refusal. The right of an Owner to sell, transfer, or otherwise convey his Lot shall not be subject to any right of first refusal or similar restriction.

31. Amendment. This Declaration may be amended as follows:

a) Consent of the Owners. The affirmative vote of at least sixty seven percent (67%) of the Owners shall be required and shall be sufficient to amend the Declaration or the Plat Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Management Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained; and

b) Consent of Eligible Mortgagee. The consent of at least sixty seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one percent (51%) of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Plat Map which establishes, provides for, governs, or regulates any of the following: (1) voting rights; (2) increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens; (3) reductions in reserves for maintenance, repair, and replacement of the Common elements; (4) insurance or fidelity bonds; (5) limitations and restrictions on the right to use of the Common Areas; (6) responsibility for maintenance and repairs; (7) expansion or contraction of the Project or the addition, annexation or withdrawal of

Any addition or amendment shall not be considered material for purposes of this Paragraph b) if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to the Declaration or the Plat Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Management Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project as a planned residential development if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

32. Notice and Hearing. If a Lot Owner or Resident is charged with a material violation of the Project Documents, then:

a) Notice. Written notice specifying the nature of the violation (and providing any other appropriate information) and stating the time, date and place that the member will have an opportunity to be heard by the Management Committee. Written notice shall be given at least fifteen (15) days prior to the date set for the hearing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after it has been deposited in the United States mail, first class postage prepaid, addressed to the member at the address given by the member to the Management Committee for the purpose of service of notice or to the address of the member's Lot if no other address has been provided. Any address may be changed from time to time by giving written notice to the Management Committee.

b) Costs and Assessments. If the violation, or the failure to correct or remedy a violation, results or may result in the expenditure of funds, the notice shall also state that the Management Committee may vote to assess the adverse party, levy a fine, or impose other sanctions if the Management Committee finds that a violation has occurred.

c) Final Determination. After the hearing has taken place, the Management Committee shall (1) determine whether a violation has occurred and, if so, may impose a fine or issue sanctions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as may be appropriate. The determination of the Management Committee shall be final. However, nothing herein shall be construed to prevent the Management Committee from making any

emergency repairs or taking any other emergency action it deems necessary and subsequently providing Notice and Hearing.

33. Declarant's Sales Program. Notwithstanding anything to the contrary, until Declarant has sold all the Lots and Units owned by it in the Project or the expiration of a reasonable sales period following three (3) years after the date on which this Declaration is filed for record in the office of the county recorder, whichever first occurs (herein referred to as the "Events"), neither the Owners, Association, Management Committee nor any member thereof shall interfere with the completion of improvements and sale of all remaining Lots and Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots and Units owned by Declarant:

a) Sales Office and Model Lots. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Lots or Units at any one time. Such office and/or models may be one or more of the Lots or Units owned by it, or one or more of any separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners, flags or similar devices at any place or places on the Property.

c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the occurrence of the Events, Declarant shall have the right to remove from the Project any signs, banners, flags or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

34. Limitation on Improvements by Association. Until the occurrence of the Events described above, neither the Association nor the Management Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

35. Declarant's Rights Assignable. All of the rights of Declarant under this Document may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any mortgage covering all Lots, Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such mortgage does so by its terms, automatically cover,

encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protection and controls which are accorded to Declarant (in its capacity as Declarant) herein.

36. Working Capital Fund. A working capital fund shall be established by the Declarant to meet unforeseen expenditures or to purchase any additional equipment or services. The initial working capital fund shall be in an amount equal to \$500.00, which amount can be amended from time to time, in Declarant's sole discretion. Each Lot's share of the working capital fund shall be collected either at the time the sale of any Lot is closed or when control of the Project is transferred to the Lot Owners, whichever first occurs. Any amounts paid into the working capital fund shall not be considered as advance payments of regular monthly assessments. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Lot Owners. The Declarant is prohibited from using the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association. When a Lot is sold, however, the Declarant may reimburse itself for monies it has paid the Association for an unsold Lot's share of the working capital fund by using funds collected at closing when the Lot is sold.

37. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time elect to relinquish its reserved right to select members of the Management Committee and transfer management of the Project to the Association. If and when Declarant elects to do so, Declarant shall send written notification to each owner of the effective date of the transfer (the "Transfer or Transition Date") at least Forty five (45) days prior thereto. Thereupon, the owners shall call a meeting to elect the members of their own Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Area expenses of the Management Committee incurred prior to the Transfer Date to be paid in full on or before such date.

38. Certain Provisions Applicable to Declarant. Notwithstanding any other provision herein contained, for so long as Declarant continues to own any of the Lots the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Common Area Assessments or Assessments, except as herein otherwise provided, as to each Lot owned by Declarant in accordance with the Declaration.

a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Lot, and no person shall rely upon any warranty or representation not so specifically made therein.

b) No amendment may be made to the Declaration without the written consent of Declarant so long as Declarant retains the ownership of five (5) or more

Lots; provided, however, that the obligation to acquire said written consent of Declarant shall cease on the occurrence of the Events.

39. Interpretation. To the extent Utah law is consistent with the Project Documents, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of the Project Documents are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The unenforceability or invalidity of any portion of the Project Documents shall not affect the validity or enforceability of the remainder hereof.

40. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants that run with the Land or equitable servitude, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Lot or in the Project, and their respective grantees, transferees, heirs, devisee, personal representative, successors, and assigns. Each Owner or resident of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of the Project Documents and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of the Project Documents.

41. Enforcement and Right to Recover Attorney's Assessments. The Association, Management Committee, or any Lot Owner may take action, at law or in equity, to enforce the terms, covenants or conditions of the Project Documents. Should the Association, Management Committee or Lot Owner be required to take action to enforce the Project Documents, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

42. Security. The Association may, but shall not be obligated to, maintain or support any systems, programs or activities within the Project designed to make the Project safer than it otherwise might be. Neither the Association nor the Management Committee shall in any way be considered insurers or guarantors of security within the Project, nor shall they be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and Residents, as well as their guests and invitees, where applicable, acknowledge by taking occupancy of a Unit or entering the Project that neither the Association nor the Management Committee represent or warrant that any security measures undertaken will insure their safety, and further acknowledge that neither the Association nor the Management Committee are insurers or guarantors of their safety, and they hereby expressly assume all risks for loss or damage to their person or property, and they further acknowledge that neither the Association nor the

Management Committee have made any representations or warranties, nor have they relied upon any representations or warranties, expressed or implied, including any warranty or merchantability.
