Dear Ed

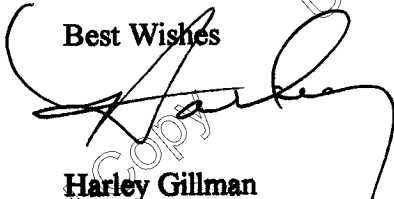

In regards to your letter of June 28, 2005, concerning the upcoming meeting. It is doubtful that we will be able to attend, therefore we **authorize you to vote in our behalf.**

I was not aware that any of the units were being rented and I am not sure that I want them to be Grandfathered. Do we have to grandfather them? Can't we just let them live there until they move and then stop them from being rented again. It may cause some people to put them up for sale, if they can't rent them, but that's okay. I have a friend who lives in a condo in St. George where there are lots of rentals and he says it has ruined the quality of life there.

Be sure not to jeopardize Larna Hendrickson situation though where her children have bought it for her to live in.

Thanks Ed for all you do and I wish I had more time to spend there so I could help.

Best Wishes

Harley Gillman
