Tax ID No.: See attached Exhibit A

SECOND AMENDMENT TO DECLARATION OF CONDOMINIUM FOR SUNDIAL LODGE AT THE CANYONS

- A. ASCU, as the successor in interest to TCRP, is the "Declarant" under that certain Declaration of Condominium for Sundial Lodge at The Canyons (the "Sundial Lodge"), executed on December 10, 1999, and recorded on December 15, 1999, as Entry No. 555290, in Book 1300, beginning at Page 125 in the Official Records of the Office of the Summit County Recorder ("Declaration").
- B. The Condominium Association is a non-profit corporation that was created pursuant to Utah Code Annotated Section 57-8-16 and the Declaration to act on behalf of each of the unit owners within Sundial Lodge ("Owners").
- C. Under Section 8.1 of the Declaration, Declarant reserved an "Option to Convert Space" as to the "Convertible Space" (as those terms are defined in the Declaration).

- D. Under Section 8.1.4 of the Declaration, Declarant is not "required to obtain the consent of any Owners or of any other person or entity having any right or interest in all or any portion of the Project prior or subsequent to converting all or portions of the Convertible Space."
- E. Under Section 8.1.5 of the Declaration, in order to convert the Convertible Space, Declarant is required to record (i) a Supplemental Map (as defined below) meeting certain requirements, and (ii) an Amendment to the Declaration describing the Conversion (as defined below) and adjusting undivided and voting interests as necessary.
- F. Section 4 of the Declaration, which submits the Property described in <u>Exhibit "A"</u> attached hereto and incorporated herein by reference to the Utah Condominium Ownership Act, contemplates that the Property will be improved and divided into Commercial Units and Residential Units.
- G. Section 6.1 of the Declaration describes which portions of the Property constitute Common Areas and Facilities.
- H. ASCU owns fee title to Commercial Unit 1 within the Sundial Lodge ("Commercial Unit 1"), which includes the underground parking area within the Sundial Lodge (the "Underground Parking Area") set forth on the Record of Survey Map recorded concurrent with the Declaration (the "Map").
- I. ASCU desires now to exercise its Option to Convert Space to convert certain portions the Underground Parking Area from its use and assessment as "Convertible Space" to "Common Areas and Facilities" under the Declaration (the "Conversion").
- J. ASCU and the Condominium Association desire to affirm the adjustment of the voting interests and undivided interests of the Owners in the Common Areas and Facilities to reflect the Conversion. However, instead of reallocating that portion of the Common Expenses (as that term is defined in the Declaration) attributable to the Underground Parking Area to the Owners in the manner presently required by the Declaration, ASCU and the Condominium Association desire to reallocate a portion of the Common Expenses that would otherwise be assessed to the Units as a result of the Conversion to ASCU and the Owner of the Convertible Space.
- K. During 2004, the Condominium Association gave proper notice to all Owners and convened a special meeting and/or solicited written votes, in accordance with Section 3.2 of the Condominium Association's Bylaws dated December 13, 1999 (the "Bylaws"), for the purpose of voting upon a proposal to adjust voting and undivided interests, as necessitated by the Conversion. The notice satisfied the requirements of Section 3.2 of the Bylaws. The proposal was approved by a majority vote of the Total Votes of the Condominium Association.
- L. The Condominium Association and ASCU, TCRP and American Skiing Resort Properties, Inc. ("ASCRP") entered into that certain Swimming Pool & Parking Area Agreement dated to be effective as of April 20, 2004 (the "Pool & Parking Agreement") to document and facilitate the agreement of the parties thereto regarding the Conversion.

- M. The Board of Trustees of the Association has adopted a Resolution dated as of August _____, 2011, affirming the previous approval of the Conversion and the revised allocation of Common Expenses and Common Assessments by majority vote of the Total Votes of the Condominium Association, which revised allocation was implemented in 2005.
- N. By mutual agreement or acquiescence between the Condominium Association and ASCU, with the exception of the current fiscal year, effective as of 2005 the Residential Owners and the Commercial Owners implemented revised allocations of Common Expenses and Common Assessments such that the Residential Owners' share of Common Expenses and Common Assessments was increased and the Commercial Owners' share of Common Expenses and Common Assessments was decreased, and commencing with the 2011-2012 fiscal year, the Residential Owners' share of Common Expenses and Common Assessments is 84.3214% and the Commercial Owners' share of Common Expenses and Common Assessments is 15.6786 (collectively the "Revised Allocations"), consistent with the implementation of the Pool & Parking Agreement and the Conversion of the mutually agreed portion of Commercial Unit 1, consisting of a portion of the Underground Parking Space to Common Areas and Facilities, and the conveyance of another portion of such Commercial Unit 1 to the Association for use as a swimming pool, hot tub and related facilities.

NOW, THEREFORE, Declarant and the Condominium Association hereby declare and provide as follows:

- 1. <u>Declaration Incorporated by Reference</u>. The Declaration in its entirety is hereby incorporated by reference and made a part of this Amendment as though fully set forth herein.
- 2. <u>Definitions</u>. Unless the context clearly requires otherwise, all the terms which are defined in the Declaration shall carry the same meaning when used in this Amendment.
- 3. <u>Conversion of Convertible Space</u>. The Underground Parking Area is hereby converted to and shall hereafter be treated for all purposes as Common Areas and Facilities under the Declaration (the "<u>Converted Space</u>"). In that connection, the Supplemental Map, attached hereto as <u>Exhibit B</u> and incorporated herein by reference and recorded concurrently with this Amendment ("<u>Supplemental Map</u>"), refers to the Converted Space as "Formerly Commercial Unit 1, Converted to Common Area and Facilities." For all purposes, the Supplemental Map shall control the location and dimensions of the Converted Space.
- 4. Adjustment of Voting and Ownership Interests in Common Areas and Facilities. Pursuant to Section 8.1.5(b) of the Declaration, Exhibit A to the Declaration, subtitled "Schedule of Units, Votes, and Undivided Interests in Common Areas," is hereby deleted in its entirety and replaced with the "First Amended Exhibit A to Declaration of Condominium for Sundial Lodge at The Canyons: Schedule of Units, Votes, and Undivided Interests in Common Areas," which is attached hereto as Exhibit C and incorporated herein by reference ("Amended Schedule"). The Par Value assigned to each Unit under the Declaration is hereby revised and amended as set forth in the Amended Schedule. In addition, the voting and ownership interests in the Common Areas and Facilities are hereby revised and amended as set forth in the Amended Schedule. Finally, the Amended Schedule establishes the percentage of the Converted Space Common Assessment (as that term is defined below) attributable to each Unit. The aggregate Undivided Interests in

Common Areas of the Residential Owners is acknowledged to be 84.3214%, and the aggregate Undivided Interests in Common Areas of the Commercial Owner(s) is acknowledged to be 15.6786%.

5. Revisions to Definitions. In connection with the establishment of a new method for allocating a portion of the Common Assessments to the Owners, the Owner of the Convertible Space and ASCU that was previously allocated to the Converted Space, the following defined terms in Section 2 of the Declaration are hereby deleted in their entirety and replaced with the following:

"Common Assessments" shall mean those assessments described in Section 24 to fund the Common Expenses, and include Regular Common Assessments, Converted Space Common Assessments, Special Common Assessments and any other assessments levied by the Condominium Association, including, but not limited to, the expenses of the Condominium Association arising under the Village Management Agreement.

"Regular Common Assessments" shall mean the annual assessments levied by the Condominium Association (exclusive of the Converted Space Common Assessments) to pay the budgeted Common Expenses.

"Special Common Assessments" shall mean assessments that the Condominium Association may levy from time to time, in addition to the Regular Common Assessments or Converted Space Common Assessments, for unexpected Common Expenses or other purposes as provided herein.

In addition, the following new terms are hereby inserted at the end of Section 2 of the Declaration:

"ASCU" shall mean ASC Utah, LLC, a Utah limited liability company.

"Converted Space" shall mean that portion of the Convertible Space converted by Declarant pursuant to Section 8 of this Declaration, which is depicted on the Supplemental Map as "Formerly Commercial Unit 1, Converted to Common Areas and Facilities."

"Converted Space Common Assessments" shall mean the annual assessments levied by the Condominium Association to pay a portion of the budgeted Common Expenses attributable to the Converted Space as described in Section 24.

"Management Agreement" shall mean that certain Management Agreement, dated December 15, 2002, between ASCU and the Condominium Association, as amended, pursuant to which ASCU manages Sundial Lodge.

"Pool and Parking Agreement" shall mean that certain Swimming Pool & Parking Agreement dated as of April 20, 2004, between the Condominium Association, ASCU, TCRP and ASCRP.

- 6. <u>Changes to Allocation of Common Assessments for Common Expenses Relating to the Converted Space.</u> Section 24 of the Declaration, "Assessment of Units by the Condominium Association," is hereby deleted in its entirety and replaced with the following:
- 24.1 The making and collection of assessments by the Condominium Association from Owners of Residential Units and Commercial Units for their share of Common Expenses shall be pursuant to the Condominium Bylaws and subject to the following provisions:
- 24.1.1 Declarant acknowledges that under a typical condominium regime, an Owner's share of Common Expenses corresponds to that Owner's undivided interest in the Common Areas and Facilities. Except for the Converted Space Common Assessments, which shall not be allocated in proportion to ownership in the Common Areas and Facilities, each Owner, including Declarant, for each Unit which it owns, shall be liable for a proportionate share of the Common Expenses, such share being the same as the ownership interest in the Common Areas and Facilities appurtenant to the Unit owned by him.
- 24.1.2 Prior to the Conversion of the Converted Space, the percentage of the Common Expenses assessed to the Converted Space was 9.423%. The Conversion of the Converted Space from a Commercial Unit to Common Areas and Facilities resulted in a reduction of the Common Assessment attributable to the Convertible Space (the "Common Assessment Shortfall"). To ensure that the Residential Owners do not have to pay most of the Common Expenses assessed to the Converted Space, Declarant, the Condominium Association and ASCU agreed to pay a portion of the Common Assessment Shortfall as set forth in this Section 24.
- 24.1.2.1 Each year, after the annual budget (the "Budget") for the Condominium Association is prepared, the Condominium Association shall determine the amount of the Common Assessment Shortfall for the upcoming fiscal year by multiplying the total amount of the Budget by 9.423% (the "Converted Space Common Assessment"). The Budget shall be based on historical and projected Common Expenses for the Project. Common Expenses used to establish the Budget shall include all assessments except for Special Common Assessments. By way of illustration, if the Budget based on the Common Expenses for a given year (exclusive of Special Common Assessments), as adjusted to reflect any projected increase in operating costs for the next year, is \$1,000,000, the Converted Space Common Assessment will be \$94,230.00 (i.e., \$1,000,000 multiplied by .09423). Once the Condominium Association has calculated the Converted Space Common Assessment, the Condominium Association shall deduct such amount from the Budget, and shall assess 33.34% of such amount to the Residential Units as part of the Common Assessment, 33.33% of such amount to the Owner of the remaining Convertible Space as part of the Common Assessment, and 33.33% of such amount to ASCU. The balance of the Budget amount, after deducting the Converted Space Common Assessment, shall be assessed to the Owners as a Regular Common Assessment in accordance with this Section 24.
- 24.1.2.2 ASCU and Declarant shall have the right to review and audit the Budget and Converted Space Common Assessment calculations, at their sole and exclusive expense, by providing written notice to the Condominium Association of their election to conduct an audit within fifteen (15) days of receiving the Budget and the projected Converted

Space Common Assessment for the next fiscal year. In order to challenge the amount of the Converted Space Common Assessment, ASCU or Declarant, as the case may be, must complete its audit of the Budget and review of the Converted Space Common Assessment calculation and provide the Condominium Association written notice of any objections to either of the foregoing within thirty (30) days of receiving the Budget. The Condominium Association shall have no obligation to adjust the amount of the Converted Space Common Assessment unless ASCU or Declarant, as the case may be, can establish that certain revenue or expense projections in the Budget that deviate from actual revenue or expense items in the prior year's Budget are based on erroneous assumptions. The Condominium Association shall make its books and records available to ASCU or Declarant at a location designated by the Condominium Association at the Project.

24.1.3 The Converted Space Common Assessment shall be allocated and paid as follows:

24.1.3.1 <u>The Residential Units Are Liable for 33.34% of the Converted Space Common Assessment</u>. The Residential Units shall pay to the Condominium Association 33.34% of the Converted Space Common Assessment (the "<u>Residential Units Converted Space Common Assessment</u>"). The Residential Units Converted Space Common Assessment shall be allocated to each Residential Unit based on the following formula:

Number of points assigned to a Residential Unit pursuant to Section 6.2 (as adjusted to reflect the Conversion of the Converted Space)

Total number of points assigned to all Residential Units

Residential Unit's share of the Residential Units Converted Space Common Assessment

The portion of the Residential Units Converted Space Common Assessment attributable to each Residential Unit is set forth in the "First Amended Exhibit A to Declaration of Condominium for Sundial Lodge at The Canyons: Schedule of Units, Votes, and Undivided Interests in Common Areas" under the column entitled "% of Converted Space Common Assessment." The Condominium Association shall collect the Residential Units Converted Space Common Assessment from the Residential Owners as part of the Common Assessment in the manner set forth in this Section 24.

ASCU Is Liable for 33.33% of the Converted Space Common Assessment. ASCU, its successors and assigns under the Management Agreement (referred to in this Section collectively as "ASCU") shall pay to the Condominium Association 33.33% of the Converted Space Common Assessment in equal installments, due thirty (30) days after each billing date of May 1, August 1, November 1, and February 1 of each year (the "ASCU Converted Space Common Assessment"). ASCU and the Condominium Association shall execute an amendment to ASCU's Management Agreement, pursuant to which ASCU shall have the right to pay the ASCU Converted Space Common Assessment from fees that ASCU receives under the Management Agreement, and/or including, without limitation, its portion of rents paid pursuant to its rental management agreements entered into with Owners. Failure of ASCU to

pay any installment of the ASCU Converted Space Common Assessment within ten (10) days of the date it is due shall constitute a default under the Management Agreement and shall entitle the Condominium Association to pursue all remedies available under the Management Agreement. Notwithstanding the foregoing, in the event of ASCU's failure to timely pay any installment, the Condominium Association may pursue all remedies that may be available at law or in equity, and shall not be limited to the remedies that may be available under the Management Agreement. ASCU's obligation to pay the ASCU Converted Space Common Assessment is contingent upon (i) the existence of the Management Agreement (as amended); and (ii) ASCU managing at least fifty-eight percent (58%) of the Residential Units within the Sundial Lodge in a rental pool pursuant to rental management agreements. Accordingly, ASCU's obligation to pay the ASCU Converted Space Common Assessment shall in no case survive the expiration of the Management Agreement (as amended) or termination by ASCU of the Management Agreement under Section 4.2 thereof for the Condominium Association's default thereunder. Subject to the foregoing sentence, ASCU's obligation to pay the ASCU Converted Space Common Assessment shall not be terminated if the Condominium Association terminates the Management Agreement under the first paragraph of Section 4.1 thereof for ASCU's failure of performance. In addition, ASCU's obligation to pay the ASCU Converted Space Common Assessment shall terminate as of the date that ASCU manages less than 58% of the Residential Units within the Sundial Lodge in a rental pool pursuant to rental management agreements. In that connection, during the current term of the Management Agreement (as amended), ASCU agrees to use commercially reasonable efforts to enter into and maintain rental management agreements with Owners of more than 58% of the Residential Units offered for rent in any rental pools. Unless ASCU's payment obligations are terminated as and when provided for above, ASCU's obligation to pay the ASCU Converted Space Common Assessment shall continue if Condominium Association terminates the Management Agreement under the first paragraph of Section 4.1 thereof for ASCU's default thereunder. Any ASCU Converted Space Common Assessments not paid on or before ten (10) days after the date when due shall bear interest at the rate of eighteen percent (18%) per annum or such lower rate set by the Condominium Management Committee pursuant to Section 24.1.4 from the date when due until paid, and shall be subject to a late fee in the amount of \$5.00 per day. Any payments of ASCU Converted Space Common Assessments shall be first applied to accrued interest and late fees, and then to the ASCU Converted Space Common Assessment payment first due. ASCU is barred from assessing or demanding from the Condominium Association, the Residential Owners or the Residential Units any portion of the ASCU Converted Space Common Assessment. ASCU shall not assign its obligation to pay the ASCU Converted Space Common Assessment to any affiliate or other entity without the prior written consent of the Condominium Association, which consent shall not be unreasonably withheld, delayed or conditioned if such assignment is to a successor Declarant and Owner of Commercial Unit 1 and Manager under the Management Agreement. Any assignment of the Management Agreement shall include an agreement by the assignee to assume ASCU's obligation to pay the ASCU Converted Space Common Assessment.

24.1.3.3 The Owner of the Convertible Space Is Liable for 33.33% of the Converted Space Common Assessment. The Owner of the Convertible Space shall pay to the Condominium Association 33.33% of the Converted Space Common Assessment in equal installments, due thirty (30) days after each billing date of May 1, August 1, November 1, and February 1 of each year (the "Commercial Unit Converted Space Common Assessment"). Except for the right to pay the Commercial Unit Converted Space Common Assessment in

quarterly installments, such assessments shall be subject to all of the provisions governing Common Assessments set forth in this Section 24, including, without limitation, late fees, accrued interest on unpaid amounts and lien rights in favor of the Condominium Association. The Commercial Unit Converted Space Common Assessment is an obligation that is incidental to ownership of the Convertible Space and cannot be severed from the Convertible Space upon the conversion of all or any portion of the Convertible Space to Common Areas and Facilities (each such election being a "Subsequent Conversion," and such converted space being "Subsequently Converted Space"). The obligation of Declarant (or the then current owner of the Convertible Space) to pay the Commercial Unit Converted Space Common Assessment for the Subsequently Converted Space shall survive such Subsequent Conversion. Nothing in this Declaration shall prevent Declarant from selling or transferring all or a portion of the Convertible Space to a third party in accordance with the terms of this Declaration, as amended. Upon such sale, Declarant shall be released from, and such third-party transferee shall be obligated to pay, that portion of the Commercial Unit Converted Space Common Assessment attributable to such portion of the Convertible Space conveyed. However, such subsequent owner of that portion of the Convertible Space shall be liable for that portion of the Commercial Unit Converted Space Common Assessment attributable to such portion of the Convertible Space upon a Subsequent Conversion of such Convertible Space. Declarant may impose the Commercial Unit Converted Space Common Assessment on its tenants or their guests and invitees. Except in connection with a Subsequent Conversion, Declarant shall not assign its obligation to pay the Commercial Unit Converted Space Common Assessment to any affiliate or other entity without the prior written consent of the Condominium Association, which will not be unreasonably withheld, delayed or conditioned, if such assignment is to a successor Declarant and Owner of Commercial Unit 1 and Manager under the Management Agreement. Notwithstanding the above, so long as ASCU is the Owner of all or any portion of the Convertible Space and the Management Agreement has not been terminated, ASCU's portion of the Commercial Unit Converted Space Common Assessment shall be paid in the same manner as the ASCU Converted Space Common Assessment as set forth above.

- 24.1.4 Two separate and distinct funds shall be created and maintained hereunder; one for operating expenses and one for capital expenses. Such combined expenses shall constitute the Common Expenses, and the funds received from Common Assessments under this Section 24 shall be the Common Expense Fund. The Common Expense Fund also shall include that portion of the Converted Space Common Assessment received from Declarant and ASCU. Common Assessments shall include Regular Common Assessments, Converted Space Common Assessments and Special Common Assessments. Regular Common Assessments and Converted Space Common Assessments must be made at least annually, based on the Budget adopted at least annually by the Condominium Association in accordance with the provisions of this Declaration and the Condominium Bylaws. Regular Common Assessments and Converted Space Common Assessments shall be levied against each separate Unit.
- 24.1.5 The Condominium Association shall provide notice, by first class mail to all Owners, of any increase in the Regular Common Assessments and Converted Area Common Assessments not less than thirty (30) nor more than sixty (60) days prior to the date the increased assessment is due.

- 24.1.6 In addition to the Regular Common Assessments and Converted Space Common Assessments, the Association may levy in any calendar year Special Common Assessments applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, or a described capital improvement upon any Common Areas and Facilities, including the necessary fixtures and personal property related thereto, and other costs, expenses of operation or shortfalls in the collection of Common Assessments from the Owners. The portion of any Special Common Assessment levied against a particular Unit shall be equal to the percentage of undivided interest in the Common Areas and Facilities appurtenant to such Unit. These provisions with respect to the imposition or allocation of Special Common Assessments shall not apply when the special assessment against an Owner is a remedy utilized by the Condominium Management Committee to reimburse the Condominium Association for costs incurred in bringing the Owner and/or his Unit into compliance with the provisions of this Declaration, the Condominium Bylaws, rules and regulations of the Condominium Association, or any other governing instrument for the Project. Assessments to bring an Owner or his Unit into compliance with the governing instruments or otherwise assessed as a disciplinary measure may not be secured by the lien for unpaid assessments described in Section 24.1.8. The Condominium Management Committee shall provide notice by first class mail to all Owners of any Special Common Assessments not less than thirty (30) nor more than sixty (60) days prior to the date such Assessment is due.
- All Common Assessments shall be due and payable as determined pursuant to the Condominium Bylaws. Common Assessments and any installments thereof not paid on or before ten (10) days after the date when due shall bear interest at the rate of eighteen percent (18%) per annum, or at such lower rate of interest as may be set by the Condominium Management Committee, from the date when due until paid. Furthermore, Owners who do not pay their Common Assessments when due shall be subject to a late fee in the amount of \$5.00 per day, plus interest, adjustable from year to year at the discretion of the Condominium Management Committee pursuant to the Cost of Living Index. Any payments of Common Assessments shall be first applied to accrued interest and late fees, and then to the Common Assessment payment first due. All Common Assessments to pay a judgment against the Condominium Association may be made only against the Units in the Project at the time the judgment was entered, in proportion to their liabilities for Common Expenses. If any Common Expense is caused by the misconduct of any Owner, the Condominium Association may assess that expense exclusively against such Owner's Unit(s). If the Owners' percentage interests in the Common Areas and Facilities are reallocated, assessments for Common Expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated percentage interests of the Owners.
- 24.1.8 There shall be a lien upon the applicable Unit for all unpaid Common Assessments, together with late fees, interest and costs (including attorneys' fees) charged pursuant to this Declaration and the Act. The lien for unpaid Common Assessments and related charges shall be effective upon recordation in the Office of the Summit County Recorder of a written notice of lien by the Condominium Management Committee or the Manager. Such lien shall be superior (prior) to all other liens and encumbrances except liens and encumbrances recorded before recordation of this Declaration, a First Mortgage on a Unit as provided for in Section 22.3 hereof and assessments, liens and charges in favor of the state or any political subdivision thereof, for taxes and other governmental assessments or charges past due and

unpaid on the Unit. Such lien may be enforced by judicial foreclosure or by non judicial foreclosure substantially in the same manner in which mortgages and deeds of trust, respectively, on real property may be foreclosed in the State of Utah. A lien for unpaid assessments shall be enforced in accordance with the provisions of this Section 24 or the then applicable provisions of the Act. The lien procedures described herein do not prohibit actions to recover sums for which the Act creates a lien or prohibit the Condominium Association from taking a deed in lieu of foreclosure. A judgment or decree in any action brought hereunder shall include costs and reasonable attorneys' fees for the prevailing party. The Condominium Management Committee upon written request shall furnish to an Owner a statement setting forth the amount of unpaid assessments against the Unit. This statement must be furnished within ten (10) business days after receipt of the request and is binding on the Condominium Association, the Condominium Management Committee, the Manager and every Owner, in favor of all who rely on such statement in good faith.

- 24.2 The Condominium Management Committee shall include in the periodic assessments amounts representing sums to be used for the replacement of or additions to the capital items or improvements in the Project. Said amounts shall be dedicated for the uses provided in this Section and shall be set up as capital accounts for each Unit. In the event of transfer of a Unit, the capital account for such Unit shall be deemed transferred to the transferee of the Unit.
- 24.3 The Condominium Management Committee shall not expend funds designated as reserves for any purpose other than the repair, restoration, replacement or maintenance of major components of the Common Areas and Facilities for which the Condominium Association is responsible and for which the reserve fund was established or for litigation involving such matters. Nevertheless, the Condominium Management Committee may authorize the temporary transfer of money from the reserve account to the Condominium Association's operating account from time to time to meet short-term cash flow requirements and pay other expenses. Any such funds so transferred shall constitute a debt of the Condominium Association, and shall be restored and returned to the reserve account within three (3) years of the date of the initial transfer; provided, however, the Condominium Management Committee may, upon making a documented finding that a delay in the restoration of such funds to the reserve account would be in the best interests of the Project and Condominium Association, delay such restoration until the time it reasonably determines to be necessary. The Condominium Management Committee shall exercise prudent fiscal management in the timing of restoring any transferred funds to the reserve account and shall, if necessary, levy a Special Common Assessment to recover the full amount of the expended funds within the time limit specified above. Any such Special Common Assessment shall not be subject to the limitations set forth in Section 24.1.3 hereof. If the current replacement value of the major components of the Common Areas and Facilities which the Condominium Association is obligated to repair, replace, restore or maintain is equal to or greater than one-half of the total budgeted Common Expenses for any fiscal year, then at least once every three (3) years the Condominium Management Committee shall cause a study to be conducted of the reserve account of the Condominium Association and its adequacy to satisfy anticipated future expenditure requirements. The Condominium Management Committee shall, thereafter, annually review the reserve account study and shall consider and implement necessary adjustments to reserve account requirements and funding as a result of that review. Any reserve account study shall include, at a minimum:

- a. Identification of the major components which the Condominium Association is obligated to repair, replace, restore or maintain which, as of the date of the study, have a useful life of less than 30 years.
- b. Identification of the probable remaining useful life of the items identified in subparagraph a, above, as of the date of the study.
- c. An estimate of the cost of repair, replacement, restoration or maintenance of each item identified in subparagraph a, above, during and at the end of its useful life.
- d. An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore or maintain each item during and at the end of its useful life, after subtracting total reserve funds as of the date of the study.

For the purposes of this Section, the term "reserve account requirements" means the estimated funds which the Condominium Management Committee has determined are required to be available at a specified point in time to repair, replace or restore those major components which the Condominium Association is obligated to maintain.

- 24.4 If an Owner shall at any time lease his Unit and shall default in the payment of assessments, the Condominium Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant of the Owner the rent due or becoming due, and the payment of such rent to the Condominium Management Committee shall be sufficient payment and discharge of such tenant and the Owner for such assessments to the extent of the amount so paid.
- 7. <u>Miscellaneous</u>. Notwithstanding the prior adjustment in the allocations of Common Expenses and Common Assessments which are hereby ratified, this Effective Date. This Amendment shall be effective upon recording in the Office of the Summit County Recorder. Except as herein expressly provided, the Declaration shall remain in all other respects unmodified and in full force and effect.

IN WITNESS WHEREOF, the Declarant and the Condominium Association have executed this Amendment as of the date first above written.
