

United States. to Union Pacific Ry. Co.

Patent No. 31.

f. 446.

The United States of America.

1872. 6/11.

To All to Whom These presents shall come, Greeting.

Whereas, by the Acts of Congress approved July 1, 1862, and July 2, 1864, "to aid in the construction of a railroad and telegraph line from the Missouri River to the Pacific Ocean, and to secure to the Government the use of the same for postal, military, and other purposes," authority is given to the Union Pacific Railroad Company "to construct a railroad and telegraph line," under certain conditions and stipulations as expressed in said acts and provision is made for granting to the said Company "every alternate section of Public Land, designated by odd numbers, to the amount of ten alternate sections per mile, on each side of the said railroad, on the line thereof, and within the limits of twenty miles on each side of said road," not sold, reserved, or otherwise disposed of by the United States, and to which a pre-emption or homestead claim may not have attached at the time the line of said road is definitely fixed."

And whereas, an official statement, bearing date November 3rd 1869, from the Secretary of the Interior has been filed in the General Land Office, showing that the Commissioners appointed by the President, under provisions of the Sixth Section of the said Act of Congress, approved July 2, 1864, have reported to him, that the line of Railroad and Telegraph from Canada, in the State of Nebraska, westward to Ogden, in the Territory of Utah, and known as the Union Pacific Rail Road, has been constructed & fully completed and equipped in the manner prescribed by the Acts of Congress aforesaid.

And whereas, certain tracts have been duly listed under the acts aforesaid by the duly authorized land agent of the said Union Pacific Rail Road now known as the Union Pacific Railway Company as shown by his original list of selections approved by the local officers, and on file in this office.
