"Termination Payments" means Rents paid to the Borrower in consideration of the Borrower's release of a party from liability for a contractual or other legal obligation (e.g., lease termination, space contraction, and legal settlement payments). Termination Payments do not include payments of Rents under Two Hundred Fifty Thousand Dollars (\$250,000) paid pursuant to termination or space contraction options contained in Leases approved by the Lender or in Leases deemed approved or not requiring Lender approval under the Absolute Assignment of Leases and Rents.

Should the Borrower fail to do so, the Lender may at the Borrower's expense take all necessary action, including the engagement and compensation of legal counsel, the prosecution or defense of litigation, and the compromise or discharge of claims. The Borrower shall defend, indemnify and hold the Lender harmless in any suit or proceeding brought to challenge or attack the validity, enforceability or priority of this Deed of Trust. If a prior construction, mechanics' or materialmen's lien on the Real Property arises by operation of statute during any construction or repair of the Improvements, the Borrower shall either cause the lien to be discharged by paying when due any amounts owed to such persons, or shall comply with Section 12 of this Deed of Trust.

5.22 NO PROHIBITED TRANSACTIONS

6.3 PAYMENT AND PERFORMANCE

The Borrower shall pay the Indebtedness and perform all of its other Obligations, as and when the Loan Documents require such payment and performance.

6.4 BANKRUPTCY REMOTE ENTITY

The Borrower represents, warrants and covenants that it has not and will not:

- (a) engage in any business or activity other than the ownership, operation and maintenance of the Property, and activities incidental thereto;

- (b) acquire or own any assets other than (i) the Property, and (ii) such incidental Personal Property as may be necessary for the operation of the Property;
- (c) merge into or consolidate with any Person, or dissolve, terminate, liquidate in whole or in part, transfer or otherwise dispose of all or substantially all of its assets or change its legal structure;
- (d) fail to observe all organizational formalities, or fail to preserve its existence as an entity duly organized, validly existing and in good standing (if applicable) under the Legal Requirements of the jurisdiction of its organization or formation, or amend, modify, terminate or fail to comply with the provisions of its organizational documents;
- (e) own any subsidiary, or make any investment in, any Person;

The Borrower shall pay the Impositions on or before the last day on which they may be paid without penalty or interest, and shall, within thirty (30) days, furnish the Lender with a paid receipt or a cancelled check as evidence of payment. If the Lender does not receive such evidence, the Lender may obtain it directly. If it does so, the Lender will charge the Borrower an administrative fee of Two Hundred Fifty Dollars (\$250) for securing the evidence of payment. The payment of this fee shall be a demand obligation of the Borrower. The Borrower may meet the Imposition payment requirements of this Subsection 6.5 by remitting the Monthly Escrow Payments when due, by immediately providing Notice to the Lender of any new Imposition, increased Imposition, or change in the due date or delinquency date of any Imposition, and by paying to the Lender on demand any amount required to increase the Escrow Fund to an amount sufficient to permit the Lender to pay all Impositions from the Escrow Fund on time. If the Borrower fails to provide Notice to the Lender of any change in the due date or delinquency date of any Imposition, and as the result of such failure, a taxing authority imposes any penalty or charge, or any discount is rendered unavailable, the Lender shall have no liability to the Borrower for any such additional expense. If the Borrower wishes to contest the validity or amount of an Imposition, it may do so by complying with Section 12. If any new Legal Requirement (other than a general tax on income or on interest payments) taxes this Deed of Trust so that the yield on the Indebtedness would be reduced, and the Borrower may lawfully pay the tax or reimburse the Lender for its payment, the Borrower shall do so.

6.6 LEGAL CONTROL OF THE BORROWER

The Borrower shall remain under the Legal Control of one or more Permitted Control Group Members during the term of the Loan.

6.7 MANAGEMENT OF THE REAL PROPERTY

The Real Property shall be managed at all times in accordance with the Management Standard by the Key Principal, by a property management company engaged by the Key Principal to manage the Real Property, or by a Qualified Property Manager. At all times during the term of the Loan, the manager of the Real Property shall have entered into the Lender's form of Assignment and Subordination of Management Agreement with respect to any management agreement affecting the Real Property.

6.8 MAINTENANCE OF THE REAL PROPERTY

The Borrower shall not commit or permit any waste of the Real Property as a physical or economic asset, and agrees to maintain in good repair the Improvements, including structures, roofs, mechanical systems, parking lots or garages, and other components of the Real Property that are necessary or desirable for the use of the Real Property, or which the Borrower as landlord under any Lease is required to maintain for the benefit of any tenant. In its performance of this Obligation, the Borrower shall promptly and in a good and workmanlike manner repair or restore, as required under Subsection 6.18, any elements of the Improvements that are damaged or destroyed. The Borrower shall also comply with all operation and maintenance plans required by the Lender in connection with the closing of the Loan and replace roofs, parking lots, mechanical systems, and other elements of the Improvements requiring periodic replacement. The Borrower shall carry out such replacements no less frequently than would a commercially reasonable owner intending to maintain the maximum income-generating potential of the Real Property over its reasonable economic life. The Borrower shall not, without the prior written consent of the Lender, demolish, reconfigure, or materially alter the structural elements of the Improvements or commence any new construction on the Real Property, unless such an action is the obligation of the Borrower under a Lease approved by Lender. The Lender agrees that any request for its consent to such an action shall be deemed given if the Lender does not respond within fifteen (15) Business Days to any written request for such a consent, if the request is accompanied by all materials required to permit the Lender to analyze the proposed action.

6.9 USE OF THE REAL PROPERTY

The Borrower agrees that the Real Property may only be used as a residential apartment complex and for no other purpose. The Real Property may not be converted to a cooperative or condominium without Lender's prior written consent, which consent may be withheld in Lender's sole and absolute discretion.

6.10 LEGAL REQUIREMENTS

The Borrower shall maintain in full force and effect all governmental approvals and licenses required for the conduct of the Borrower's business and for the maintenance and operation of the Real Property in compliance with applicable law, and shall comply with all Legal Requirements relating to the Real Property at all times.

6.11 CONTRACTS AND FRANCHISES

The Borrower shall maintain in force all contracts and franchises necessary for the conduct of the Borrower's business and for the operation of the Real Property in accordance with good commercial practice.

6.12 COVENANTS REGARDING CERTAIN TITLE MATTERS

The Borrower shall promptly pay, perform and observe all of its obligations under the Easements included within the Appurtenances or under reciprocal easement agreements, operating agreements, declarations, and restrictive covenants included in the Permitted Encumbrances, shall not modify or consent to the termination of any of them without the prior written consent of the Lender, shall promptly furnish the Lender with copies of all

notices of default under them, and shall cause all covenants and conditions under them and benefiting the Real Property to be fully performed and observed.

6.13 INDEPENDENCE OF THE REAL PROPERTY

The Borrower shall maintain the independence of the Real Property from other land and improvements not included within or located on the Land. In fulfilling this covenant, the Borrower shall neither take any action which would make it necessary to own or control any property other than the Real Property in order to meet the obligations of the landlord under any Lease, or in order to comply with the Legal Requirements, nor take any action which would cause any land or improvements other than the Land and the Improvements to rely upon the Land or the Improvements for those purposes.

6.14 COMPLETE LOTS AND TAX PARCELS

The Borrower shall take no action that would result in the inclusion of any portion of the Land in a tax parcel or subdivision lot that is not entirely included within the Land.

6.15 COMMERCIAL PROPERTY

The Real Property shall be used for commercially operated multi- family residential apartment complex rather than for residential, personal, family or household purposes.

6.16 PERFORMANCE UNDER DEVELOPMENT AGREEMENTS

The Borrower shall fully, timely and completely perform all of the obligations of the owner of the Real Property due under the Development Agreements and shall cause no default under any of the Development Agreements.

6.17 STATUS OF CERTAIN TITLE MATTERS

The Borrower shall not take or fail to take any action with respect to the Easements included within the Appurtenances or the reciprocal easement agreements, operating agreements, declarations, and restrictive covenants included in the Permitted Encumbrances if, as the result of such an action or failure, the subject Easement or other title matter would (a) be rendered invalid or without force or effect, (b) be amended or supplemented without the consent of the Lender, (c) be placed in default or alleged default, (d) result in any lien against the Real Property, or (e) give rise to any assessment against the Real Property, unless immediately paid in full.

6.18 RESTORATION UPON CASUALTY OR CONDEMNATION

If a casualty or condemnation occurs, the Borrower shall promptly commence and diligently complete the Restoration of the Real Property, provided the related Insurance Proceeds or Condemnation Proceeds held by the Lender are available for Restoration under the terms of Sections 8.3 and 8.5.

6.19 PERFORMANCE OF LANDLORD OBLIGATIONS

The Borrower shall perform its obligations as landlord under the Leases and shall neither take any action, nor fail to take any action, if the action or failure would be inconsistent with the commercially reasonable management of the Real Property for the purpose of enhancing its long-term performance and value.

6.20 FINANCIAL STATEMENTS AND PROPERTY INFORMATION

(a) Maintenance of Books and Records

During the term of the Loan, the Borrower shall maintain complete and accurate accounting and operational records, including copies of all Leases and other material written contracts relating to the Real Property, copies of all tax statements, and evidence to support the payment of all material property-related expenses.

(b) Annual Delivery of Financial Statements

Within one hundred twenty (120) days after the end of each of its fiscal years, or, if a Default exists, on demand by the Lender, the Borrower shall deliver to the Lender copies of the financial statements of the Borrower, including balance sheets and earnings statements.

(c) Certification of Financial Statements

The annual financial statements required under Subsection 6.20(b) above need not, as an initial matter, be certified by an independent certified public accountant as having been prepared in accordance with generally accepted accounting principles, consistently applied, or, in the case of financial statements prepared on a cash or income tax basis, or of operating statements, as not materially misleading based on an audit conducted in accordance with generally accepted auditing standards. The Borrower shall, however, certify that such statements are true and correct, and the Lender expressly reserves the right to require such a certification by an independent certified public accountant if a Default exists or if the Lender has reason to believe that any previously provided financial or operating statement is misleading in any material respect.

(d) Quarterly Delivery of Property Information

Within thirty (30) days after the end of each of its fiscal quarters, or, if a Default exists, on demand by the Lender, the Borrower shall deliver to the Lender (A) a complete and accurate operating statement for the Real Property, and (B) a complete rent roll, all in form satisfactory to the Lender. The operating statement and rent roll must be certified by the Borrower to be true and correct and must include each tenant's name, unit type and address, occupied and leased, rent, lease expiration date, renewal options and related rental rates, delinquencies and vacancies.

(e) Reporting Format

The Borrower shall provide the financial statements and property information required in this Subsection 6.20 in any format that the Lender may request, consistently with industry custom and practice, unless the cost of doing so would be prohibitive.

(f) Effect of Failure to Deliver Financial Statements and Property Information

If the Borrower fails to provide the items required under this Section 6.20 before the applicable deadline, the Lender will provide a Notice of this failure and a thirty (30)-day opportunity to provide such items before a Default shall exist under this Section 6.20. All monthly payments of principal and interest under the Note that become due after this period has elapsed but before the reports are received by the Lender must be accompanied by a fee of .000834 times the principal balance of the Loan at the beginning of the previous month (the "Financial Information Non-Compliance Fee") until such time as the required reports are received by the Lender, regardless of whether the Notice has asserted that the failure constitutes a Default under this Deed of Trust. This fee represents a notional re-pricing of the Loan to compensate the Lender for (A) the increased risk resulting from the Lender's inability to monitor and service the Loan using up-to-date information, and (B) the reduced value and liquidity of the Loan as a financial asset. If the Borrower fails to deliver the any of the items required in this Section 6.20, the Lender may engage an accounting firm or other third party consultant to prepare the required items. The Borrower shall cooperate fully with any audit required to permit the accounting firm or consultant to produce such items, and the fees and expenses incurred in connection with their preparation shall be paid on demand by the Borrower.

(g) Financial Information from other Borrower Parties

If a "Default" exists under the Carveout Agreement or the Payment Guarantee in respect of the failure of any obligor under such an agreement to provide periodic financial statements, then the Borrower shall be required to pay the Financial Information Non-Compliance Fee with each monthly payment of principal and interest under the Note that become due, until the related "Default" has been cured.

6.21 ESTOPPEL STATEMENTS

Upon request by the Lender, the Borrower shall, within ten (10) Business Days of Notice of the request, furnish to the Lender or to whom it may direct, a written statement acknowledging the amount of the Indebtedness and disclosing all offsets or defenses existing against the Indebtedness. Thereafter, the Borrower shall be estopped from asserting any other offsets or defenses alleged to have arisen as of the date of the statement.

6.22 PROHIBITION ON CERTAIN DISTRIBUTIONS

If a Default exists under any of Subsections 10.1, 10.2(b), 10.2(c), 10.2(d), 10.2(e) or 10.2(f), the Borrower shall not pay any dividend or make any partnership, trust or other distribution, and shall not make any payment or transfer any property in order to purchase, redeem or retire any interest in its beneficial interests or ownership.

6.23 USE OF LOAN PROCEEDS

The Loan proceeds shall be used solely for commercial purposes.

6.24 PROHIBITION ON CUTOFF NOTICES

The Borrower shall not issue any Notice to the Lender to the effect that liens on the Real Property after the date of the Notice will enjoy priority over the lien of this Deed of Trust.

6.25 PROHIBITED PERSON COMPLIANCE

The Borrower warrants, represents and covenants that neither the Borrower nor any Obligor nor any of their respective affiliated entities is or will be an entity or person (i) that is listed in the Annex to, or is otherwise subject to the provisions of, Executive Order 13224 issued on September 24, 2001 ("EO13224"), (ii) whose name appears on the United States Treasury Department's Office of Foreign Assets Control ("OFAC") most current list of "Specifically Designated Nationals and Blocked Persons" (which list may be published from time to time in various mediums including, but not limited to, the OFAC website, <http://www.treasury.gov/ofac/downloads/t11sdn.pdf>), (iii) who commits, threatens to commit or supports "terrorism", as that term is defined in EO13224, or (iv) who is otherwise affiliated with any entity or person listed above (any and all parties or persons described in subparts (i) – (iv) above are herein referred to as a "Prohibited Person"). The Borrower covenants and agrees that neither the Borrower, nor any Obligor nor any of their respective affiliated entities will (A) conduct any business, nor engage in any transaction or dealing, with any Prohibited Person, including, but not limited to, the making or receiving of any contribution of funds, goods, or services to or for the benefit of a Prohibited Person, or (B) engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in EO13224. The Borrower further covenants and agrees to deliver (from time to time) to the Lender any such certification or other evidence as may be requested by the Lender in its sole and absolute discretion, confirming that (x) neither the Borrower nor any Obligor is a Prohibited Person, and (v) neither the Borrower nor any Obligor has engaged in any business, transaction or dealings with a Prohibited Person, including, but not limited to, the making or receiving of any contribution of funds, goods, or services, to or for the benefit of a Prohibited Person.

7. INSURANCE REQUIREMENTS

At all times until the Indebtedness is paid in full, the Borrower shall maintain insurance coverage and administer insurance claims in compliance with this Section.

7.1 MINIMUM REQUIRED COVERAGES

(a) "All Risk" Property Insurance Coverage

The Borrower shall maintain property insurance coverage at least equivalent or superior to the Insurance Services Offices (ISO) "Cause of Loss – Special Form" coverage in an amount not less than one hundred percent (100%) of the replacement cost of all insurable elements of the Real Property and of all tangible Personal Property, with coinsurance waived, or if a coinsurance clause is in effect, with an Agreed Amount endorsement acceptable to the Lender. Coverage shall extend to the Real Property and to all tangible Personal Property.

(b) Broad Form Boiler and Machinery/HVAC/Equipment Breakdown

The Borrower shall maintain broad form boiler and machinery coverage, including coverage for resulting loss of income/loss of rents/extra expense if any of the following is located on the Real Property: any boiler or other fired-pressure vessel; any machinery containing pressure; or any machinery generating or transmitting power, including without limitation, centralized HVAC equipment, community water heaters, refrigeration or air conditioning vessels, or pumps.

(c) Flood

The Borrower shall maintain flood insurance coverage on any insurable elements of the Real Property that are located in a special flood hazard area (SFHA, also known as the 100-year floodplain) according to the most current flood insurance rate map (FIRM) issued by the Federal Emergency Management Agency. The Borrower shall also maintain coverage on all tangible Personal Property located on the flood plain from time to time. The coverage shall be for one hundred percent (100%) of the replacement cost, and the related loss of business income/loss of rents/extra expense.

(d) Windstorm

The Borrower shall maintain windstorm coverage that includes all named windstorms. Windstorm coverage may be provided by a policy separate from the other insurance coverage required in this Section.

(e) Business Interruption/Time Element Coverage

The Borrower shall maintain a form of business interruption coverage or loss of rents/extra expense coverage for resulting loss of income by a covered peril in the amount of one year's business income from the Property or loss of rents/extra expense.

(f) Construction-Related Coverage

During the term of the Loan, while construction of any Improvements is in progress, the Borrower shall maintain Builder's Risk coverage written on an all risk basis, completed value form, with limits reflecting the total completed value of the structure. Coverage shall extend to all property of the Borrower that is to be used during the excavation and preparation of the site of the Improvements, the construction of the Improvements (whether underground or above-ground) or that is intended to be incorporated into the Improvements, whether located on the Real Property, stored off-site or in transit. The Borrower, the Guarantor, and the general contractor (if it is an entity other than the Borrower) shall be named as insured under liability coverage.

(g) Comprehensive/General Liability (CGL)

The Borrower shall maintain commercial general liability coverage for not less than One Million Dollars (\$1,000,000) combined single limit per occurrence and general aggregate limit of Two Million Dollars (\$2,000,000).

(h) **Umbrella/Excess Liability**

The Borrower shall maintain umbrella or excess liability coverage in an amount reasonably determined by the Lender, but in no event less than One Million Dollars (\$1,000,000) per occurrence and in the aggregate. Umbrella or excess coverage should follow form to the underlying coverage.

(i) **Earthquake Insurance**

Lender may require earthquake insurance (either at the time of the origination of the Loan or thereafter), but only if Lender reasonably determines that a material risk exists that a significant earthquake may occur and may materially damage the Real Property. Any such determination shall be conclusively presumed to be reasonable if (A) the Real Property is located in Seismic Zone IV or its equivalent, (B) the Real Property is located in Seismic Zone III or its equivalent, the Improvements were not constructed in accordance with substantially modern standards for minimizing the effect of earthquake, and the peak ground acceleration exceeds 0.25g. If such a requirement is imposed, the Borrower may request that the Lender select and engage a consultant to prepare a study (a “PML Study”) of the possible effect of an earthquake on the Improvements. Any PML Study shall meet the Lender’s standard requirements. If the PML Study determines that, in the event of a 475-year design earthquake ground shaking, the “Scenario Upper Loss” (as defined in the then-current ASTM Standard) would be less than twenty-five percent (25%) of both (i) the market value of the Real Property, as determined by the Lender based on the most recent available appraisal and reasonable adjustments based on the Real Property’s performance, condition, and market conditions, and (ii) the cost of reconstruction of the Improvements, as reasonably estimated by the Lender, then the Lender will waive its requirement. If the Borrower disagrees with the Lender’s determination of market value, the Borrower may request that the Lender obtain a new appraisal of the Real Property. The Lender shall select the appraiser and shall have the right to review the draft appraisal for analytical errors prior to its finalization. The appraiser’s final determination of market value shall be conclusive. The fee of the appraiser (if engaged) and the cost of any PML Study shall be borne by the Borrower.

(j) **Other Elective or Additional Coverages**

The Lender may require additional insurance coverages or endorsements appropriate to the property type and site location. Additional coverages may include mine subsidence, sinkhole, personal property, supplemental liability, ordinance or law coverage and coverages of other property-specific risks.

7.2 BLANKET COVERAGE

The Borrower may satisfy the requirements of this Section through a so-called “blanket insurance policy” if (a) the policy includes limits by property location, and (b) the Lender determines, in the exercise of its sole and absolute discretion, that the amount of such coverage is sufficient in light of the other risks and properties insured under the blanket policy.

7.3 HOW THE LENDER SHALL BE NAMED

On all property insurance policies and coverages required under this Section (including Builders Risk and coverage against loss of business income, also known as business income/loss of rents/extra expense), the Lender must be named as “first mortgagee” under a standard mortgagee clause and as a “loss payee” under a loss payee endorsement or a Lenders Loss Payable endorsement. On the Commercial General Liability and Umbrella/Excess Liability policies, the Lender must be named as an “additional insured.” The Lender shall be referred to verbatim as follows: “Transamerica Life Insurance Company and its successors, assigns, and affiliates; as their interest may appear; c/o AEGON USA Realty Advisors, LLC; Mortgage Loan Dept.; 4333 Edgewood Rd., NE; Cedar Rapids, Iowa 52499-5443.”

7.4 RATING

Each insurance carrier providing insurance required under this Section must have, independently of its parent's or any reinsurer's rating, a Best's Rating of A- or better, and a Financial Size Rating of X or better, as reported in the most current issue of Best's Insurance Guide, or as reported by Best on its internet web site.

7.5 DEDUCTIBLE

The maximum deductible on each required coverage or policy is One Hundred Thousand Dollars (\$100,000).

7.6 NOTICES, CHANGES AND RENEWALS

All policies must require the insurance carrier to give the Lender a minimum of ten (10) days' notice in the event of modification, cancellation or termination for nonpayment of premium and a minimum of thirty (30) days' notice of cancellation or nonrenewal, or as required under state law. Prior to each policy renewal, the Borrower shall report to the Lender all sublimits, margin clauses and other conditions and endorsements that reduce the coverages required in this Section and changes to deductibles for sub-limited coverages, self-insured retentions, fronting arrangements, or other endorsements or conditions that require the Borrower to retain additional risk. The Borrower shall report to the Lender immediately any facts known to the Borrower that may adversely affect the appropriateness or enforceability of any insurance contract, including, without limitation, changes in the ownership or occupancy of the Real Property, any hazard to the Real Property and any matters that may give rise to any claim. No fewer than thirty (30) days prior to expiration of any policy required under this Section, the Borrower shall provide either (a) an original or certified copy of the renewed policy, or (b) a certificate of insurance, including an Acord 28 (real property), Acord 27 (personal property) or Acord 25 (liability) certificate, or another document satisfactory to the Lender conferring on the Lender the rights and privileges of mortgagee. If the Borrower meets the foregoing requirement under clause (b), the Borrower shall supply an original or certified copy of the original policy within ninety (90) days. All certificates, documents, and original or certified copies of policies must (i) name the Borrower as a named insured or as an additional insured, (ii) include the complete and accurate property address, (iii) show that the applicable coverage or endorsement is in full force and effect, (iv) convey to the Lender the rights and privileges of a named mortgagee under the related policy,

(v) include the Lender as loss payee (for business interruption coverages), and
(vi) include the Lender as additional insured (for liability coverages).

7.7 UNEARNED PREMIUMS

If this Deed of Trust is foreclosed, the Lender may at its discretion cancel any of the insurance policies required under this Section and apply any unearned premiums to the Indebtedness.

7.8 FORCED PLACEMENT OF INSURANCE

If the Borrower fails to comply with the requirements of this Section, the Lender may, at its discretion, procure any required insurance. Any premiums paid for such insurance, or the allocable portion of any premium paid by the Lender under a blanket policy for such insurance, shall be a demand obligation under this Deed of Trust, and any unearned premiums under such insurance shall comprise Insurance Proceeds and therefore a portion of the Property.

8. INSURANCE AND CONDEMNATION PROCEEDS

8.1 ADJUSTMENT AND COMPROMISE OF CLAIMS AND AWARDS

The Borrower may settle any insurance claim or condemnation proceeding if the effect of the casualty or the condemnation may be remedied for One Hundred Seventy Thousand Dollars (\$170,000) or less. If a greater sum is required, the Borrower may not settle any such claim or proceeding without the advance written consent of the Lender. If a Default exists, the Borrower may not settle any insurance claim or condemnation proceeding without the advance written consent of the Lender.

8.2 DIRECT PAYMENT TO THE LENDER OF PROCEEDS

If the Insurance Proceeds received in connection with a casualty or the Condemnation Proceeds received in respect of a condemnation exceed One Hundred Seventy Thousand Dollars (\$170,000), or if there is a Default, then such proceeds shall be paid directly to the Lender. The Lender shall have the right to endorse instruments which evidence proceeds that it is entitled to receive directly.

8.3 AVAILABILITY TO THE BORROWER OF PROCEEDS

Insurance Proceeds and Condemnation Proceeds shall be paid to the Lender for use in accordance with Subsection 8.4, unless the amount received is less than Five Hundred Ten Thousand Dollars (\$510,000), in which case the Borrower shall have the right to use the Insurance Proceeds and Condemnation Proceeds to carry out the Restoration of the Real Property, subject to the conditions set forth in Subsections 8.5, 8.6, and 8.7.

If the amount received in respect of a casualty or condemnation equals or exceeds Five Hundred Ten Thousand Dollars (\$510,000), and if the Loan-to-Value ratio of the Property on completion will be sixty-nine percent (69%) or less, as determined by the Lender in its discretion based on its estimate of the market value of the Real Property, the Lender shall receive such Insurance Proceeds or Condemnation Proceeds directly and hold them in a fund for Restoration subject to the conditions set forth in Subsections 8.5, 8.6, and 8.7 of this Section. If the Lender's estimate of the market value of the Real

Property implies a Loan-to-Value ratio of over sixty-nine percent (69%), and the Borrower disagrees with the Lender's estimate, the Borrower may require that the Lender engage an independent appraiser (the "Fee Appraiser") to prepare and submit to AEGON a full narrative appraisal report estimating the market value of the Real Property. The Fee Appraiser shall be certified in Utah and shall be a member of a national appraisal organization that has adopted the Uniform Standards of Professional Appraisal Practice (USPAP) established by the Appraisal Standards Board of the Appraisal Foundation. The Fee Appraiser will be required to use assumptions and limiting conditions established by the Lender prior to the funding of the Loan and to prepare the appraisal in conformity with the Lender's Appraisal Guidelines. For purposes of this Section, the independent appraiser's value conclusion shall be binding on both the Lender and the Borrower. The Borrower shall have the right to make a prepayment of the Loan, without premium, sufficient to achieve this Loan-to-Value ratio. The independent fee appraisal shall be at the Borrower's expense, and the Borrower shall pay to the Lender an administrative fee of Two Thousand Five Hundred Dollars (\$2,500) in connection with its review. The Lender may require that the Borrower deposit Ten Thousand Dollars (\$10,000) with the Lender as security for these expenses or may pay the Fee Appraiser's and administrative fees from the proceeds at its sole discretion.

8.4 LENDER'S USE OF PROCEEDS

Unless the Borrower has the right to use the Insurance Proceeds or the Condemnation Proceeds under the foregoing paragraphs, the Lender may, in its sole and absolute discretion, either apply them to the Loan balance or disburse them for the purposes of repair and reconstruction, or to remedy the effects of the condemnation. No prepayment premium will be charged on Insurance Proceeds or Condemnation Proceeds applied to reduce the principal balance of the Loan.

8.5 CONDITIONS TO AVAILABILITY OF PROCEEDS

The Lender shall have no obligation to release Insurance Proceeds or Condemnation Proceeds to the Borrower, and may hold such amounts as additional security for the Loan, if (a) a Default exists, or (b) the Lender has delivered to the Borrower Notice of any act, omission or circumstance that will, if uncured, become a Default, and the required cure has not been effected, or (c) if the Insurance Proceeds or Condemnation Proceeds received by the Lender and any other funds deposited by the Borrower with the Lender are insufficient, as determined by the Lender in its reasonable discretion, to complete the Restoration. If a Default exists, the Lender may at its sole and absolute discretion apply such Insurance Proceeds and Condemnation Proceeds to the full or partial cure of the Default.

8.6 GROSS UP OF RESTORATION FUND; PERMITTED MEZZANINE FINANCING

If the Lender determines that the Insurance Proceeds or Condemnation Proceeds received in respect of a casualty or a condemnation, as the case may be, would be insufficient to permit the Borrower to effect the Restoration, then the Borrower shall deposit in the Restoration fund such additional funds as the Lender determines are necessary to effect the Restoration. The Lender agrees to permit the Borrower to secure mezzanine financing in order to meet its obligation under this Subsection. The mezzanine loan may be secured

by a pledge of interests in the Borrower, subject to an inter-creditor agreement on market terms for securitized loans.

8.7 DRAW REQUIREMENTS

The Borrower's right to receive Insurance Proceeds and Condemnation Proceeds held by the Lender under this Section shall be conditioned on the Lender's approval, in its commercially reasonable discretion, of plans and specifications for the Restoration. Each draw, except the last, shall be in the minimum amount of Fifty Thousand Dollars (\$50,000). Draw requests shall be accompanied by customary evidence of construction completion, and by endorsements to the Lender's mortgagee title insurance coverage insuring the absence of construction, mechanics' or materialmen's liens. Draws based on partial completion of the Restoration shall be subject to a ten percent (10%) holdback. All transactional expenses shall be paid by the Borrower.

9. ESCROW FUND

The Borrower shall pay the Monthly Escrow Payment on the first (1st) day of every month, commencing with the month in which the first regular monthly payment is due under the terms of the Note. The Lender shall hold Monthly Escrow Payments in a non-interest-bearing fund from which the Lender will pay on a timely basis those Escrow Expenses that the Lender has anticipated will become payable on a regular basis during the Loan's term, and on which the Lender has based its determination of the Monthly Imposition Requirement, the Monthly Insurance Premium Requirement and the Monthly Reserve Requirement. The Escrow Fund will be maintained as an accounting entry in the Lender's general account, where it may be commingled with the Lender's other funds. The Lender may reanalyze the projected Escrow Expenses from time to time and shall advise the Borrower of any change in the amount of the Monthly Escrow Payment. Upon the foreclosure of this Deed of Trust, the delivery of a deed in lieu of foreclosure, or the payoff of the Loan, the Lender shall apply amounts in the Escrow Fund, net of accrued Escrow Expenses, to the Indebtedness. The Lender shall remit any amounts in excess of the Indebtedness to the Borrower.

10. DEFAULT

10.1 PAYMENT DEFAULTS

A "Default" shall exist without Notice upon the occurrence of any of the following events:

(a) Scheduled Payments

The Borrower's failure to pay, or to cause to be paid, (i) any regular monthly payment of principal and interest under the Note, together with any required Monthly Escrow Payment, on or before the tenth (10th) day of the month in which it is due, or (ii) any other scheduled payment under the Note, this Deed of Trust or any other Loan Document.

(b) Payment at Maturity

The Borrower's failure to pay, or to cause to be paid, the Indebtedness when the Loan matures by acceleration under Section 16, because of a transfer or encumbrance under Section 13, or by lapse of time.

(c) **Demand Obligations**

The Borrower's failure to pay, or to cause to be paid, within five (5) Business Days of the Lender's demand, any other amount required under the Note, this Deed of Trust or any of the other Loan Documents.

10.2 INCURABLE NON-MONETARY DEFAULT

A Default shall exist upon any of the following (each of which is an "Incurable Non-Monetary Default"):

(a) **Material Untruth or Misrepresentation**

The Lender's discovery that any representation made by the Borrower in any Loan Document was materially untrue or misleading when made, if the misrepresentation either was intentional or is not capable of being cured as described in Subsection 10.3(a) below.

(b) **Due on Sale or Encumbrance**

The occurrence of any sale, conveyance, transfer or vesting that would result in the Loan becoming immediately due and payable at the Lender's option under Section 13.

(c) **Voluntary Bankruptcy Filing**

The filing by the Borrower or the Guarantor of a petition in bankruptcy or for relief from creditors under any present or future law that affords general protection from creditors.

(d) **Insolvency**

The failure of the Borrower generally to pay its debts as they become due, its admission in writing to an inability so to pay its debts, the making by the Borrower of a general assignment for the benefit of creditors, or a judicial determination that the Borrower is insolvent.

(e) **Receivership**

The appointment of a receiver or trustee to take possession of any of the assets of the Borrower.

(f) **Levy or Attachment**

The taking or seizure of any material portion of the Property under levy of execution or attachment.

(g) **Lien**

The filing against the Real Property of any lien or claim of lien for the performance of work or the supply of materials, or the filing of any federal, state or local tax lien against the Borrower, or against the Real Property, unless the Borrower promptly complies with Section 12 of this Deed of Trust.

(h) **Defaults under other Loan Documents**

The existence of any default under any other Loan Document, provided any required Notice of such default has been given and any applicable cure period has expired.

(i) **Dissolution or Liquidation**

The Borrower shall initiate or suffer the commencement of a proceeding for its dissolution or liquidation, and such proceeding shall not be dismissed within thirty (30) days, or the Borrower shall cease to exist as a legal entity (unless resulting in a Permitted Transfer).

10.3 CURABLE NON-MONETARY DEFAULT

A Default shall exist, following the cure periods specified below, under the following circumstances:

(a) **Unintentional Misrepresentations that are Capable of Being Cured**

With Notice, if the Lender discovers that the Borrower has unintentionally made any material misrepresentation that is capable of being cured, unless the Borrower promptly commences and diligently pursues a cure of the misrepresentation approved by the Lender, and completes the cure within thirty (30) days. Any such cure shall place the Lender in the risk position that would have existed had the false representation been true when made.

(b) **Involuntary Bankruptcy or Similar Filing**

The Borrower or the Guarantor becomes the subject of any petition or action seeking to adjudicate it bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief, or that may result in a composition of its debts, provide for the marshaling of the Borrower's or the Guarantor's assets for the satisfaction of its debts, or result in the judicially ordered sale of the Borrower's or the Guarantor's assets for the purpose of satisfying its obligations to creditors, unless a motion for the dismissal of the petition or other action is filed within ten (10) days and results in its dismissal within sixty (60) days of the filing of the petition or other action.

(c) **Entry of a Material Judgment**

Any judgment is entered against the Borrower or any other Obligor, and the judgment may materially and adversely affect the value, use or operation of the Real Property, unless the judgment is satisfied or appealed within ten (10) Business Days. If the judgment is appealed, the Borrower shall comply with the provisions of Section 12 of this Deed of Trust as though the judgment lien were a lien described in that Section.

(d) **Other Defaults**

The Borrower fails to observe any promise or covenant made in this Deed of Trust, unless the failure results in a Default described elsewhere in this

Section 10, provided the Lender delivers written Notice to the Borrower of the existence of such an act, omission or circumstance, and that such an act, omission or circumstance shall constitute a Default under the Loan Documents unless the Borrower promptly initiates an effort to cure the potential Default, pursues the cure diligently and continuously, and succeeds in effecting the cure within one hundred twenty (120) days of its receipt of Notice. The Lender shall afford the Borrower an additional period of one hundred twenty (120) days in cases where construction or repair is needed to cure the potential Default, and the cure cannot be completed within the first one hundred twenty (120) day cure period. During the cure period, the Borrower has the obligation to provide on demand satisfactory documentation of its effort to cure, and, upon completion, evidence that the cure has been achieved. All notice and cure periods provided in this Deed of Trust shall run concurrently with any notice or cure periods provided by law and in any of the other Loan Documents.

11. RIGHT TO CURE

The Lender shall have the right to cure any Default. The expenses of doing so shall be part of the Indebtedness, and the Borrower shall pay them to the Lender on demand.

12. CONTEST RIGHTS

The Borrower may secure the right to contest impositions and construction, mechanics' or materialmen's liens, through appropriate proceedings conducted in good faith, by either (A) depositing with the Lender an amount equal to one hundred twenty five percent (125%) of the amount of the imposition or the lien, or (B) obtaining and maintaining in effect a bond issued by a surety acceptable to the Lender, in an amount equal to the greater of (i) the amount of a required deposit under clause (A) above, and (ii) the amount required by the surety or by the court in order to obtain a court order staying the foreclosure of the lien pending resolution of the dispute, and releasing the lien of record. The proceeds of such a bond must be payable directly to the Lender. The surety issuing such a bond must be acceptable to the Lender in its sole discretion. After such a deposit is made or bond issued, the Borrower shall promptly commence the contest of the lien and continuously pursue that contest in good faith and with reasonable diligence. If the contest of the related imposition or lien is unsuccessful, any deposits or bond proceeds shall be used to pay the imposition or to satisfy the obligation from which the lien has arisen. Any surplus shall be refunded to the Borrower.

13. DUE ON TRANSFER OR ENCUMBRANCE

Upon the sale or transfer of any portion of the Real Property or any other conveyance, transfer or vesting of any direct or indirect interest in the Borrower or the Property, including (i) the direct or indirect transfer of, or the granting of a security interest in, the ownership of the Borrower or the voting rights in the Borrower, (ii) any encumbrance (other than a Permitted Encumbrance) of the Real Property (unless the Borrower contests the encumbrance in compliance with Section 12), and (iii) the lease, license or granting of any security interest in the Personal Property, the Indebtedness shall, at the Lender's option, become immediately due and payable upon Notice to the Borrower, unless the sale, conveyance, transfer or vesting is a Permitted Transfer or is permitted by Section 8.6.

14. PERMITTED TRANSFERS

The following transfers and encumbrances shall constitute Permitted Transfers:

14.1 PERMITTED TRANSFER TO AN APPROVED PURCHASER

The Borrower shall have the right, on one occasion during the term of the Loan, to sell or transfer the Property in a transaction approved by the Lender. The Lender agrees that such a transfer shall be a Permitted Transfer if the following conditions are satisfied:

(a) No Default

No Default shall exist, and no act, omission or circumstance shall exist which, if uncured following Notice and the passage of time, would become a Default.

(b) Request and Supporting Materials

The Lender shall receive a written request for its approval at least forty-five (45) days before the proposed transfer. The request shall specify the identity of the proposed transferee and the purchase price and other terms of the transaction, shall include a copy of the proposed contract of sale, and shall be accompanied by the financial statements, tax returns, and organizational documents of the proposed transferee and its principals.

(c) Criteria to be Considered

The ownership structure, financial strength, credit history and demonstrated property management expertise of the proposed transferee, its principals, and any proposed Replacement Carveout Obligor(s) (as defined below) shall be satisfactory to the Lender in its sole discretion. The Lender expressly reserves the right to withhold its approval of the proposed transfer if the proposed transferee or any of its principals is or has been the subject of any bankruptcy, insolvency, or similar proceeding.

(d) Assumption Agreement

Under the terms of the proposed transfer, the proposed transferee shall assume the Loan, without modification, under the terms of an assumption agreement and additional documentation satisfactory to the Lender in form and substance. Under the assumption agreement, the transferee shall provide a representation as to the purchase price paid for the Real Property.

(e) Liability for Carveout Obligations

The following terms shall govern liability for accrued and future Carveout Obligations:

(i) The assuming party (the "New Borrower") and one or more replacement carveout obligors (collectively, the "Replacement Carveout Obligor") shall assume liability for accrued and future Carveout Obligations relating to environmental matters and for all Carveout Obligations that arise in connection with or after the assumption of the Loan.

(ii) The Borrower and the Carveout Obligor shall be released from liability for Carveout Obligations that arise after the date of the assumption of the Loan.

(f) **Payment Guarantee**

Under the terms of the assumption agreement and additional documentation, liability under the Payment Guarantee shall be assumed by an entity or entities that will have Legal Control of the Real Property following the transfer (the "Replacement Guarantor"). The Replacement Guarantor shall have been approved by the Lender.

(g) **Title Insurance Endorsement**

The Borrower shall agree to provide an endorsement to the Lender's mortgagee title insurance policy, insuring the continued validity and priority of this Deed of Trust following the assumption.

(h) **Assumption Fee**

The Lender shall receive an assumption fee of one percent (1%) of the outstanding balance of the Loan, and the Borrower shall agree to reimburse the Lender's out-of-pocket expenses incurred in connection with the proposed transfer, including title updates and endorsement charges, recording fees, any applicable taxes and attorneys' fees, regardless of whether the transfer is consummated.

14.2 PERMITTED TRANSFERS OF CERTAIN PASSIVE INTERESTS

Any transfer of direct or indirect interests in the Borrower that meets the requirements of this Subsection (a "Qualified Passive Interest Transfer") shall be a Permitted Transfer, and no transfer fee, assumption fee, processing fee or document review fee shall be charged in connection with the transfer. The requirements are the following:

(a) **Notice**

The Borrower shall deliver advance notice of the proposed transfer, together with evidence reasonably satisfactory to the Lender that the proposed transfer would meet the requirements of this Section. Such evidence shall include a narrative description and detailed pre- and post- transfer organizational charts of the Borrower.

(b) **Absence of Default**

No Default shall exist at the time of the transfer.

(c) **Absence of Violation**

The proposed transfer shall not result in any violation of the covenants of the Loan Documents relating to the management of the Real Property and Legal Control of the Borrower.

(d) Legal Control

Any Carveout Obligor that is not a natural person shall, after the transfer, remain an Affiliate of the Permitted Control Group Members who will exercise Legal Control of the Borrower after the transfer. For purposes of this paragraph, an entity is an "Affiliate" of a Permitted Control Group Member if it controls, is controlled by, or is under common control with the Permitted Control Group Member.

14.3 TRANSACTION COSTS

The Borrower shall pay all out-of-pocket expenses incurred by the Lender in the review and processing of a proposed or completed Permitted Transfer regardless of whether the Permitted Transfer is carried out.

15. NOTICE OF ABSOLUTE ASSIGNMENT OF LEASES AND RENTS

Under the Absolute Assignment of Leases and Rents, the Borrower has assigned to the Lender, and to its successors and assigns, all of the Borrower's right and title to, and interest in, the Leases, including all rights under the Leases and all benefits to be derived from them. The rights assigned include all authority of the Borrower to modify or terminate Leases, or to exercise any remedies, and the benefits assigned include all Rents. This assignment is present and absolute, but under the terms of the Absolute Assignment of Leases and Rents, the Lender has granted the Borrower a conditional license to collect and use the Rents, and to exercise the rights assigned, in a manner consistent with the Obligations, all as more particularly set forth in the Absolute Assignment of Leases and Rents. The Lender may, however, terminate the license by written Notice to the Borrower on certain conditions set forth in the Absolute Assignment of Leases and Rents.

16. ACCELERATION

If a Default exists, the Lender may, at its option, declare the unpaid principal balance of the Note to be immediately due and payable, together with all accrued interest on the Indebtedness, all costs of collection (including reasonable attorneys' fees and expenses) and all other charges due and payable by the Borrower under the Note or any other Loan Document. If the subject Default has arisen from a failure by the Borrower to make a regular monthly payment of principal and interest, the Lender shall not accelerate the Indebtedness unless the Lender shall have given the Borrower a cure period of at least three (3) Business Days following Notice of its intent to do so.

If the subject Default is curable and non-monetary in nature, the Lender shall exercise its option to accelerate only by giving Notice of acceleration to the Borrower. The Lender shall not give any such Notice of acceleration until (a) the Borrower has been given any required Notice of the prospective Default, and (b) any applicable cure period has expired.

Except as expressly described in this Section, no notice of acceleration shall be required in order for the Lender to exercise its option to accelerate the Indebtedness in the event of Default.

17. RIGHTS OF ENTRY AND TO OPERATE

17.1 ENTRY ON REAL PROPERTY

If a Default exists, the Lender may, to the extent permitted by law, enter upon the Real Property and take exclusive possession of the Real Property and of all books, records and accounts, all without Notice and without being guilty of trespass, but subject to the rights of tenants in possession under the Leases. If the Borrower remains in possession of all or any part of the Property after Default and without the Lender's prior written consent, the Lender may, without Notice to the Borrower, invoke any and all legal remedies to dispossess the Borrower.

17.2 OPERATION OF REAL PROPERTY

Following Default, the Lender may hold, lease, manage, operate or otherwise use or permit the use of the Real Property, either itself or by other persons, firms or entities, in such manner, for such time and upon such other terms as the Lender may deem to be prudent under the circumstances (making such repairs, alterations, additions and improvements thereto and taking any and all other action with reference thereto, from time to time, as the Lender deems prudent), and apply all Rents and other amounts collected by the Lender in accordance with the provisions of the Absolute Assignment of Leases and Rents.

18. RECEIVERSHIP

Following Default, the Lender may apply to a court of competent jurisdiction for the appointment of a receiver of the Property, ex parte without Notice to the Borrower, whether or not the value of the Property exceeds the Indebtedness, whether or not waste or deterioration of the Real Property has occurred, and whether or not other arguments based on equity would justify the appointment. With knowledge and for valuable consideration, the Borrower irrevocably consents to such an appointment.. Any such receiver shall have all the rights and powers customarily given to receivers in Utah, including the rights and powers granted to the Lender by this Deed of Trust, the power to maintain, lease, operate, market and sell the Real Property on terms approved by the court, and the power to collect the Rents and apply them to the Indebtedness or otherwise as the court may direct. Once appointed, a receiver may at the Lender's option remain in place until the Indebtedness has been paid in full.

19. FORECLOSURE; POWER OF SALE

19.1 AVAILABILITY OF REMEDIES

Upon Default, the Lender may immediately proceed to foreclose the lien of this Deed of Trust, against all or part of the Property, or to exercise the power of sale granted in this Deed of Trust by judicial or nonjudicial foreclosure, in accordance with the laws of Utah and may pursue any other remedy available to commercial mortgage lenders under the laws of Utah.

19.2 POWER-OF-SALE FORECLOSURE

Upon Default, either concurrently with, or independently of, exercise of the Lender's right to foreclose judicially, the Lender may elect to cause all or any part of the Property to be sold at a private foreclosure sale as follows:

(a) Classification of Property

The Lender may proceed as if all of the Property were Real Property, or may elect to treat any of the Property which consists of a right in action or which is property that in the opinion of the Lender can be severed from the Land or Improvements without causing structural damage as though the same were Personal Property, and dispose of it as Property subject to the UCC (as defined in Subsection 22.1), treating the remainder of the Property as Real Property.

(b) Timing of Foreclosure Sale

The Lender may cause any such sale or other disposition to be conducted immediately following the expiration of any cure period specified in this Deed of Trust as a precondition to the existence of a Default, or immediately upon the expiration of any redemption or reinstatement period required by law, or the Lender may delay any such sale or other disposition for such period of time as the Lender deems to be in its best interest. Should the Lender desire that more than one such sale or other disposition be conducted, the Lender may, at its option, cause it to be conducted simultaneously or successively, on the same day or at such different days or times and in such order as the Lender may deem to be in its best interests.

19.3 PROPERTY SUBJECT TO THE UCC

Should the Lender elect to cause any of the Property which is subject to the UCC to be disposed of, the Lender may at its discretion dispose of any part of such Property in any order or manner permitted by the UCC, or in accordance with any other remedy provided by applicable law, regardless of whether such Property is located on or about the Real Property. Any such disposition may be conducted by an employee or agent of the Lender or Trustee. The Borrower and the Lender shall be eligible to purchase any part or all of such property at any such disposition, which may be either public or private as the Lender may elect. The Lender shall also have the rights and remedies of a secured party under the UCC, or otherwise available at law or in equity.

Expenses of retaking, holding, preparing for sale, selling or the like shall be borne by the Borrower and shall include the Lender's and Trustee's reasonable attorneys' fees, costs and expenses, and shall not be limited to amounts provided as recoverable by statute. The Borrower, upon demand of the Lender, shall promptly assemble such Property and make it available to the Lender at the Real Property, a place which the Lender and the Borrower deem to be reasonable. The Lender shall give the Borrower at least five (5) days' prior written Notice of the time and place of any public sale or other disposition of such Property or of the time of or after which any private sale or other intended disposition is to be made, and if such Notice is sent to the Borrower, the Borrower acknowledges that it will constitute reasonable notice to the Borrower.

19.4 REAL PROPERTY

Should the Lender elect to sell all or part of the Real Property, the Lender or Trustee shall give such notice of default and election to sell as may then be required by applicable law. Thereafter, upon the expiration of such time and the giving of such notice, and without

the necessity of any demand on the Borrower, Trustee, at the time and place specified in the notice of sale, shall sell the Property or any portion thereof specified by the Lender, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may, and upon request of the Lender shall, from time to time, postpone any such sale by public announcement at the time and place noticed or fixed by the previous postponement. If the Property consists of several lots or parcels, the Lender may designate the order in which such lots or parcels shall be offered for sale or sold. The Borrower expressly waives its right to direct the order of sale.

19.5 TRUSTEE'S INSTRUMENT OF CONVEYANCE

Upon the completion of any sale made by Trustee or the Lender under this Section, Trustee or the Lender, as applicable, or any officer of any court empowered to do so shall execute and deliver to the accepted purchaser good and sufficient instruments conveying, assigning and transferring all estate, right, title and interest in and to the property and rights sold, but without any covenant or warranty whatsoever, express or implied, whereupon such purchaser shall be let into immediate possession. With respect to any sale made under or by virtue of this Section, Trustee is hereby irrevocably appointed the true and lawful attorney of the Borrower in its name and stead, with full power of substitution, to make all necessary conveyances, assignments, transfers and deliveries of the Property or any part thereof so sold and the rights so sold, and for that purpose Trustee may execute all necessary instruments of conveyance, assignment and transfer, and may substitute one or more persons with like power, the Borrower hereby ratifying and confirming all that its said attorney or any substitute or substitutes shall lawfully do by virtue thereof. Nevertheless, the Borrower, if so requested by Trustee or the Lender, shall ratify and confirm any such sale by executing and delivering to Trustee or to such purchaser all such instruments as may be advisable, in the judgment of Trustee or the Lender, for the purpose as may be designated in such request. Any sale made under or by virtue of this Section shall operate to divest all of the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of the Borrower in and to the properties and rights so sold, and shall be a perpetual bar, both at law and in equity against the Borrower and any and all persons claiming or who may claim the same, or any part thereof, from, through or under the Borrower.

The recitals in any such deed or instrument of conveyance of any matters or facts, including those of default and notice of sale, demand that such sale should be made, postponement of sale, terms of sale, sale, purchase, payment of purchase money and other facts affecting the regularity or validity of such sale or disposition, shall be conclusive proof of the truth of such facts; and any such deed or instrument of conveyance shall be conclusive against all persons as to such facts.

19.6 RIGHTS OF PURCHASER

The acknowledgment of the receipt of the purchase money contained in any deed or instrument of conveyance shall be sufficient to discharge the grantee from all obligations to see to the proper application of the consideration given. The purchaser at any such sale may disaffirm any easement granted or rental or lease contract made in violation of any

provision of this Deed of Trust, and may take immediate possession of the Property free from, and despite the terms of, such grant of easement and rental or lease contract.

19.7 THE LENDER'S BID AT FORECLOSURE SALE

Upon any sale made under this Section, whether made under the power of sale or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, the Lender may bid for and acquire all or part of the Property and, in lieu of paying cash, shall have the right to receive a credit on the Lender's bid in an amount not to exceed the amount representing the Indebtedness, advances for the payment of taxes, insurance and maintenance and protection of the Property, the Lender's lien on the Property and the expenses and costs of the sale, including reasonable trustee's and attorneys' fees. If it does so, this Deed of Trust, the Note and other documents evidencing the Indebtedness shall be presented to the person or persons conducting the sale so that the amount so used or applied may be credited to the Indebtedness.

19.8 JUDICIAL FORECLOSURE

Upon Default, the Lender may immediately proceed to foreclose the lien of this Deed of Trust against all or part of the Real Property by foreclosure sale, by prosecuting an action for judicial foreclosure (together with such other causes of action as the Lender may then elect to prosecute) in any court of competent jurisdiction.

19.9 RIGHT OF INSPECTION

The Borrower shall permit the Lender, and any prospective bidders in connection with a pending judicial or non-judicial foreclosure sale, and their respective agents, employees and consultants, to enter the Real Property at any reasonable time for the purpose of inspecting the same, and for the purpose of site investigation ("Site Investigation"), including investigation of the structural integrity of the Improvements, and the costs of such Site Investigation conducted by the Lender shall be due and payable on demand by the Borrower, and shall bear interest at the Default Rate until paid. Such Site Investigation shall not make the Lender a mortgagee in possession of the Real Property.

20. WAIVERS

To the maximum extent permitted by law, the Borrower irrevocably and unconditionally WAIVES and RELEASES any present or future rights (a) of reinstatement or redemption, (b) that may exempt the Property from any civil process, (c) to appraisal or valuation of the Property, (d) to extension of time for payment, (e) that may subject the Lender's exercise of its remedies to the administration of any decedent's estate or to any partition or liquidation action, (f) to any homestead and exemption rights provided by the Constitution and laws of the United States and of Utah, (g) to notice of acceleration or notice of intent to accelerate (other than as expressly stated herein), and (h) that in any way would delay or defeat the right of the Lender to cause the sale of the Real Property for the purpose of satisfying the Indebtedness. The Borrower agrees that the price paid at a lawful foreclosure sale, whether by the Lender or by a third party, and whether paid through cancellation of all or a portion of the Indebtedness or in cash, shall conclusively establish the value of the Real Property.

The foregoing waivers shall apply to and bind any party assuming the Obligations of the Borrower under this Deed of Trust.

21. EXCULPATION CLAUSE AND CARVEOUT OBLIGATIONS

The Borrower shall be fully and personally liable for the Indebtedness until such time as the Payment Guarantee, executed by the Guarantor as of even date herewith, has been released in accordance with its terms. Following the release, the Lender agrees that it shall not seek to enforce any monetary judgment with respect to any Obligation against the Borrower except through recourse to the Property, unless the Obligation from which the judgment arises is a Carveout Obligation. The Carveout Obligations include (a) the obligation to repay any portion of the Indebtedness that arises because the Lender has advanced funds or incurred expenses in respect of any of the "Carveouts" (as defined below), (b) the obligation to repay the entire Indebtedness, if the Lender's exculpation of the Borrower from personal liability under this Section has become void as set forth below, (c) the obligation to indemnify the Lender in respect of its actual damages suffered in connection with a Carveout, and (d) the obligation to defend and hold the Lender harmless from and against any claims, judgments, causes of action or proceedings arising from a Carveout.

21.1 THE CARVEOUTS

The Carveouts are:

- (a) Fraud or material written misrepresentation.
- (b) Waste of the Property (which shall include damage, destruction or disrepair of the Real Property caused by a willful act or grossly negligent omission of the Borrower, but shall exclude ordinary wear and tear in the absence of gross negligence).
- (c) Misappropriation of tenant security deposits (including proceeds of tenant letters of credit), Insurance Proceeds or Condemnation Proceeds.
- (d) Failure to turn over to the Lender all tenant security deposits and tenant letters of credit required to be held by the Borrower under the terms of the Leases on or prior to the date on which the Lender receives title to the Real Property following the foreclosure of its lien or by delivery of the deed in lieu of foreclosure.
- (e) Failure to pay property taxes, assessments or other lienable Impositions to the taxing authority prior to their due date or to the Lender to the extent such Impositions have accrued on the date the Lender receives title to the Real Property following the foreclosure of its lien or by delivery of the deed in lieu of foreclosure.
- (f) Failure to maintain insurance coverage that meets the requirements set forth in the Loan Documents.
- (g) The cost to the Lender of the forced placement of insurance, as permitted under the Loan Documents.
- (h) Failure to pay to the Lender all Rents, income and profits (including any rent collected more than one (1) month in advance, or any rent for the last month of the lease term, under any Lease in force at the time of Default), net of reasonable and customary operating expenses, received in respect of a period when the Loan is in Default.

- (i) Removal from the Real Property of Fixtures or Personal Property, unless replaced in a commercially reasonable manner.
- (j) The out-of-pocket expenses of enforcing the Loan Documents following Default, not including expenses incurred after the Lender has received a Qualified Offer.
- (k) Executing, terminating or amending a Lease in violation of the Loan Documents.
- (l) Any liability of the Borrower under the Environmental Indemnity Agreement.

21.2 EXCULPATION VOID

The Lender's exculpation of the Borrower from personal liability for the repayment of the Indebtedness shall be void without Notice if any of the following occurs:

- (a) The Borrower voluntarily transfers the Property or creates any material voluntary lien on the Property in violation of this Deed of Trust.
- (b) The Borrower causes or allows the filing of an involuntary bankruptcy petition under Title 11 of the United States Code in collusion with creditors other than the Lender.
- (c) The Borrower files a voluntary petition for reorganization under Title 11 of the United States Code (or under any other present or future law, domestic or foreign, relating to bankruptcy, insolvency, reorganization proceedings or otherwise similarly affecting the rights of creditors), and has not made a Qualified Offer prior to the filing.
- (d) After the Lender accepts a Qualified Offer, the Borrower defaults in fulfilling the terms of the accepted Qualified Offer.

23.2 ENVIRONMENTAL COVENANTS

The Borrower covenants as follows:

(a) Compliance with Environmental Laws

23.4 INDEMNIFICATION

The Borrower shall be solely responsible for, and shall indemnify, defend, and hold harmless the Lender, the Trustee, and their respective directors, officers, employees, agents, successors and assigns, from and against, any claim, judgment, loss, damage, demand, cost, expense or liability of whatever kind or nature, known or unknown, contingent or otherwise, directly or indirectly arising out of or attributable to the use,

generation, storage, release, threatened release, discharge, disposal, or presence (whether prior to or after the Effective Date of this Deed of Trust) of Hazardous Substances on, in, under or about the Real Property (whether by the Borrower, a predecessor in title, any tenant, or any employees, agents, contractor or subcontractors of any of the foregoing or any third persons at any time occupying or present on the Real Property), including: (i) personal injury; (ii) death; (iii) damage to property; (iv) all consequential damages; (v) the cost of any required or necessary repair, cleanup or detoxification of the Real Property, including the soil and ground water thereof, and the preparation and implementation of any closure, remedial or other required plans; (vi) damage to any natural resources; and (vii) all reasonable costs and expenses incurred by the Lender or the Trustee in connection with clauses (i) through (vi), including reasonable attorneys' and consultants' fees; provided, however, that nothing contained in this Section shall be deemed to preclude the Borrower from seeking indemnification from, or otherwise proceeding against, any third party including any tenant or predecessor in title to the Real Property, and further provided that this indemnification will not extend to matters caused by the Lender's gross negligence or willful misconduct, or arising from a release of Hazardous Substances which occurs after the Lender has taken possession of the Real Property, so long as the Borrower has not caused the release through any act or omission. The covenants, agreements, and indemnities set forth in this Section shall be binding upon the Borrower and its heirs, personal representatives, successors and assigns, and shall survive repayment of the Indebtedness, foreclosure of the Real Property, and the Borrower's granting of a deed to the Real Property. Payment shall not be a condition precedent to this indemnity. Any costs or expenses incurred by the Lender or the Trustee for which the Borrower is responsible or for which the Borrower has indemnified the Lender shall be paid to the Lender on demand, with interest at the Default Rate from the date incurred by the Lender until paid in full, and shall be secured by this Deed of Trust. Without the prior written consent of the Lender, the Borrower shall not enter into any settlement agreement, consent decree, or other compromise in respect to any claims relating to Hazardous Substances. The Lender agrees that it shall not unreasonably delay its consideration of any written request for its consent to any such settlement agreement, consent decree, or other compromise once all information, reports, studies, audits, and other documentation have been submitted to the Lender.

23.5 ENVIRONMENTAL AUDITS

If a Default exists, or at any time the Lender has reason to believe that a release of Hazardous Substances may have occurred or may be likely to occur, the Lender may require that the Borrower retain, or the Lender may retain directly, at the sole cost and expense of the Borrower, a licensed geologist, industrial hygienist or an environmental consultant acceptable to the Lender to conduct an environmental assessment or audit of the Real Property, the scope of which shall be within the sole discretion of Lender and may include, without limitation, soil and groundwater sampling and laboratory analysis. In the event that the Lender makes a reasonable determination of the need for an environmental assessment or audit, the Lender shall inform the Borrower in writing that such a determination has been made and, if requested to do so by the Borrower, give the Borrower a written explanation of that determination before the assessment or audit is conducted. The Borrower shall afford any person conducting an environmental

assessment or audit access to the Real Property and all materials reasonably requested. The Borrower shall pay on demand the cost and expenses of any environmental consultant engaged by the Lender under this Subsection. The Borrower shall, at the Lender's request and at the Borrower's sole cost and expense, take such investigative and remedial measures, as the Lender determines to be necessary to address any condition discovered by the assessment or audit so that (i) the Real Property shall be in compliance with all Environmental Laws, (ii) the condition of the Real Property shall not constitute any identifiable risk to human health or to the environment, and (iii) the value of the Real Property shall not be affected by the presence of Hazardous Substances.

24. CONCERNING THE TRUSTEE

24.1 NO LIABILITY

If the Trustee or anyone acting by virtue of the Trustee's powers enters the Real Property, the Trustee will not be personally liable for debts contracted or for liability or damages incurred in the management or operation of the Real Property. The Trustee will have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by the Trustee or believed by the Trustee in good faith to be genuine. The Trustee will be entitled to reimbursement for expenses actually incurred by the Trustee in the performance of the Trustee's duties and to reasonable compensation for services rendered. The Borrower shall, from time to time, pay compensation due the Trustee under this Deed of Trust and reimburse the Trustee for and save and hold the Trustee harmless from and against any and all loss, cost, liability, damage and expense whatsoever incurred by the Trustee in the performance of the Trustee's duties.

24.2 RETENTION OF MONEY

All money received by the Trustee must, until used or applied, be held in trust for the purposes for which it was received, but need not be segregated in any manner from any other money (except to the extent required by law) and the Trustee will have no liability for interest on any money received.

24.3 SUCCESSOR TRUSTEES

The Trustee may resign by giving notice of such resignation in writing to the Lender. If the Trustee's legal existence shall cease or if the Trustee resigns or becomes disqualified from acting in the execution of this Trust or fails or refuses to exercise the same when requested by the Lender so to do or if for any reason and without cause the Lender prefers to appoint a substitute trustee to act instead of the original Trustee, or any prior successor or substitute trustee, the Lender will have full power to appoint a substitute trustee and, if preferred, several substitute trustees in succession who shall succeed to all the estates, rights, powers and duties of the Trustee.

24.4 SUCCESSION INSTRUMENTS

Any new Trustee appointed will, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers and trusts of the Trustee's predecessor. Upon the written request of the Lender or of any successor trustee, the former Trustee shall execute and deliver an instrument transferring to such successor

Trustee all the estates, properties, rights, powers and trusts of the former Trustee, and shall duly assign, transfer and deliver any of the property and money held by the former Trustee to the successor Trustee so appointed in the former Trustee's place.

24.5 PERFORMANCE OF DUTIES BY AGENTS

The Trustee may authorize one or more parties to act on the Trustee's behalf to perform the Trustee's ministerial functions, including, without limitation, the transmittal and posting of any notices.

25. LOAN INFORMATION

25.1 DISSEMINATION OF INFORMATION

In connection with any transfer of the Loan or Participation, the Lender may forward any documents and information that the Lender now has or acquires in the future concerning the Loan, including the financial statements of any Obligor, and such other information as may be reasonably related to the Obligors, the Property or the Leases to any transferee or prospective transferee of the Loan or Participation, or other party involved in the transaction, or to any of their consultants, attorneys, advisors or other representatives, and the Borrower waives any legal right it may have to prohibit such disclosure.

25.2 COOPERATION

The Borrower, any guarantor and any Carveout Obligor shall cooperate with the Lender in connection with any transfer of the Loan or any Participation. The Borrower agrees to provide to the Lender or to any persons to whom the Lender may disseminate such information, at the Lender's request, financial statements of Obligors, an estoppel certificate and such other documents as may be reasonably related to any Obligor, the Property, or the Leases, including, without limitation, any historical information on the Real Property that is in the Borrower's possession or is reasonably obtainable by the Borrower.

25.3 RESERVES/ESCROWS

The Lender shall have the right, if required by the transferee of the Loan or any Participation, to cause funds held by the Lender in escrow or as reserves to be transferred to deposit or investment accounts at creditworthy financial institutions, to be held or used in accordance with the Loan Documents.

26. MISCELLANEOUS

All of the terms of the Loan Documents shall apply to, be binding upon and inure to the benefit of the heirs, personal representatives, successors and assigns of the Obligors, or to the holder of the Note, as the case may be.

26.2 SURVIVAL OF OBLIGATIONS

Each and all of the Obligations shall continue in full force and effect until the latest of (a) the date the Indebtedness has been paid in full and the Obligations have been performed and satisfied in full, (b) the last date permitted by law for bringing any claim

or action with respect to which the Lender may seek payment or indemnification in connection with the Loan Documents, and (c) the date on which any claim or action for which the Lender seeks payment or indemnification is fully and finally resolved and, if applicable, any compromise thereof of judgment or award thereon is paid in full.

26.3 FURTHER ASSURANCES

The Borrower, upon the request of the Lender or the Trustee, shall complete, execute, acknowledge, deliver and record or file such further instruments and do such further acts as may be necessary to carry out more effectively the purposes of this Deed of Trust, to subject any property intended to be covered by this Deed of Trust to the mortgage and security interests it creates, to place third parties on notice of the mortgage and security interests, or to correct any defects which may be found in any Loan Document.

26.4 RIGHT OF INSPECTION

The Lender shall have the right from time to time, upon reasonable advance notice to the Borrower, to enter onto the Real Property for the purpose of inspecting and reporting on its physical condition, tenancy and operations.

26.5 EXPENSE INDEMNIFICATION

The Borrower shall pay all filing and recording fees, documentary stamps, intangible taxes, and all expenses incident to the execution and acknowledgment of this Deed of Trust, the Note or any of the other Loan Documents, any supplements, amendments, renewals or extensions of any of them, or any instrument entered into under Subsection 26.3. The Borrower shall pay or reimburse the Lender, upon demand, for all costs and expenses, including appraisal and reappraisal costs of the Property and reasonable attorneys' and legal assistants' fees, which the Lender may incur in connection with enforcement proceedings under the Note, this Deed of Trust, or any of the other Loan Documents (including all fees and costs incurred in enforcing or protecting the Note, this Deed of Trust, or any of the other Loan Documents in any bankruptcy proceeding), and attorneys' and legal assistants' fees incurred by the Lender in any other suit, action, legal proceeding or dispute of any kind in which the Lender is made a party or appears as party plaintiff or defendant, affecting the Indebtedness, the Note, this Deed of Trust, any of the other Loan Documents, or the Property, or required to protect or sustain this Deed of Trust. The Borrower shall be obligated to pay (or to reimburse the Lender) for such fees, costs and expenses and shall indemnify and hold the Lender and the Trustee harmless from and against any and all loss, cost, expense, liability, damage and claims and causes of action, including attorneys' fees, incurred or accruing by reason of the Borrower's failure to promptly repay any such fees, costs and expenses. If any suit or action is brought to enforce or interpret any of the terms of this Deed of Trust (including any effort to modify or vacate any automatic stay or injunction, any trial, any appeal, any petition for review or any bankruptcy proceeding), the Lender shall be entitled to recover all expenses reasonably incurred in preparation for or during the suit or action or in connection with any appeal of the related decision, whether or not taxable as costs. Such expenses include reasonable attorneys' fees, witness fees (expert or otherwise), deposition costs, copying charges and other expenses. Whether or not any court action is involved, all reasonable expenses, including the costs of searching records,

obtaining title and credit reports, appraisals, environmental assessments, surveying costs, title insurance premiums, trustee fees, and other reasonable attorneys' fees, incurred by the Lender that are necessary at any time in the Lender's opinion for the protection of its interest or enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the interest rate as provided in the Note.

26.6 GENERAL INDEMNIFICATION

The Borrower shall indemnify, defend and hold the Lender (together with its officers, directors and employees) harmless against: (i) any and all claims for brokerage, leasing, finder's or similar fees which may be made relating to the Real Property or the Indebtedness, and (ii) any and all liability, obligations, losses, damages, penalties, claims, actions, suits, costs and expenses (including the Lender's reasonable attorneys' fees, costs and expenses, together with reasonable appellate counsel fees, costs and expenses, if any) of whatever kind or nature which may be asserted against, imposed on or incurred by the Lender in connection with the Indebtedness, this Deed of Trust, the Real Property or any part thereof, or the operation, maintenance and/or use thereof, or the exercise by the Lender of any rights or remedies granted to it under this Deed of Trust or pursuant to applicable law; provided, however, that nothing herein shall be construed to obligate the Borrower to indemnify, defend and hold harmless the Lender from and against any of the foregoing which is imposed on or incurred by the Lender by reason of the Lender's willful misconduct or gross negligence.

26.7 RECORDING AND FILING

The Borrower shall cause this Deed of Trust and all amendments, supplements, and substitutions to be recorded, filed, re-recorded and re-filed in such manner and in such places as the Lender may reasonably request. The Borrower will pay all recording filing, re-recording and re-filing taxes, fees and other charges.

26.8 NO WAIVER

No deliberate or unintentional failure by the Lender to require strict performance by the Borrower of any Obligation shall be deemed a waiver, and the Lender shall have the right at any time to require strict performance by the Borrower of any Obligation.

26.9 COVENANTS RUNNING WITH THE LAND

All Obligations are intended by the parties to be and shall be construed as covenants running with the Land.

26.10 SEVERABILITY

The Loan Documents are intended to be performed in accordance with, and only to the extent permitted by, all applicable Legal Requirements. Any provision of the Loan Documents that is prohibited or unenforceable in any jurisdiction shall nevertheless be construed and given effect to the extent possible. The invalidity or unenforceability of any provision in a particular jurisdiction shall neither invalidate nor render unenforceable any other provision of the Loan Documents in that jurisdiction, and shall not affect the validity or enforceability of that provision in any other jurisdiction. If a provision is held

to be invalid or unenforceable as to a particular person or under a particular circumstance, it shall nevertheless be presumed valid and enforceable as to others, or under other circumstances.

26.11 USURY

The parties intend that no provision of the Note or the Loan Documents be interpreted, construed, applied, or enforced so as to permit or require the payment or collection of interest in excess of the Maximum Permitted Rate. In this regard, the Borrower and the Lender each stipulate and agree that it is their common and overriding intent to contract in strict compliance with applicable usury laws. Accordingly, none of the terms of this Deed of Trust, the Note or any of the other Loan Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the Maximum Permitted Rate, and the Borrower shall never be liable for interest in excess of the Maximum Permitted Rate. Therefore, (a) in the event that the Indebtedness and Obligations are prepaid or the maturity of the Indebtedness and Obligations is accelerated by reason of an election by the Lender, unearned interest shall be canceled and, if theretofore paid, shall either be refunded to the Borrower or credited on the Indebtedness, as the Lender may elect; (b) the aggregate of all interest and other charges constituting interest under applicable laws and contracted for, chargeable or receivable under the Note and the other Loan Documents or otherwise in connection with the transaction contemplated thereby shall never exceed the maximum amount of interest, nor produce a rate in excess of the Maximum Permitted Rate; and (c) if any excess interest is provided for or received, it shall be deemed a mistake, and the same shall, at the option of the Lender, either be refunded to the Borrower or credited on the unpaid principal amount (if any), and the Indebtedness shall be automatically reformed so as to permit only the collection of the interest at the Maximum Permitted Rate. Furthermore, if any provision of the Note or any of the other Loan Documents is interpreted, construed, applied, or enforced, in such a manner as to provide for interest in excess of the Maximum Permitted Rate, then the parties intend that such provision automatically shall be deemed reformed retroactively so as to require payment only of interest at the Maximum Permitted Rate. If, for any reason whatsoever, interest paid or received during the full term of the applicable Indebtedness produces a rate which exceeds the Maximum Permitted Rate, then the amount of such excess shall be deemed credited retroactively in reduction of the then outstanding principal amount of the Indebtedness, together with interest at such Maximum Permitted Rate. The Lender shall credit against the principal of such Indebtedness (or, if such Indebtedness shall have been paid in full, shall refund to the payor of such interest) such portion of said interest as shall be necessary to cause the interest paid to produce a rate equal to the Maximum Permitted Rate. All sums paid or agreed to be paid to the Lender for the use, forbearance or detention of money shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread in equal parts throughout the full term of the applicable Indebtedness, so that the interest rate is uniform throughout the full term of such Indebtedness. In connection with all calculations to determine the Maximum Permitted Rate, the parties intend that all charges be excluded to the extent they are properly excludable under applicable usury laws, as they from time to time are determined to apply to this transaction. The provisions of this Section shall control all agreements,

whether now or hereafter existing and whether written or oral, between the Borrower and the Lender.

26.12 ENTIRE AGREEMENT

The Loan Documents contain the entire agreements between the parties relating to the financing of the Real Property, and all prior agreements which are not contained in the Loan Documents are terminated. The Loan Documents represent the final agreement between the parties and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. The Loan Documents may be amended, revised, waived, discharged, released or terminated only by a written instrument or instruments executed by the party against whom enforcement of the amendment, revision, waiver, discharge, release or termination is asserted. Any alleged amendment, revision, waiver, discharge, release or termination that is not so documented shall be null and void.

26.15 COUNTERPARTS

This Deed of Trust may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute but one instrument.

26.16 CHOICE OF LAW

This Deed of Trust shall be interpreted, construed, applied, and enforced according to, and will be governed by, the laws of Utah, without regard to any choice of law principle which, but for this provision, would require the application of the law of another jurisdiction and regardless of where executed or delivered, where payable or paid, where any cause of action accrues in connection with this transaction, where any action or other proceeding involving the Loan is instituted, or whether the laws of Utah otherwise would apply the laws of another jurisdiction.

26.17 FORUM SELECTION

The Borrower agrees that the sole and exclusive forum for the determination of any action relating to the validity and enforceability of the Note, this Deed of Trust and the other Loan Documents, and any other instruments securing the Note shall be either in an appropriate court of the State of Utah or the applicable United States District Court.

26.18 SOLE BENEFIT

This Deed of Trust and the other Loan Documents have been executed for the sole benefit of the Borrower, Guarantor and the Lender and the successors and assigns of the Lender. No other party shall have rights thereunder or be entitled to assume that the parties thereto will insist upon strict performance of their mutual obligations hereunder, any of which may be waived from time to time. Neither the Borrower nor Guarantor shall have any right to assign any of its rights under the Loan Documents to any party whatsoever.

26.19 RELEASE OF CLAIMS

The Borrower hereby RELEASES, DISCHARGES and ACQUITS forever the Lender and the Trustee and their officers, directors, trustees, agents, employees and counsel (in each case, past, present or future) from any and all Claims existing as of the Effective Date (or the date of actual execution hereof by the Borrower, if later). As used herein, the term "Claim" shall mean any and all liabilities, claims, defenses, demands, actions, causes of action, judgments, deficiencies, interest, liens, costs or expenses (including court costs, penalties, attorneys' fees and disbursements, and amounts paid in settlement) of any kind and character whatsoever, including claims for usury, breach of contract, breach of commitment, negligent misrepresentation or failure to act in good faith, in each case whether now known or unknown, suspected or unsuspected, asserted or unasserted or primary or contingent, and whether arising out of written documents, unwritten undertakings, course of conduct, tort, violations of laws or regulations or otherwise.

26.20 NO PARTNERSHIP

Nothing contained in the Loan Documents is intended to create any partnership, joint venture or association between the Borrower and the Lender, or in any way make the Lender a co-principal with the Borrower with reference to the Property.

26.21 PAYOFF PROCEDURES

If the Borrower pays or causes to be paid to the Lender all of the Indebtedness, then the Trustee's interest in the Real Property shall cease, and upon receipt by the Lender of such payment, the Lender shall either (a) cancel this Deed of Trust, or (b) assign the Loan Documents and endorse the Note (in either case without recourse or warranty of any kind) to a takeout lender, upon payment (in the latter case) of an administrative fee of Two Thousand Five Hundred Dollars (\$2,500) plus all out-of-pocket expenses incurred by the Lender in connection with such cancellation or assignment.

26.22 FUTURE ADVANCES

Under this Deed of Trust, "Indebtedness" is defined to include certain advances made by the Lender in the future. Such advances include any additional disbursements to the Borrower (unless in connection with another, independent mortgage financing) and any obligations under agreements which specifically provide that such obligations are secured by this Deed of Trust. In addition, "Indebtedness" is defined to include any amounts advanced to pay Impositions, to cure Defaults, or to pay the costs of collection and receivership. Accordingly, all such advances and obligations shall be equally secured with, and shall have the same priority as, the Indebtedness, and shall be subject to all of the terms and provisions of this Deed of Trust. However, the Indebtedness secured by this Deed of Trust shall not exceed an amount equal to a maximum principal balance of Thirty-Four Million Four Hundred Thousand Dollars (\$34,400,000), plus accrued interest and advances by the Lender in respect of Impositions, or to cure any Default. The Borrower shall pay any taxes that may be due in connection with any such future advance.

26.23 DEFEASANCE

This Deed of Trust is made upon the conditions that if (a) all of the Indebtedness and Obligations, including all future advances and other future indebtednesses, obligations and liabilities included therein, are paid and performed in full, (b) the Borrower reimburses the Lender for any amounts the Lender shall have paid in respect of liens, Impositions, prior mortgages, insurance premiums, repairing or maintaining the Real Property, performing the Borrower's obligations under any Lease, performing the Borrower's obligations with respect to environmental matters, and for any other advancements hereunder, and interest thereon, (c) the Borrower fulfills all of the Borrower's other Obligations, (d) the Lender has no obligation to extend any further credit to or for the account of the Borrower, and (e) no contingent liability of the Borrower secured by this Deed of Trust then exists, this conveyance shall be null and void upon the filing by the Lender of the written instrument of termination described in Section 26.24.

26.24 SATISFACTION

This Deed of Trust and the Beneficiary's security interest under this Deed of Trust in the Real Property will not be terminated until a written reconveyance instrument requested by one of the Lender's officers is filed for record in the county in which the Land is located. Except as otherwise expressly provided in this Deed of Trust, no satisfaction of this Deed of Trust shall in any way affect or impair the representations, warranties, agreements or other obligations of the Borrower or the powers, rights and remedies of the Lender under this Deed of Trust with respect to any transaction or event occurring prior to such satisfaction, all of which shall survive such satisfaction.

26.25 DATE

The date of this Deed of Trust is intended as a date for the convenient identification of this Deed of Trust and is not intended to indicate that this Deed of Trust was executed and delivered on that date.

26.26 INTERPRETATION

(a) Headings and General Application

The section, subsection, paragraph and subparagraph headings of this Deed of Trust are provided for convenience of reference only and shall in no way affect, modify or define, or be used in construing, the text of the sections, subsections, paragraphs or subparagraphs. If the text requires, words used in the singular shall be read as including the plural, and pronouns of any gender shall include all genders.

(b) Sole Discretion

The Lender may take any action or decide any matter under the terms of this Deed of Trust or of any other Loan Document (including any consent, approval, acceptance, option, election or authorization) in its sole and absolute discretion, for any reason or for no reason, unless the related Loan Document contains

specific language to the contrary. Any approval or consent that the Lender might withhold may be conditioned in any way.

(c) **Result of Negotiations**

This Deed of Trust and all other Loan Documents result from negotiations between the Borrower and the Lender and from their mutual efforts. Therefore, it shall be so construed, and not as though it had been prepared solely by the Lender.

(d) **Reference to Particulars**

The scope of a general statement made in this Deed of Trust or in any other Loan Document shall not be construed as having been reduced through the inclusion of references to particular items that would be included within the statement's scope. Therefore, unless the relevant provision of a Loan Document contains specific language to the contrary, the term "include" shall mean "include, but shall not be limited to" and the term "including" shall mean "including, without limitation."

26.27 INDEBTEDNESS MAY EXCEED NOTE'S FACE AMOUNT

The Borrower's successors or assigns are hereby placed on Notice that the Note contains late charge, prepayment and other provisions which may result in the outstanding principal balance exceeding the face amount of the Note.

26.28 JOINT AND SEVERAL LIABILITY

If there is more than one individual or entity executing this Deed of Trust as the Borrower, liability of such individuals and entities under this Deed of Trust shall be joint and several.

26.29 TIME OF ESSENCE

Time is of the essence of each and every covenant, condition and provision of this Deed of Trust to be performed by the Borrower.

26.30 JURY WAIVER

THE BORROWER AND BY ITS ACCEPTANCE HEREOF, THE LENDER, HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS (I) UNDER THIS DEED OF TRUST OR ANY OTHER LOAN DOCUMENT, OR (II) ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH THIS DEED OF TRUST OR ANY OTHER LOAN DOCUMENT, AND THE BORROWER AND BY ITS ACCEPTANCE HEREOF, THE LENDER, AGREE THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A JUDGE AND NOT BEFORE A JURY.

26.31 RENEWAL, EXTENSION, MODIFICATION AND WAIVER

The Lender may enter into a modification of any Loan Document or of the Environmental Indemnity Agreement without the consent of any person not a party to the document being modified. The Lender may waive any covenant or condition of any Loan

Document or of the Environmental Indemnity Agreement, in whole or in part, at the request of any person then having an interest in the Property or in any way liable for any part of the Indebtedness. The Lender may take, release, or resort to any security for the Note and the Obligations and may release any party primarily or secondarily liable on any Loan Document or on the Environmental Indemnity Agreement, all without affecting any liability not expressly released in writing by the Lender.

26.32 CUMULATIVE REMEDIES

Every right and remedy provided in this Deed of Trust shall be cumulative of every other right or remedy of the Lender, whether conferred by law or by grant or contract, and may be enforced concurrently with any such right or remedy. The acceptance of the performance of any obligation to cure any Default shall not be construed as a waiver of any rights with respect to any other past, present or future Default. No waiver in a particular instance of the requirement that any Obligation be performed shall be construed as a waiver with respect to any other Obligation or instance.

26.33 NO OBLIGATION TO MARSHAL ASSETS

No holder of any deed of trust, security interest or other encumbrance affecting all or any portion of the Real Property, which encumbrance is inferior to the mortgage and security interest of this Deed of Trust, shall have any right to require the Lender to marshal assets.

26.34 TRANSFER OF OWNERSHIP

The Lender may, without notice to the Borrower, deal with any person in whom ownership of any part of the Real Property has vested, without in any way vitiating or discharging the Borrower from liability for any of the Obligations.

26.35 ACKNOWLEDGEMENT OF RECEIPT

BORROWER HEREBY DECLARES AND ACKNOWLEDGES THAT BORROWER HAS RECEIVED WITHOUT CHARGE, A TRUE COPY OF THIS DEED OF TRUST.

[Signature appears on following page]

IN WITNESS WHEREOF, the Borrower has caused this Deed of Trust to be duly executed on the date of the acknowledgement of the Borrower's signature below, to be effective as of the Effective Date.
