IN TRUST, WITH POWER OF SALE, and with right of entry and possession, to secure the payment of the Indebtedness at the time and in the manner provided for its payment in the Notes and in this Deed of Trust;

PROVIDED, HOWEVER, these presents are upon the express condition, if Trustor shall well and truly pay to Beneficiary the Indebtedness at the time and in the manner provided in the Notes and this Deed of Trust and shall well and truly abide by and comply with each and every covenant and condition set forth herein, in the Notes and in the other Loan Documents, these presents and the estate hereby granted shall cease, terminate and be void;

AND Trustor represents and warrants to and covenants and agrees with Beneficiary and Trustee as follows:

PART I - GENERAL PROVISIONS

1. Payment of Indebtedness and Incorporation of Covenants, Conditions and Agreements. Trustor shall pay the Indebtedness at the time and in the manner provided in the Notes, this Deed of Trust and the other Loan Documents. All the covenants, conditions and agreements contained in the Notes and the other Loan Documents are hereby made a part of this Deed of Trust to the same extent and with the same force as if fully set forth herein.

2. Warranty of Title. Trustor has good and marketable title to the Trust Property; Trustor has the right to deed, give, grant, bargain, sell, alienate, enfeoff, convey, confirm, pledge, lease, assign, hypothecate and grant a security interest in the Trust Property; Trustor possesses an indefeasible fee estate in the Real Property; and Trustor owns the Trust Property free and clear of all liens, encumbrances and charges whatsoever except those exceptions shown in the title insurance policy insuring the lien of this Deed of Trust (this Deed of Trust and the liens, encumbrances and charges shown as exceptions in such title policy, hereinafter collectively referred to as the "Permitted Encumbrances"). Trustor shall forever warrant, defend and preserve such title and the validity and priority of the lien of this Deed of Trust and shall forever warrant and defend the same to Beneficiary and Trustee against the claims of all persons whomsoever.

3. Insurance; Casualty.

(a) Trustor, at its sole cost and expense, shall keep the Trust Property insured during the term of this Deed of Trust for the mutual benefit of Trustor, Trustee and Beneficiary against loss or damage by any peril covered by a standard "special perils" or "all-risk-of-physical-loss" insurance policy including, without limitation, riot and civil commotion, acts of terrorism, vandalism, malicious mischief, burglary, theft and mysterious disappearance in an amount (i) equal to at least one hundred percent (100%) of the then "full replacement cost" of the Improvements and Equipment, without deduction for physical

RIC Loan No. 529678:51

depreciation and (ii) such that the insurer would not deem Trustor a coinsurer under such policies. The policies of insurance carried in accordance with this Paragraph 3 shall be paid annually in advance and shall contain the "Replacement Cost Endorsement" with a waiver of depreciation, and shall have a deductible no greater than \$50,000 unless so agreed by Beneficiary. In addition, Beneficiary may, at its option, retain the services of a firm to monitor the policies of insurance for conformance with this Deed of Trust, the cost of which shall be borne by Trustor.

(b) Trustor, at its sole cost and expense, for the mutual benefit of Trustor, Trustee and Beneficiary, shall also obtain and maintain during the term of this Deed of Trust the following policies of insurance:

(i) Flood insurance if any part of the Real Property is located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (and any successor act thereto) in an amount at least equal to the outstanding principal amount of the Notes or the maximum limit of coverage available with respect to the Improvements and Equipment under said Act, whichever is less.

(ii) Comprehensive public liability insurance, including broad form property damage, blanket contractual and personal injuries (including death resulting therefrom) coverages.

(iii) Rental loss insurance in an amount equal to at least one hundred percent (100%) of the aggregate annual amount of all rents and additional rents payable by all of the tenants under the Leases (whether or not such Leases are terminable in the event of a fire or casualty), such rental loss insurance to cover rental losses for a period of at least one (1) year after the date of the fire or casualty in question. The amount of such rental loss insurance shall be increased from time to time during the term of this Deed of Trust as and when new Leases and renewal Leases are entered into in accordance with the terms of this Deed of Trust, to reflect all increased rent and increased additional rent payable by all of the tenants under such renewal Leases and all rent and additional rent payable by all of the tenants under such new Leases.

(iv) Insurance against loss or damage from explosion of steam boilers, air conditioning equipment, high pressure piping, machinery and equipment, pressure vessels or similar apparatus now or hereafter installed in the Improvements.

(v) Such other insurance (including, without limitation, earthquake insurance) as may from time to time be reasonably required by Beneficiary in order to protect its interests or, in the event of a Secondary Market Transaction, as required by the Rating Agencies (as such terms are hereinafter defined).

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

(c) All policies of insurance (the "Policies") required pursuant to this Paragraph 3 (i) shall be issued by an insurer satisfactory to Beneficiary (and, in the event of a Secondary Market Transaction, to the Rating Agencies), (ii) shall contain the standard New York mortgagee non-contribution clause, or other mortgagee clause from the applicable insurer reasonably satisfactory to Beneficiary, naming Beneficiary as the person to which all payments made by such insurance company shall be paid, (iii) shall be maintained throughout the term of this Deed of Trust without cost to Beneficiary, (iv) shall be delivered to Beneficiary, (v) shall contain such provisions as Beneficiary deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Trustor, Trustee, Beneficiary nor any other party shall be a co-insurer under such Policies and that Beneficiary shall receive at least thirty (30) days prior written notice of any modification or cancellation and (vi) shall be satisfactory in form and substance to Beneficiary (and, in the event of a Secondary Market Transaction, to the Rating Agencies) and shall be approved by Beneficiary (and, in the event of a Secondary Market Transaction, by the Rating Agencies) as to amounts, form, risk coverage, deductibles, loss payees and insureds. All amounts recoverable thereunder are hereby assigned to Beneficiary. Not later than thirty (30) days prior to the expiration date of each of the Policies, Trustor will deliver to Beneficiary satisfactory evidence of the renewal of each of the Policies.

(d) If the Improvements shall be damaged or destroyed, in whole or in part, by fire or other casualty, Trustor shall give prompt notice thereof to Beneficiary and prior to the making of any repairs thereto. Following the occurrence of fire or other casualty, Trustor, regardless of whether insurance proceeds are payable under the Policies or, if paid, are made available to Trustor by Beneficiary, shall promptly proceed with the repair, alteration, restoration, replacement or rebuilding of the Improvements as near as possible to their value, utility, condition and character prior to such damage or destruction. Such repairs, alterations, restoration, replacement and rebuilding are herein collectively referred to as the "Restoration." The Restoration shall be performed in accordance with the following provisions:

(i) Trustor shall procure, pay for and furnish to Beneficiary true copies of all required governmental permits, certificates and approvals with respect to the Restoration.

(ii) Trustor shall furnish Beneficiary, within thirty (30) days of the casualty, evidence reasonably satisfactory to Beneficiary of the cost to complete the Restoration.

(iii) If the Restoration involves structural work or the estimated cost to complete the Restoration exceeds five percent (5%) of the original principal amount of the Loan, the Restoration shall be conducted under the supervision of an architect (the "Architect") selected by Trustor and approved by Beneficiary (which approval shall not be unreasonably

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

withheld), and no such Restoration shall be made except in accordance with detailed plans and specifications, detailed cost estimates and detailed work schedules approved by Beneficiary (which approval shall not be unreasonably withheld).

(iv) If the estimated cost of the Restoration shall exceed ten percent (10%) of the original principal amount of the Loan in the aggregate, Trustor shall, at the request of Beneficiary, before commencing any work, cause to be furnished to Beneficiary a surety bond or bonds, in form and substance reasonably satisfactory to Beneficiary, naming Trustor and Beneficiary as co-obligees, in an amount that is not less than the estimated cost of the Restoration, issued by a surety company or companies reasonably satisfactory to Beneficiary.

(v) The Restoration shall be prosecuted to completion with all due diligence and in an expeditious and first class workmanlike manner and in compliance with all laws and other governmental requirements, all permits, certificates and approvals, all requirements of fire underwriters and all insurance policies then in force with respect to the Real Property.

(vi) At all times when any work is in progress, Trustor shall maintain all insurance then required by law or customary with respect to such work, and, prior to the commencement of any work, shall furnish to Beneficiary duplicate originals or certificates of the policies therefor.

(vii) Upon completion of the Restoration, Trustor shall obtain (A) any occupancy permit which may be required for the Improvements and (B) all other governmental permits, certificates and approvals and all permits, certificates and approvals of fire underwriters which are required for or with respect to the Restoration, and shall furnish true copies thereof to Beneficiary.

(viii) An Event of Default (as hereinafter defined) shall be deemed to have occurred under this Deed of Trust if Trustor, after having commenced demolition or construction of any Improvements, shall abandon such demolition or the construction work or shall fail to complete such demolition and construction within a reasonable time after the commencement thereof.

(e) Trustor and Beneficiary shall jointly adjust and settle all insurance claims, provided, however, if an Event of Default shall have occurred and be continuing, Beneficiary shall have the right to adjust and settle such claims without the prior consent of Trustor. In the event of any insured loss, the payment for such loss shall be made directly to Beneficiary. Any insurance proceeds payable under any of the Policies may, at the option of Beneficiary, be used in one or more of the following ways: (w) applied to the Indebtedness, whether such Indebtedness then be matured or unmatured (such application to be without

JHUSA Loan No. 529678:11
 RIC Loan No. 529678:51

prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred and remains uncured, then such application shall be subject to the applicable premium computed in accordance with the Notes), (x) used to fulfill any of the covenants contained herein as Beneficiary may determine, (y) used to replace or restore the property to a condition satisfactory to Beneficiary, or (z) released to Trustor. Notwithstanding the foregoing, provided (i) not more than ten percent (10%) of the gross area of the Improvements is directly affected by such damage, destruction or loss and the amount of the loss does not exceed ten percent (10%) of the original principal amount of the Loan, (ii) no Event of Default or event that with the passage of time or giving of notice or both would constitute a default has occurred hereunder, under the Notes or under any of the other Loan Documents and remains uncured at the time of such application, (iii) the insurer does not deny liability to any named insured, (iv) each major and/or anchor tenant (as determined by Beneficiary) whose Lease permits termination thereof as a result of such insured loss, agrees in writing to continue its Lease, (v) rental loss insurance is available and in force and effect to offset in full any abatement of rent to which any tenant may be entitled as a result of such damage, destruction or loss, (vi) the remaining Improvements continue at all times to comply with all applicable building, zoning and other land use laws and regulations, (vii) in Beneficiary's judgment, the Restoration is practicable and can be completed within one (1) year after the damage, destruction or loss and at least one (1) year prior to the Maturity Date (as such term is defined in the Notes) and (viii) rebuilding of the Improvements to substantially identical size, condition and use as existed prior to the casualty is permitted by all applicable laws and ordinances, then all of such proceeds shall be used for Restoration. Any application of insurance proceeds to the Indebtedness shall be to the unpaid installments of principal due under the Notes in the inverse order of their maturity, such that the regular payments under the Notes shall not be reduced or altered in any manner. In the event the above criteria are satisfied (including that no Event of Default or event that, with the passage of time or giving of notice or both, would constitute a default has occurred hereunder, under the Notes or other Loan Documents) or Beneficiary otherwise elects to allow the use of such proceeds for the Restoration, such proceeds shall be disbursed in accordance with the following provisions:

(i) Each request for an advance of insurance proceeds shall be made on seven (7) days' prior notice to Beneficiary and shall be accompanied by a certificate of the Architect, if one be required under Subparagraph 3(d)(iii) above, otherwise by an executive officer or managing general partner or managing member or manager of Trustor, stating (A) that all work completed to date has been performed in compliance with the approved plans and specifications and in accordance with all provisions of law, (B) the sum requested is properly required to reimburse Trustor for payments by Trustor to, or is properly due to, the contractor, subcontractors, materialmen, laborers, engineers, architects or other persons rendering services or materials for the Restoration (giving a brief description of such services and materials), and that when added to all sums, if any, previously disbursed by Beneficiary, does not exceed the value of the work done to the date of such certificate and (C) that the amount

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

of such proceeds remaining in the hands of Beneficiary will be sufficient on completion of the work to pay the same in full (giving, in such reasonable detail as Beneficiary may require, an estimate of the cost of such completion).

(ii) Each request for an advance of insurance proceeds shall, to the extent permitted under applicable law, be accompanied by waivers of liens satisfactory to Beneficiary covering that part of the Restoration previously paid for, if any, and by a search prepared by a title company or by other evidence reasonably satisfactory to Beneficiary including without limitation a title endorsement satisfactory to Beneficiary if available in the state where the Real Property is located, that there has not been filed with respect to the Real Property any mechanic's lien or other lien or instrument and that there exist no encumbrances on or affecting the Real Property other than the Permitted Encumbrances or otherwise approved by Beneficiary. In addition to the foregoing, the request for the final advance shall be accompanied by (A) any final occupancy permit which may be required for the Improvements, (B) all other governmental permits, certificates and approvals and all other permits necessary for the occupancy and operation of the Real Property, (C) Tenant estoppels from tenants whose space was affected and (D) final lien waivers from all contractors, subcontractors and materialmen.

(iii) No advance of insurance proceeds shall be made if there exists an Event of Default or event which with the passage of time or the giving of notice or both would constitute a default on the part of Trustor under this Deed of Trust, the Notes or any other Loan Document.

(iv) If the cost of the Restoration (as reasonably estimated by Beneficiary) at any time shall exceed the amount of the insurance proceeds available therefor, insurance proceeds shall not be advanced until Trustor, before commencing the Restoration or continuing the Restoration, as the case may be, shall deposit the full amount of the deficiency (or other assurances reasonably satisfactory to Beneficiary) with Beneficiary and the amount so deposited shall first be applied toward the cost of the Restoration before any portion of the insurance proceeds is disbursed for such purpose.

Upon completion of the Restoration and payment in full therefor, or upon failure on the part of Trustor promptly to commence or diligently to continue the Restoration, or at any time upon request by Trustor, Beneficiary may apply the amount of any such proceeds then or thereafter in the hands of Beneficiary to the payment of the Indebtedness; provided, however, that nothing herein contained shall prevent Beneficiary from applying at any time the whole or any part of such proceeds to the curing of any default that has not been cured within the applicable cure period under this Deed of Trust, the Notes or any other Loan Document.

(f) Insurance proceeds and any additional funds deposited by Trustor with Beneficiary shall constitute additional security for the Indebtedness. Trustor shall execute,

deliver, file and/or record, at its expense, such documents and instruments as Beneficiary deems necessary or advisable to grant to Beneficiary a perfected, first priority security interest in the insurance proceeds and such additional funds. If Beneficiary elects to have the insurance proceeds applied to Restoration, (i) the insurance proceeds shall be, at Beneficiary's election, disbursed in installments by Beneficiary or by a disbursing agent ("Depository") selected by Beneficiary and whose fees and expenses shall be paid by Trustor in the manner provided in Subparagraph 3(e) above and (ii) all costs and expenses incurred by Beneficiary in connection with the Restoration, including, without limitation, reasonable counsel fees and costs, shall be paid by Trustor.

4. Payment of Taxes, Etc.

(a) Trustor shall pay all taxes, assessments, water rates and sewer rents, now or hereafter levied or assessed or imposed against the Trust Property or any part thereof (the "Taxes") and all ground rents, maintenance charges, other governmental impositions, and other charges, including, without limitation, vault charges and license fees (collectively, "Other Charges") for the use of vaults, chutes and similar areas adjoining the Real Property, as same become due and payable. Trustor will deliver to Beneficiary, promptly upon Beneficiary's request, evidence satisfactory to Beneficiary that the Taxes and Other Charges have been so paid and are not then delinquent. Trustor shall not suffer or permit any lien or charge (including, without limitation, any mechanic's lien) against all or any part of the Trust Property and Trustor shall promptly cause to be paid and discharged any lien or charge whatsoever which may be or become a lien or charge against the Trust Property. Trustor shall promptly pay for all utility services provided to the Trust Property. In addition, Beneficiary may, at its option, retain the services of a firm to monitor the payment of Taxes, the cost of which shall be borne by Trustor.

(b) Notwithstanding the provisions of Subparagraph 4(a), Trustor shall have the right to contest in good faith the amount or validity of any such Taxes, liens or Other Charges (including, without limitation, tax liens and mechanics' liens) referred to in Subparagraph 4(a) above by appropriate legal proceedings and in accordance with all applicable law, after notice to, but without cost or expense to, Beneficiary, provided that (i) no Event of Default or event that, with the passage of time or giving of notice or both, would constitute a default hereunder, under the Notes or other Loan Documents has occurred and is continuing, (ii) Trustor pays such Taxes, liens or Other Charges as same become due and payable, unless Trustor delivers evidence satisfactory to Beneficiary that, as a result of Trustor's obligation to pay such Taxes, liens or Other Charges has been deferred by the appropriate governmental authority, in which event, Trustor may defer such payment of such Taxes, liens or Other Charges until the date specified by such governmental authority, (iii) such contest shall be promptly and diligently prosecuted by and at the expense of Trustor, (iv) Beneficiary shall not thereby suffer any civil penalty, or be subjected to any criminal penalties or sanctions, (v) such contest shall be discontinued and such Taxes, liens or Other Charges promptly paid if at any

time all or any part of the Trust Property shall be in imminent danger of being foreclosed, sold, forfeited or otherwise lost or if the title, lien or security interest created by this Deed of Trust or the priority thereof shall be in imminent danger of being impaired, (vi) Trustor shall have set aside adequate reserves (in Beneficiary's judgment) for the payment of such Taxes, liens or Other Charges, together with all interest and penalties thereon and (vii) Trustor shall have furnished such security as may be required in the proceeding or as may be requested by Beneficiary, to insure the payment of any such Taxes, liens or Other Charges, together with all interest and penalties thereon.

5. Reserve Fund.

(a) Tax and Insurance Fund. If required by Beneficiary, Trustor shall pay to Beneficiary on the first day of each calendar month such amounts as Beneficiary from time to time estimates to be sufficient to create and maintain a reserve fund from which (i) to pay the Taxes and Other Charges, at least thirty (30) days prior to the date they are due without the payment of any penalties or interest, and (ii) to pay, at least thirty (30) days prior to their due date for the renewal of the coverage afforded by the Policies upon the expiration thereof, the insurance premiums for the Policies estimated by Beneficiary to be payable on such due date, (said amounts in (i) and (ii) above hereafter called the "Tax and Insurance Fund").

(b) Replacement Reserve Fund. If required by Beneficiary, Trustor shall enter into a Replacement Reserve Agreement which shall require Trustor to pay to Beneficiary on the first day of each calendar month one twelfth (1/12) of the amount reasonably estimated by Beneficiary to be due for the replacements and capital repairs required to be made to the Trust Property during each calendar year (the "Replacement Reserve Fund"). Beneficiary shall make disbursements from the Replacement Reserve Fund for items specified in the Replacement Reserve Agreement as set forth in such Agreement. Beneficiary may require an inspection of the Trust Property prior to making a disbursement in order to verify completion of replacements and repairs. Beneficiary reserves the right to make any disbursement from the Replacement Reserve Fund directly to the party furnishing materials and/or services.

(c) Tenant Improvement and Leasing Commission Reserve. If required by Beneficiary, Trustor shall enter into a Tenant Improvement and Leasing Commission Agreement which shall require Trustor to pay to Beneficiary on the first day of each calendar month deposits for tenant improvements and leasing commissions in amounts determined by Beneficiary in its sole discretion, for payment of costs and expenses incurred by Trustor in connection with the performance of work to refit and release space in the Improvements that is currently vacant or anticipated to be vacated during the term of the Loan, and for payment of leasing commissions incurred by Trustor in connection with the releasing of space in the Improvements that is currently vacant or anticipated to be vacated during the term of the Loan

(the "Tenant Improvement and Leasing Commission Reserve Fund"), all according to the Tenant Improvement and Leasing Commission Agreement.

(d) Repair and Remediation Reserve Fund. If required by Beneficiary, Trustor shall enter into a Reserve Agreement for Repairs and shall pay to Beneficiary the estimated cost to complete any required repairs (the "Repair and Remediation Reserve Fund") as more fully set forth in said Agreement.

The amounts in (a), (b), (c) and (d) above shall hereinafter be collectively called the "Reserve Fund." Trustor hereby pledges to Beneficiary any and all monies now or hereafter deposited as the Reserve Fund as additional security for the payment of the Indebtedness. Beneficiary may apply the Reserve Fund to payments of Taxes, Other Charges, insurance premiums and, as applicable, payments for replacements and capital repairs, tenant improvements and leasing commissions and repairs and remediations required to be made by Trustor pursuant to the terms hereof or pursuant to the terms of any other Loan Documents (even though subsequent owners of the Trust Property may benefit thereby); provided, however, if there is an Event of Default which is continuing, then Beneficiary may credit such Reserve Fund against the Indebtedness in such priority and proportions as Beneficiary in its discretion shall deem proper. If the Reserve Fund is not sufficient to fully pay for the Taxes, Other Charges and/or the insurance premiums or, as applicable, amounts for replacements and capital repairs, tenant improvements and leasing commissions and repairs and remediation when due, Trustor shall promptly pay to Beneficiary, upon demand, an amount which Beneficiary shall estimate as sufficient to make up the deficiency. The Reserve Fund shall not constitute a trust fund and may be commingled with other monies held by Beneficiary. No earnings or interest on the Reserve Fund shall be payable to Trustor.

6. Condemnation. Trustor shall promptly give Beneficiary and Trustee written notice of the actual or threatened commencement of any condemnation or eminent domain proceeding and shall deliver to Beneficiary and Trustee copies of any and all papers served in connection with such proceedings. Following the occurrence of a condemnation, Trustor, regardless of whether an award is available, shall promptly proceed to restore, repair, replace or rebuild the Improvements to the extent practicable to be of at least equal value and of substantially the same character as prior to such condemnation, all to be effected in accordance with applicable law. Notwithstanding any taking by any public or quasi-public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Trustor shall continue to pay the Indebtedness at the time and in the manner provided for its payment in the Notes, in this Deed of Trust and the other Loan Documents and the Indebtedness shall not be reduced until any award or payment therefor shall have been actually received after expenses of collection and applied by Beneficiary to the discharge of the Indebtedness. Trustor shall cause the award or payment made in any condemnation or eminent domain proceeding, which is payable to Trustor, to be

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

paid directly to Beneficiary. Beneficiary may, at Beneficiary's election, use the award in any one or more of the following ways: (a) apply any such award or payment (for purposes of this Paragraph 6, the award or payment that may be made in any condemnation or eminent domain proceeding shall mean the entire award allocated to Trustor in any capacity) to the discharge of the Indebtedness whether or not then due and payable (such application to be without prepayment fee or premium, except that if an Event of Default, or an event which with notice and/or the passage of time, or both, would constitute an Event of Default, has occurred, then such application shall be subject to the applicable premium computed in accordance with the Notes), (b) use the same or any part thereof to fulfill any of the covenants contained herein as Beneficiary may determine, (c) use the same or any part thereof to replace or restore the Trust Property to a condition satisfactory to Beneficiary, or (d) release the same to Trustor. If the Trust Property is sold, through foreclosure or otherwise, prior to the receipt by Beneficiary of such award or payment, Beneficiary shall have the right, whether or not a deficiency judgment on the Notes shall have been sought, recovered or denied, to receive said award or payment or a portion thereof sufficient to pay the Indebtedness.

7. Leases and Rents.

(a) Trustor does hereby absolutely and unconditionally assign to Beneficiary all of Trustor's right, title and interest in all current and future Leases and Rents and all proceeds from the sale, cancellation, surrender or other disposition of the Leases, it being intended by Trustor that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Such assignment to Beneficiary shall not be construed to bind Beneficiary to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise to impose any obligation upon Beneficiary. Trustor agrees to execute and deliver to Beneficiary such additional instruments in form and substance satisfactory to Beneficiary, as may hereafter be requested by Beneficiary to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Paragraph 7, Beneficiary grants to Trustor a revocable license to operate and manage the Trust Property and to collect the Rents. Trustor shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the Indebtedness, in trust for the benefit of Beneficiary for use in the payment of such sums. The grant of the foregoing license is subject to the provisions of Paragraph 1 of the separate Assignment of Leases and Rents of even date herewith granted by Trustor as "Assignor" to Beneficiary as "Assignee" with respect to the Trust Property ("Assignment of Leases and Rents"). Upon the occurrence of an Event of Default, the license granted to Trustor herein shall be automatically revoked and Beneficiary shall immediately be entitled to possession of all Rents, whether or not Beneficiary enters upon or takes control of the Trust Property. Beneficiary is hereby granted and assigned by Trustor the right, at its option, upon the revocation of the license granted herein to enter upon the Trust Property in person, by agent or by court-appointed receiver to collect the Rents. Any Rents collected after the revocation of the license herein granted may be applied toward payment of the Indebtedness in

JHUSA Loan No. 529678:11
 RIC Loan No. 529678:51

such priority and proportion as Beneficiary in its discretion shall deem proper. It is further the intent of Trustor and Beneficiary that the Rents hereby absolutely assigned are no longer, during the term of this Deed of Trust, property of Trustor or property of any estate of Trustor as defined in Section 541 of the Bankruptcy Code and shall not constitute collateral, cash or otherwise, of Trustor. The term "Rents" as used herein shall mean the gross rents without deduction or offsets of any kind.

(b) All Leases executed after the date of this Deed of Trust shall provide that they are subordinate to this Deed of Trust and that the lessee agrees to attorn to Beneficiary; provided, however, that nothing herein shall affect Beneficiary's right to designate from time to time any one or more Leases as being superior to this Deed of Trust and Trustor shall execute and deliver to Beneficiary and shall cause to be executed and delivered to Beneficiary from each tenant under such Lease any instrument or agreement as Beneficiary may deem necessary to make such Lease superior to this Deed of Trust. Upon request, Trustor shall promptly furnish Beneficiary with executed copies of all Leases.

Upon foreclosure of this Deed of Trust (whether pursuant to the Power of Sale which is available under this Deed of Trust or pursuant to foreclosure of this Deed of Trust as a mortgage), no lease then affecting the Trust Property shall be terminated by application of the doctrine of merger, or as a matter of law, or as a result of such foreclosure, unless Beneficiary or the purchaser at the foreclosure sale shall so elect in writing. No act by or on behalf of Beneficiary, Trustee, or any such purchaser shall constitute or result in termination of any such lease unless Beneficiary or such purchaser shall give written notice of such termination to the tenant or lessee thereunder.

(c) Trustor shall not, without the prior consent of Beneficiary, (i) lease all or any part of the Trust Property, (ii) alter or change the terms of any Lease or cancel or terminate, abridge or otherwise modify the terms of any Lease, (iii) consent to any assignment of or subletting under any Lease not in accordance with its terms, (iv) cancel, terminate, abridge or otherwise modify any guaranty of any Lease or the terms thereof, (v) collect or accept prepayments of installments of Rents for a period of more than one (1) month in advance, or (vi) further assign the whole or any part of the Leases or the Rents; provided, however, the actions described in Clauses (i)-(iv) above may be taken if the taking of such action is in the ordinary course of Trustor's business and all such actions are still subject to Paragraph 1 of the separate Assignment of Leases and Rents pertaining to Termination Amounts.

(d) With respect to each Lease, Trustor shall (i) observe and perform each and every provision thereof on the lessor's part to be fulfilled or performed under each Lease and not do or permit to be done anything to impair the value of the Lease as security for the Loan, including surrender or voluntary termination of any Lease, (ii) promptly send to Beneficiary copies of all notices of default which Trustor shall send or receive thereunder,

JHUSA Loan No. 529678:11
 RIC Loan No. 529678:51

(iii) enforce all of the terms, covenants and conditions contained in such Lease upon the lessee's part to be performed, short of termination thereof, (iv) execute and deliver, at the request of Beneficiary, all such further assurances, confirmations and assignments in connection with the Trust Property as Beneficiary shall, from time to time, require and (v) upon request, furnish Beneficiary with executed copies of all Leases; provided, however, the notice to Beneficiary referenced in Clause (ii) above and the restriction on termination of a Lease in connection with the enforcement of its terms, covenants and conditions set forth in (iii) above shall not be required or apply, as the case may be, for any residential leases in an apartment complex or mobile home facility. Upon the occurrence of any Event of Default under this Deed of Trust, Trustor shall pay monthly in advance to Beneficiary, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of the Trust Property or part of the Trust Property as may be occupied by Trustor or any one Trustor and upon default in any such payment Trustor shall vacate and surrender possession of the Trust Property to Beneficiary or to such receiver and, in default thereof, Trustor may be evicted by summary proceedings or otherwise.

(e) All security deposits of tenants, whether held in cash or any other form, shall not be commingled with any other funds of Trustor and, if cash, shall be deposited by Trustor at such commercial or savings bank or banks as may be reasonably satisfactory to Beneficiary. Any bond or other instrument which Trustor is permitted to hold in lieu of cash security deposits under any applicable legal requirements shall be maintained in full force and effect in the full amount of such deposits unless replaced by cash deposits as hereinabove described, shall be issued by an institution reasonably satisfactory to Beneficiary, shall, if permitted pursuant to any legal requirements, name Beneficiary as payee or beneficiary thereunder (or at Beneficiary's option, be fully assignable to Beneficiary) and shall, in all respects, comply with any applicable legal requirements and otherwise be reasonably satisfactory to Beneficiary. Trustor shall, upon request, provide Beneficiary with evidence reasonably satisfactory to Beneficiary of Trustor's compliance with the foregoing. Following the occurrence and during the continuance of any Event of Default, Trustor shall, upon Beneficiary's request, if permitted by any applicable legal requirements, turn over to Beneficiary the security deposits (and any interest theretofore earned thereon) with respect to all or any portion of the Trust Property, to be held by Beneficiary subject to the terms of the Leases.

8. Maintenance and Use of Trust Property. Trustor shall, at its sole cost and expense, keep and maintain the Trust Property, including, without limitation, parking lots and recreational and landscaped portions thereof, if any, in good order and condition. The Improvements and the Equipment shall not be diminished, removed, demolished or materially altered (except for normal replacement of Equipment) and Trustor shall not erect any new buildings, structures or building additions on the Trust Property without the prior consent of Beneficiary. So long as no Event of Default shall have occurred and be continuing, Trustor

shall have the right at any time and from time to time after providing Beneficiary with written notice to make or cause to be made reasonable alterations of and additions to the Trust Property or any part thereof, provided that any alteration or addition (i) shall not change the general character of the Trust Property or reduce the fair market value thereof below its value immediately before such alteration or addition, or impair the usefulness of the Trust Property, (ii) is effected with due diligence, in a good and workmanlike manner and in compliance with all applicable laws and with all provisions of any insurance policy covering or applicable to the Trust Property and all requirements of the issuers thereof, (iii) is promptly and fully paid for, or caused to be paid for, by Trustor, (iv) the estimated cost of such alteration or addition does not exceed five percent (5%) of the original principal amount of the Loan, (v) is made under the supervision of a qualified architect or engineer, (vi) shall not violate the terms of any Leases, and (vii) upon completion, Trustor shall provide Beneficiary with (aa) a satisfactory final improvement survey if the footprint of the building has been altered, (bb) any final occupancy permit which may be required for the Improvements, (cc) all other governmental permits, certificates and approvals and all other permits, certificates and approvals of fire underwriters which are required with respect to the alterations and additions and the use and occupancy thereof, and shall furnish true copies thereof to Beneficiary, and (dd) final lien waivers from all contractors, subcontractors and materialmen. Trustor shall promptly comply with all laws, orders and ordinances affecting the Trust Property, or the use thereof, provided, however, that nothing in the foregoing clause shall require Trustor to comply with any such law, order or ordinance so long as Trustor shall in good faith, after notice to, but without cost or expense to, Beneficiary, contest the validity of such law, order or ordinance by appropriate legal proceedings and in accordance with all applicable law, which proceedings must operate to prevent (i) the enforcement thereof, (ii) the payment of any fine, charge or penalty, (iii) the sale or forfeiture of the Trust Property or any part thereof, (iv) the lien of this Deed of Trust and the priority thereof from being impaired, (v) the imposition of criminal liability on Beneficiary and (vi) the imposition, unless stayed, of civil liability on Beneficiary; provided that during such contest Trustor shall, at the option of Beneficiary, provide cash, bonds or other security satisfactory to Beneficiary, indemnifying and protecting Beneficiary against any liability, loss or injury by reason of such non-compliance or contest, and provided further, that such contest shall be promptly and diligently prosecuted by and at the expense of Trustor. Trustor shall promptly, at its sole cost and expense, repair, replace or rebuild any part of the Trust Property which may be destroyed by any casualty, or become damaged, worn or dilapidated. Trustor shall not commit any waste at the Trust Property. Trustor shall not initiate, join in, acquiesce in or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Trust Property or any part thereof. If under applicable zoning provisions the use of all or any portion of the Trust Property is or shall become a nonconforming use, Trustor will not cause or permit such nonconforming use to be discontinued or abandoned without the express consent of Beneficiary. Trustor covenants and agrees that it shall operate the Trust Property at all times as a multifamily apartment property and for no other purpose.

**9. Transfer or Encumbrance of the Trust Property or Interests in the Trustor;
 Other Indebtedness.**

(a) Trustor acknowledges that Beneficiary has examined and relied on the creditworthiness and experience of Trustor in owning and operating properties such as the Trust Property in agreeing to make the Loan, and that Beneficiary will continue to rely on Trustor's ownership of the Trust Property as a means of maintaining the value of the Trust Property as security for repayment of the Indebtedness. Trustor acknowledges that Beneficiary has a valid interest in maintaining the value of the Trust Property so as to ensure that, should Trustor default in the repayment of the Indebtedness, Beneficiary can recover the Indebtedness by a sale of the Trust Property. Trustor shall not, without the prior written consent of Beneficiary, sell, convey, alienate, mortgage, encumber, pledge or otherwise transfer in trust or otherwise the Trust Property or any part thereof or interest therein, or permit the Trust Property or any part thereof to be sold, conveyed, alienated, mortgaged, encumbered, pledged or otherwise transferred.

(b) A sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer within the meaning of this Paragraph 9 shall be deemed to include (i) an installment sales agreement wherein Trustor agrees to sell the Trust Property or any part thereof for a price to be paid in installments, (ii) an agreement by Trustor leasing all or a substantial part of the Trust Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Trustor's right, title and interest in and to any Leases or any Rents, (iii) if Trustor, any guarantor of Recourse Obligations (as hereinafter defined), any other guarantor, any indemnitor of environmental liabilities or any general partner or managing member of Trustor or of any such guarantor or indemnitor is a corporation, the voluntary or involuntary sale, assignment, conveyance or transfer of such corporation's stock (or the stock of any corporation directly or indirectly controlling such corporation by operation of law or otherwise) or the creation or issuance of new stock in one or a series of transactions by which an aggregate of more than ten percent (10%) of such corporation's stock shall be vested in a party or parties who are not now stockholders or any change in the control of such corporation, (iv) if Trustor, any guarantor of Recourse Obligations, any other guarantor, any indemnitor of environmental liabilities, or any general partner or managing member of Trustor or any such guarantor or indemnitor is a limited or general partnership, joint venture or limited liability company, the change, removal, resignation or addition of a general partner, managing partner, limited partner, joint venturer or member or the transfer of the partnership interest of any general partner, managing partner or limited partner or the transfer of the interest of any joint venturer or member, and (v) if Trustor, any guarantor of Recourse Obligations or any other guarantor or any indemnitor of environmental liabilities, is an entity, whether one of the above-mentioned entities or not, any change in the ownership or control of such entity, any merger, consolidation or dissolution or syndication affecting such entity, or the transfer, sale, assignment or pledge of any interest in such entity or

 RIC Loan No. 529678:51

in any person, directly or indirectly, controlling such entity or in any general partner or managing member thereof, whether at one time or in a series of related transactions.

(c) Beneficiary shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Indebtedness immediately due and payable upon Trustor's sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer of the Trust Property without Beneficiary's consent. This provision shall apply to every sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer in trust or otherwise of the Trust Property regardless of whether voluntary or not, or whether or not Beneficiary has consented to any previous sale, conveyance, alienation, deed, encumbrance, pledge or transfer of the Trust Property.

(d) Beneficiary's consent to a sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer in trust or otherwise of the Trust Property or any other action described in this Paragraph 9 shall not be deemed to be a waiver of Beneficiary's right to require such consent to any future occurrence of same. Any sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer in trust or otherwise of the Trust Property or other action made in contravention of this Paragraph 9 shall be null and void and of no force and effect.

(e) Trustor agrees to bear and shall pay or reimburse Beneficiary on demand for all reasonable expenses (including, without limitation, reasonable attorneys' fees and disbursements, title search costs and title insurance endorsement premiums) incurred by Beneficiary in connection with the review, approval and documentation of any such sale, conveyance, alienation, mortgage, encumbrance, pledge or transfer in trust or otherwise.

(f) Notwithstanding the foregoing, Beneficiary shall permit a one-time sale or transfer of the Trust Property, provided that:

(i) no Event of Default, or event which with the giving of notice or passage of time would constitute an Event of Default, shall have occurred and remain uncured;

(ii) the proposed transferee ("Transferee"), the proposed guarantors of Recourse Obligations, any other proposed guarantors, and the proposed indemnitors of environmental liabilities shall be reputable entities or persons of good character, creditworthy, with sufficient financial worth considering the obligations assumed and undertaken, as evidenced by financial statements and other information reasonably requested by Beneficiary;

(iii) the Transferee and its property manager shall have sufficient experience in the ownership and management of properties similar to the Trust Property, and Beneficiary shall be provided with reasonable evidence thereof (and Beneficiary reserves the right to approve the Transferee without approving the substitution of the property manager);

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

(iv) Beneficiary has received a written request for approval from Trustor at least sixty (60) days prior to the proposed transfer (including a description of the proposed terms of the transfer), together with a diagram showing the legal structure of the Transferee, the proposed guarantors of Recourse Obligations, any other proposed guarantors, and the proposed indemnitors of environmental liabilities and all of the constituent entities of each, after the contemplated transfer, and a list of the names, types of interests and ownership percentages of all persons to have ownership interests in any of the foregoing or any constituent entity thereof, financial statements for all such entities and an administrative fee of \$5,000, which shall be deemed fully earned on the date of receipt and shall be retained by Beneficiary regardless of whether or not the transfer occurs and whether or not approval is given;

(v) Beneficiary and its counsel have received (aa) certification from Trustor and the Transferee that the proposed terms of the transfer described in Subparagraph 9(f)(iv) are the actual terms of the transfer, (bb) evidence of casualty insurance and other applicable insurance, (cc) all corporate, partnership or other entity documents and (dd) all other certificates, legal opinions, title materials and other documents which Beneficiary may require, all in form and substance satisfactory to Beneficiary, at least thirty (30) days prior to the proposed transfer;

(vi) the debt service coverage ratio for the Loan is not less than 1.28:1.0, as calculated to the satisfaction of Beneficiary, and the loan-to-value ratio of the Loan to the Trust Property does not exceed 65%, calculated to the satisfaction of Beneficiary;

(vii) Beneficiary be provided satisfactory evidence concerning the effect of any change in the real estate taxes to result from the sale and the effect of such change on the ability of the Trust Property to generate a cash flow sufficient to pay the debt service on the Loan and to maintain a debt service coverage ratio satisfactory to Beneficiary;

(viii) to the extent applicable, Beneficiary shall have received in writing evidence from the Rating Agencies to the effect that such transfer will not result in a re-qualification, reduction or withdrawal of any rating initially assigned or to be assigned in a Secondary Market Transaction together with such legal opinions as may be requested by the Rating Agencies. The term "Rating Agencies" as used herein shall mean each of Standard & Poor's Ratings Group, Moody's Investors Service, Inc., Duff & Phelps Credit Rating Co., Fitch Investors Service, Inc. or any other nationally-recognized statistical rating agency who shall then be rating the certificates or securities issued in connection with the Secondary Market Transaction;

(ix) the Transferee and its constituent entities shall comply with all of the Single Asset Entity/Separateness requirements set forth in Paragraph 19 hereof;

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

(x) the Transferee shall have executed and delivered to Beneficiary an assumption agreement in form and substance acceptable to Beneficiary, evidencing such Transferee's agreement to abide and be bound by the terms of the Notes, this Deed of Trust and the other Loan Documents, together with an executed guaranty of Recourse Obligations and any other guaranty from an approved guarantor and an executed separate environmental indemnity agreement from an approved indemnitor, both in form and substance acceptable to Beneficiary, and such legal opinions and title insurance endorsements as may be reasonably requested by Beneficiary;

(xi) Beneficiary shall have received an assumption fee equal to one percent (1%) of the then unpaid principal balance of the Notes in addition to the payment of all costs and expenses incurred by Beneficiary in connection with such assumption (including reasonable attorney's fees and costs); and

(xii) the Transferee shall be able to make the representations and warranties set forth in Subparagraph 18(h) of this Deed of Trust.

In the event all of the foregoing conditions are satisfied and Beneficiary consents to the sale or transfer, Beneficiary agrees to release (aa) the transferor Trustor and the prior guarantors of Recourse Obligations with respect to matters first arising solely after the transfer, and (bb) the prior indemnitors of environmental liabilities with respect to a presence and/or release which first occurs solely after the transfer; provided, however, the transferor Trustor, the prior guarantors and the prior indemnitors, respectively, shall have the burden of proving that all the conditions in this Paragraph 9 (including, without limitation, the time as to which matters described herein arose) were satisfied by clear and convincing evidence and shall continue to defend with counsel satisfactory to Beneficiary and shall indemnify and hold Beneficiary harmless for all matters set forth in Paragraph 39 and in the Recourse Obligations unless and until a court of competent jurisdiction finds that such transferor Trustor, prior guarantors or prior indemnitors, respectively, met such burden.

(g) Notwithstanding the foregoing, as long as all of the Internal Transfer Conditions (as defined below) are satisfied prior to and after any of the following transfers, it shall not be a default hereunder for any holder of any direct or indirect interest in Trustor to transfer ownership interests in Trustor for estate planning purposes.

The term "Internal Transfer Conditions" shall mean that all of the following are satisfied:

(1) No uncured Event of Default shall have occurred under the Loan Documents;

JHUSA Loan No. 529678:11
RIC Loan No. 529678:51

(2) After taking into account any prior transfers pursuant to this Paragraph 9, whether to the proposed transferee or otherwise, no such transfer (or series of transfers) shall result in the proposed transferee, an Affiliate (as defined below) of such transferee and his/her Family Member owning (directly or indirectly) more than forty-nine percent (49%) of the interest in Trustor;

(3) No such transfer of interest shall result in a change of control of Trustor or the day-to-day operations of the Trust Property;

(4) Without limiting the foregoing, no such transfer, either singly or in the aggregate with other transfers, will result in a violation of the single asset entity provisions of the Loan Documents or Trustor's organizational documents;

(5) Trustor shall provide to Beneficiary prior written notice of each such transfer together with a diagram showing the structure of the Trustor and all of its constituent entities after the contemplated transfer and a list of the names, types of interest and percentages of ownership of all owners of interests in the Trustor its constituent entities after such transfer, together with an administrative fee of \$2,500, which shall be deemed fully earned upon receipt; and

(6) Trustor shall pay all fees and costs in connection with such transfer, including without limitation Beneficiary's attorneys' fees.

"Family Member" shall mean an individual's immediate family members (spouse, brothers and sisters (whether by the whole or half-blood), and ancestors or lineal descendants by birth or adoption and/or any (i) trusts for the benefit of any immediate family member, (ii) partnership in which an immediate family member is a general partner, (iii) limited partnership in which an immediate family member is a general partner, (iv) limited liability company in which an immediate family member is a managing member, or (v) corporation in which an immediate family member is an officer, director, or controlling (as defined below) shareholder.

The term "control" or "controlling" shall mean the possession, directly or indirectly, of the power to direct or cause the direction of management, policies or activities of a person or entity, whether through ownership of voting securities or other interests, by contract or otherwise.

Except as otherwise disclosed in writing to Beneficiary, the current Leases are in full force and effect and there are no defaults thereunder by either party and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute defaults thereunder. Except as otherwise disclosed in writing to Beneficiary, all presently existing Leases are subordinate to this Deed of Trust.

As used in this Deed of Trust, the term "Barred Person" shall mean (i) any person, group or entity named as a "Specially Designated National and Blocked Person" or as a person who commits, threatens to commit, supports, or is associated with terrorism as designated by the United States Department of the Treasury's Office of Foreign Assets Control ("OFAC"), (ii) any person, group or entity named in the lists maintained by the United States Department of Commerce (Denied Persons and Entities), (iii) any government or citizen of any country that is subject to a United States Embargo identified in regulations promulgated by OFAC and (iv) any person, group or entity named as a denied or blocked person or terrorist in any other list maintained by any agency of the United States government.

In the event some or all of such procedural matters are not covered by then-effective legislation, the matters not covered shall be governed by the law which is in effect at the time this Deed of Trust is executed. Beneficiary may adjourn or postpone from time to time any sale by Trustee to be made under or by virtue of this Deed of Trust by announcement at the time and place appointed for such sale or for such adjourned sale or sales; and, except as otherwise provided by any applicable provision of law, Beneficiary, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(d) Upon the completion of any sale or sales made by Trustee under or by virtue of this Paragraph 21, Trustee shall execute and deliver to the accepted purchaser or purchasers a good and sufficient deed or other instrument, or good and sufficient deed or other instruments, conveying, assigning and transferring all estate, right, title and interest in and to the property and rights sold. Each such deed or other instrument from Trustee may contain recitals of compliance with any requirements of applicable law relating to exercise of the power of sale or to the sale. Such recitals shall constitute conclusive evidence of such compliance in favor of bona fide purchasers and encumbrancers for value and prima facie evidence thereof in favor of all other persons. Each such deed or other instrument from Trustee shall operate to convey to the grantee or transferee, not subject to any right of redemption, the Trustee's title and all right, title, interest and claim of Trustor, of its successors in interest, and of all persons claiming by, through, or under them, in and to that part of the Trust Property sold, including any and all right, title, interest or claim in and to such part which may have been acquired by Trustor or its successors in interest subsequent to the execution of this Deed of Trust. Any sale or sales made under or by virtue of this Paragraph 21, whether made by Trustee under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale, shall operate to divest all the estate, right, title, interest, claim and demand whatsoever, whether at law or in equity, of Trustor in and to the properties and rights so sold, and shall be a perpetual bar both at law and in equity against Trustor and against any and all persons claiming or who may claim the same, or any part thereof from, through or under Trustor.

(e) In the event of any sale made under or by virtue of this Paragraph 21 (whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale) the entire Indebtedness, if not previously due and payable, immediately thereupon shall, anything in the Notes, this Deed of Trust, any Guaranty or any other Loan Document to the contrary notwithstanding, become due and payable.

(f) Upon any sale made under or by virtue of this Paragraph 21 (whether made under the power of sale herein granted or under or by virtue of judicial proceedings or of a judgment or decree of foreclosure and sale), Beneficiary may bid for and acquire the Trust Property or any part thereof and in lieu of paying cash therefor may make settlement for the purchase price by crediting upon the Indebtedness the net sales price after deducting therefrom the expenses of the sale and the costs of the action and any other sums which Beneficiary is authorized to deduct under this Deed of Trust.

(g) No recovery of any judgment by Beneficiary and no levy of an execution under any judgment upon the Trust Property or upon any other property of Trustor shall affect in any manner or to any extent, the lien of this Deed of Trust upon the Trust Property or any part thereof, or any liens, rights, powers or remedies of Beneficiary hereunder, but such liens, rights, powers and remedies of Beneficiary shall continue unimpaired as before.

(h) Trustor hereby authorizes Trustee, upon its being presented with an Affidavit signed by Beneficiary setting forth facts showing an Event of Default under this Deed of Trust, to accept as true and conclusive all facts and statements contained therein and to rely and act thereon.

(i) If this Deed of Trust is foreclosed judicially, as a mortgage, Beneficiary shall be entitled to possession of the property sold during any period of redemption. Trustor hereby waives any right it or its successors in interest may have in the event of acceleration or entry of a decree of foreclosure to obtain a partial release of the Trust Property from the lien of this Deed of Trust by paying less than the entire amount then secured hereby or to partially redeem the Trust Property by paying less than the amount necessary to effect redemption in full.

22. Right to Cure Defaults. Upon the occurrence of any Event of Default or if Trustor fails to make any payment or to do any act as herein provided, Beneficiary may, but without any obligation to do so and without notice to or demand on Trustor and without releasing Trustor from any obligation hereunder, make or do the same in such manner and to such extent as Beneficiary may deem necessary to protect the security hereof. Without limiting the foregoing, Beneficiary may enter upon the Trust Property for such purposes or appear in, defend, or bring any action or proceeding to protect its interest in the Trust Property, and the cost and expense thereof (including, without limitation, attorneys' fees and disbursements to the extent permitted by law), with interest as provided in this Paragraph 22, shall be immediately due and payable to Beneficiary upon demand by Beneficiary therefor. All such costs and expenses incurred by Beneficiary in remedying such Event of Default or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate (as such term is defined in the Notes), for the period from the date that such cost or expense was incurred to the date of payment to Beneficiary. All such costs and expenses, together with

JHUSA Loan No. 529678:11

interest thereon at the Default Rate, shall be added to the Indebtedness and shall be secured by this Deed of Trust. If the principal sum of the Notes or any other amount required to be paid on the Maturity Date under the Notes shall not be paid on the Maturity Date, interest shall thereafter be computed and paid at the Default Rate.

23. Late Payment Charge. If any monthly principal and interest payment is not paid in accordance with the Notes, a late charge (the "Late Charge") shall be due as provided for in the Notes.

24. Prepayment. The Indebtedness may be prepaid only in accordance with the terms of the Notes.

25. Prepayment After Event of Default. A tender of the amount necessary to satisfy the entire indebtedness paid at any time following an Event of Default or acceleration (which acceleration shall be at Beneficiary's sole option), including at a foreclosure sale or during any subsequent redemption period, if any, shall be deemed a voluntary prepayment, which payment shall include a premium, the calculation of which shall be in accordance with the terms of the Notes and shall depend upon whether the Event of Default or acceleration first occurred (i) prior to the time, if any, the prepayment of the principal balance is not permitted pursuant to the terms of the Notes and prior to the date on which the full amount of the balance of principal and interest then remaining unpaid shall be due or (ii) on or after the date on which prepayment of the principal balance is permitted pursuant to the terms of the Notes.

26. Appointment of Receiver. Beneficiary, upon the occurrence of an Event of Default or in any action to foreclose this Deed of Trust or upon the actual or threatened waste to any part of the Trust Property shall be entitled to the appointment of a receiver without notice and without regard to the value or condition of the Trust Property as security for the Indebtedness or the solvency or insolvency of any person liable for the payment of the Indebtedness.

27. Security Agreement.

(a) This Deed of Trust is both a real property Deed of Trust and a "security agreement" within the meaning of the Uniform Commercial Code. The Trust Property includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Property. Trustor, by executing and delivering this Deed of Trust grants to Beneficiary and Trustee, as security for the Indebtedness, a security interest in the Trust Property to the full extent that the Trust Property may be subject to the Uniform Commercial Code (such portion of the Trust Property so subject to the Uniform Commercial Code being called in this Paragraph 27 the "Collateral"). Trustor hereby authorizes Beneficiary to file financing statements in order to create, perfect, preserve and continue the security interest(s) herein granted. This Deed of Trust shall also constitute a "fixture filing" for the

JHUSA Loan No. 529678:11

purposes of the Uniform Commercial Code and shall cover all items of the Collateral that are or are to become fixtures. Information concerning the security interest(s) herein granted may be obtained from Beneficiary upon request.

If an Event of Default shall occur, Beneficiary and/or Trustee, in addition to any other rights and remedies which it may have, shall have and may exercise immediately and without demand, any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing, the right to take possession of the Collateral or any part thereof, and to take such other measures as Beneficiary and/or Trustee may deem necessary for the care, protection and preservation of the Collateral. Upon request or demand of Beneficiary and/or Trustee, Trustor shall at its expense assemble the Collateral and make it available to Beneficiary and/or Trustee at a convenient place acceptable to Beneficiary and/or Trustee. Trustor shall pay to Beneficiary and Trustee on demand any and all expenses, including legal expenses and attorneys' fees and disbursements, incurred or paid by Beneficiary and Trustee in protecting its interest in the Collateral and in enforcing its rights hereunder with respect to the Collateral. Any notice of sale, disposition or other intended action by Beneficiary and/or Trustee with respect to the Collateral sent to Trustor in accordance with the provisions hereof at least five (5) days prior to such sale, disposition or action shall constitute reasonable notice to Trustor. The proceeds of any disposition of the Collateral, or any part thereof, may be applied by Beneficiary to the payment of the Indebtedness in such priority and proportions as Beneficiary in its discretion shall deem proper.

Trustor shall notify Beneficiary and Trustee of any proposed change in the name, identity, jurisdiction of organization, type of organization, or structure of Trustor or any indemnitor or guarantor of the Loan (any of the foregoing being referred to as an "**Entity Change**") at least thirty (30) days prior to the desired effective date of any such Entity Change, and Trustor shall not make any Entity Change without obtaining Beneficiary's prior written consent. In the event Beneficiary consents to an Entity Change, (i) and Trustor is the entity undertaking such Entity Change, then Trustor hereby expressly authorizes Beneficiary to file and record, at Trustor's sole cost and expense, such Uniform Commercial Code forms as are necessary to maintain the priority of the lien of Beneficiary upon and security interest in the Collateral, and (ii) the party making the Entity Change shall execute such documents as Beneficiary shall require in order to confirm such party's obligations under the Loan Documents to which it is a party. In addition, Trustor shall promptly execute, file and record such additional Uniform Commercial Code forms or continuation statements as Beneficiary shall deem necessary and shall pay all expenses and fees in connection with the filing and recording thereof, provided that no such additional documents shall increase the obligations of Trustor under the Notes, this Deed of Trust or the other Loan Documents. Trustor hereby authorizes Beneficiary and grants to Beneficiary an irrevocable power of attorney, coupled with an interest, to file with the appropriate public office on its behalf any financing or other statements in connection with the Collateral covered by this Deed of Trust.

(b) That portion of the Trust Property consisting of personal property and equipment, shall be owned by Trustor and shall not be the subject matter of any lease or other transaction whereby the ownership or any beneficial interest in any of such property is held by any person or entity other than Trustor nor shall Trustor create or suffer to be created any security interest covering any such property as it may from time to time be replaced, other than the security interest created herein.

28. Authority.

(a) Trustor has full power, authority and legal right to execute this Deed of Trust, and to deed, give, grant, bargain, sell, alienate, enfeoff, convey, confirm, pledge, hypothecate and assign and grant a security interest in the Trust Property pursuant to the terms hereof and to keep and observe all of the terms of this Deed of Trust on Trustor's part to be performed.

(b) Trustor represents and warrants to Beneficiary that Trustor is not a "foreign person" and covenants with Beneficiary that Trustor will not, throughout the term of the Notes, become a "foreign person" within the meaning of §1445 and §7701 of the Internal Revenue Code of 1986, (26 USC §§1445, 7701) and the related Treasury Department regulations, including, without limitation, temporary regulations (hereinafter collectively the "Code"); that is, such Trustor is not a non-resident alien, foreign corporation, foreign partnership, foreign trust or foreign estate as those terms are defined in the Code.

(c) Trustor represents and warrants to Beneficiary that Trustor is a limited liability company organized and existing under the laws of the State of Utah.

29. Actions and Proceedings. Beneficiary and Trustee shall have the right to appear in and defend any action or proceeding brought with respect to the Trust Property and to bring any action or proceeding, in the name and on behalf of Trustor, which Beneficiary and/or Trustee, in their discretion, shall decide should be brought to protect their respective interests in the Trust Property.

30. Further Acts, Etc. Trustor will, at the sole cost of Trustor, and without expense to Beneficiary or Trustee, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, deeds of trust, assignments, notices of assignments, transfers and assurances as Beneficiary or Trustee shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring and confirming unto Beneficiary and/or Trustee the property and rights hereby given, granted, bargained, sold, alienated, enfeoffed, conveyed, confirmed, pledged, assigned and hypothecated or intended now or hereafter so to be, or which Trustor may be or may hereafter become bound to convey or assign to Beneficiary and/or Trustee, or for carrying out the intention or facilitating the performance of the terms of this Deed of Trust or for filing, registering or recording this Deed of Trust and, on demand, will

execute and deliver within five (5) business days after request of Beneficiary or Trustee, and if Trustor fails to so deliver, hereby authorizes Beneficiary or Trustee thereafter to execute in the name of Trustor without the signature of Trustor to the extent Beneficiary and/or Trustee may lawfully do so, one or more financing statements, chattel Deeds of Trusts or comparable security instruments, to evidence more effectively the lien hereof upon the Trust Property. Trustor grants to Beneficiary and Trustee an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Beneficiary and Trustee at law and in equity, including without limitation such rights and remedies available to Beneficiary and Trustee pursuant to this Paragraph 30.

31. Recording of Deed of Trust, Etc. Trustor forthwith upon the execution and delivery of this Deed of Trust, will cause this Deed of Trust, and any security instrument creating a lien or security interest or evidencing the lien hereof upon the Trust Property, to be filed, registered or recorded and, thereafter, from time to time, each such other instrument of further assurance to be filed, registered or recorded, all in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien or security interest hereof upon, and the interests of Beneficiary and Trustee in, the Trust Property. Trustor will pay all filing, registration or recording fees, and all expenses incident to the preparation, execution and acknowledgment of this Deed of Trust, any deed of trust supplemental hereto, any security instrument with respect to the Trust Property and any instrument of further assurance, and all federal, state, county and municipal, taxes, duties, imposts, assessments and charges arising out of or in connection with the making, execution, delivery and/or recording of this Deed of Trust, any deed of trust supplemental hereto, any security instrument with respect to the Trust Property or any instrument of further assurance, except where prohibited by law so to do. Trustor shall hold harmless and indemnify Beneficiary, its successors and assigns, against any liability incurred by reason of the imposition of any tax on the making, execution, delivery and/or recording of this Deed of Trust, any deed of trust supplemental hereto, any security instrument with respect to the Trust Property or any instrument of further assurance.

32. Usury Laws. This Deed of Trust and the Notes are subject to the express condition that at no time shall Trustor be obligated or required to pay interest on the principal balance due under the Notes at a rate which could subject the holder of the Notes to either civil or criminal liability as a result of being in excess of the maximum interest rate which Trustor is permitted by law to contract or agree to pay. If by the terms of this Deed of Trust or the Notes, Trustor is at any time required or obligated to pay interest on the principal balance due under the Notes at a rate in excess of such maximum rate, the rate of interest under the Notes shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal

33. Sole Discretion of Beneficiary. Wherever pursuant to this Deed of Trust, Beneficiary exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Beneficiary, the decision of Beneficiary to approve or disapprove or to decide that arrangements or terms are satisfactory or not satisfactory shall be in the sole discretion of Beneficiary and shall be final and conclusive, except as may be otherwise specifically provided herein.

34. Recovery of Sums Required To Be Paid. Beneficiary shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Indebtedness as the same become due, without regard to whether or not the balance of the Indebtedness shall be due, and without prejudice to the right of Beneficiary thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Trustor existing at the time such earlier action was commenced.

35. Marshalling and Other Matters. Trustor waives, to the extent permitted by law, the benefit of all appraisal, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Trust Property or any part thereof or any interest therein. Further, Trustor expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Deed of Trust on behalf of Trustor, and on behalf of each and every person acquiring any interest in or title to the Trust Property subsequent to the date of this Deed of Trust and on behalf of all persons to the extent permitted by applicable law.

36. Waiver of Notice. Trustor shall not be entitled to any notices of any nature whatsoever from Beneficiary or Trustee except with respect to matters for which this Deed of Trust specifically and expressly provides for the giving of notice by Beneficiary or Trustee to Trustor and except with respect to matters for which Beneficiary or Trustee is required by applicable law to give notice, and Trustor hereby expressly waives the right to receive any notice from Beneficiary or Trustee with respect to any matter for which this Deed of Trust does not specifically and expressly provide for the giving of notice by Beneficiary or Trustee to Trustor.

37. Remedies of Trustor.
